

Nineteen hundred Eighty-three

Janet, for
this year
has really been
a blast! Next year
gonna be even better.

Survya, &
Dr. Kathy

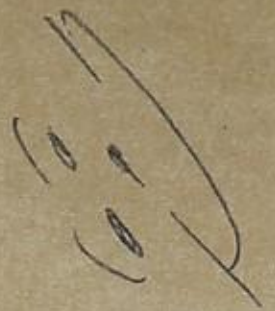

Janet, (M+)
Well, I'm glad to know
you in some of my classes. I have had
many laughs. Hope to see you
next year.
Life

NuNu,
Gymnastics just
ain't the same
without you. You're
one of my favorite "girlfriends"
Best Wishes +
Happy Handstands

Neal

JANET

Janet, I hope you enjoyed it!
Softball was great!
See ya, Kelly

Janet, howdy
Well your a girl
still (unusual) but I no it
is really a pretty nice girl.
are Really, a pretty serious girl.
Sometimes Well I guess it's just
comes this time I have been here
long short I better have been here
hit it off years I have been here
the you will like sister to get with
you because really just kidding, I want you to
would ha, ha, ha. I might start liking me, you never
ha, ha, ha. She know. wa, ha. Well enough about Crystal, let's
see this. I hope you ather sister. Just kidding.
know. wa, ha. Well enough about Crystal, let's
talk about your other sister. Just kidding.
Well, I hope there's not much more to say.
except Janet I hope you have a real good summer.
And I hope your whole family has a good
summer. I at but not least have a good
time on your vacation.
P.S. That is the
funnest part of
summer.
P.S.S. Hi
Crystal

Trinity Heights: A Counter Culture

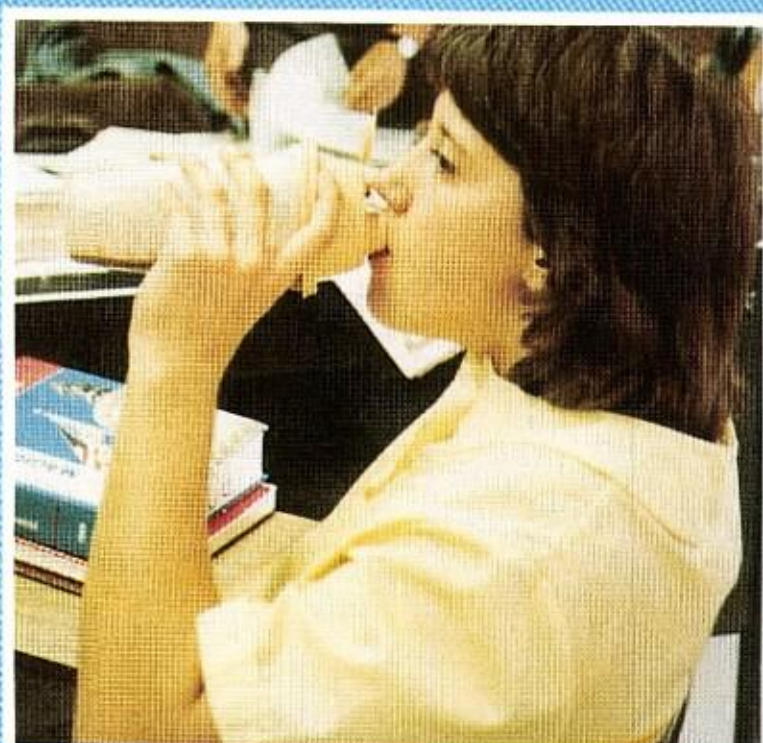

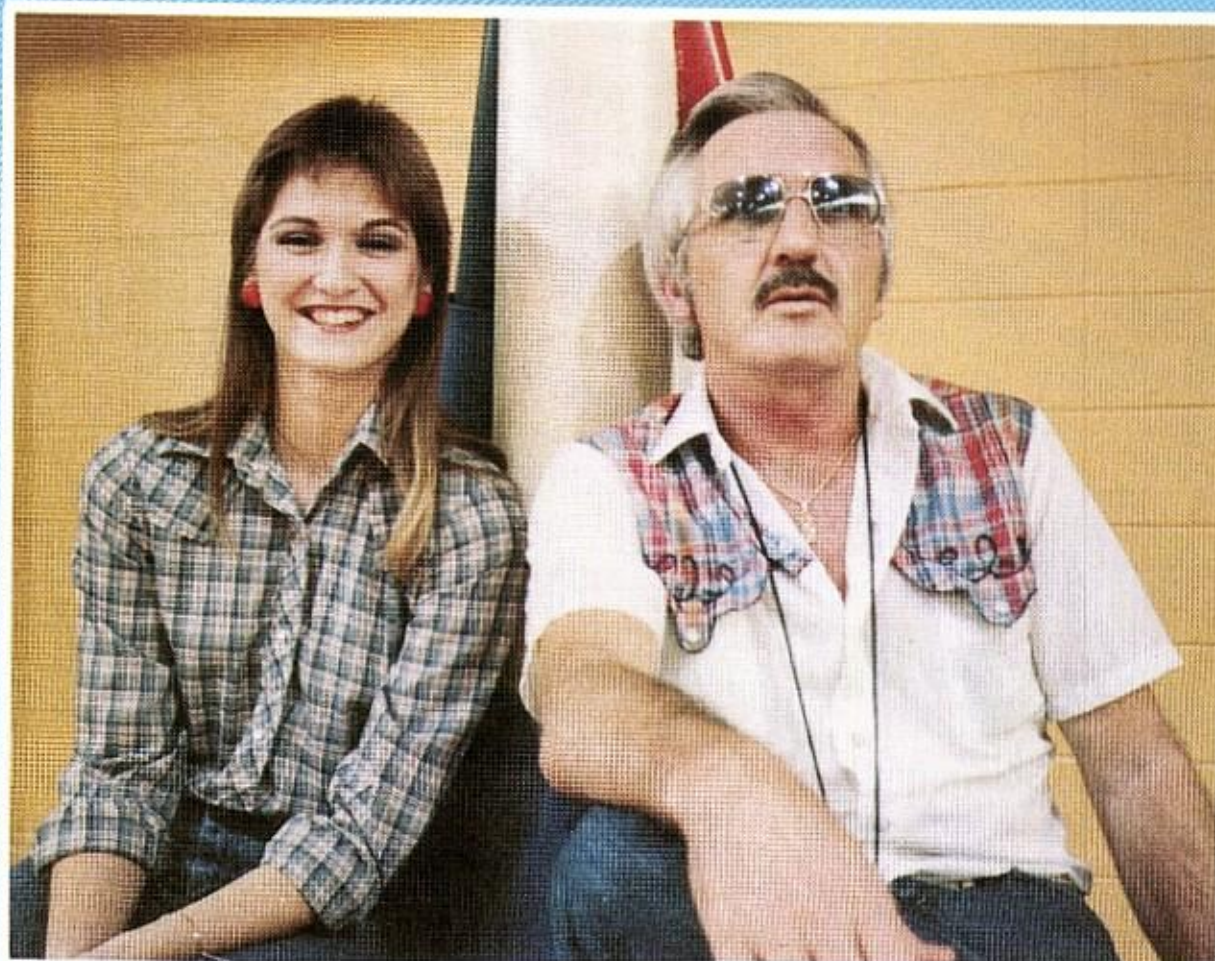

Our culture can be described in many ways both from Christian and academic perspectives. But when the bells ring signaling classes to start, it's nice to remember that our culture still means commitment to simple things. Our commitment to Christian principles makes the difference at Trinity Heights, and that difference is evident whether we are in our home rooms taking part in the daily devotion, or on the football field praying before a game.

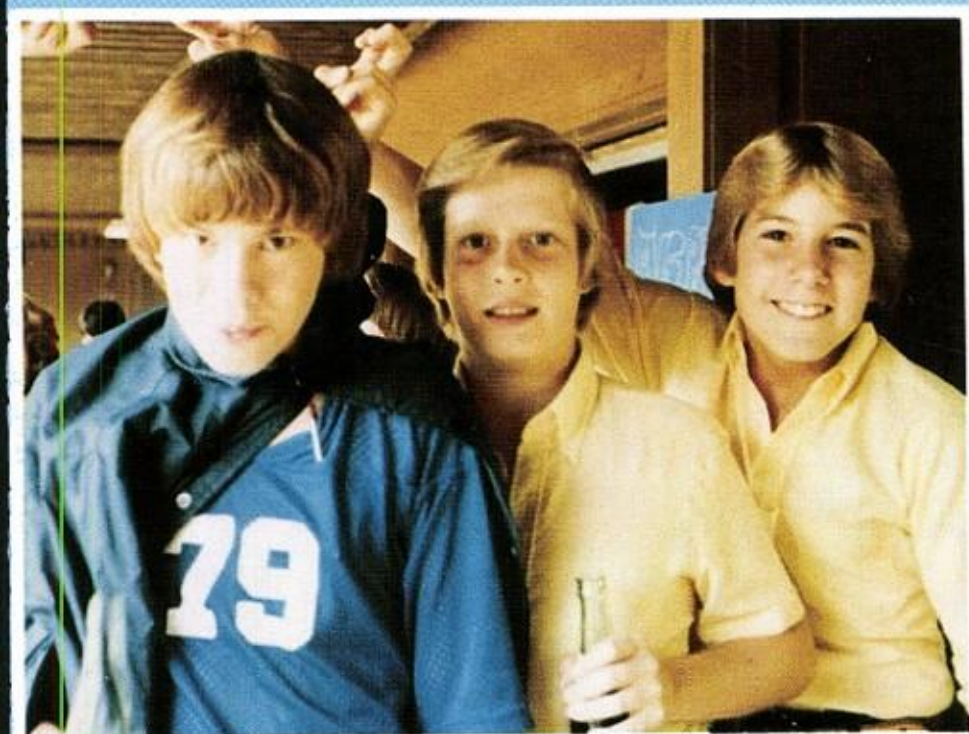

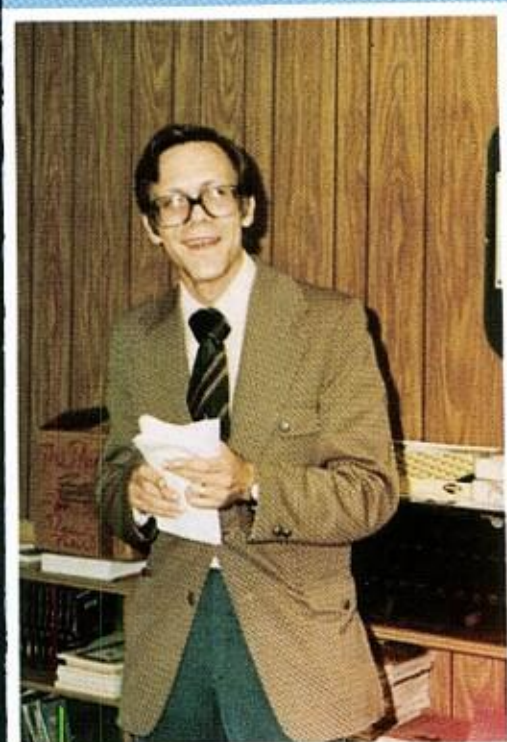

Each weekday is marked by the predictability of going to classes, gathering in the quadrangle for lunch, and at night, studying for the next days' test. Although this routine characterizes every high school, we are still described by a difference that shapes the 1983 people into a family. Friends jostle each other in the lockers between classes and meet to complain about teachers or homework.

It's the little things that make the difference. Like classes pulling together to work on a homecoming float, or pledging allegiance to the American and Christian flags in chapel, or just smiling and saying hello to friends in the mad rush to the next class. T.H.C.A. take away the 550 students, 40 faculty members, and what's left? Twenty-five empty buildings, one noiseless stadium, and a few hundred vacant parking places. It's not the architecture or the location that makes our school's culture different, it's the people.

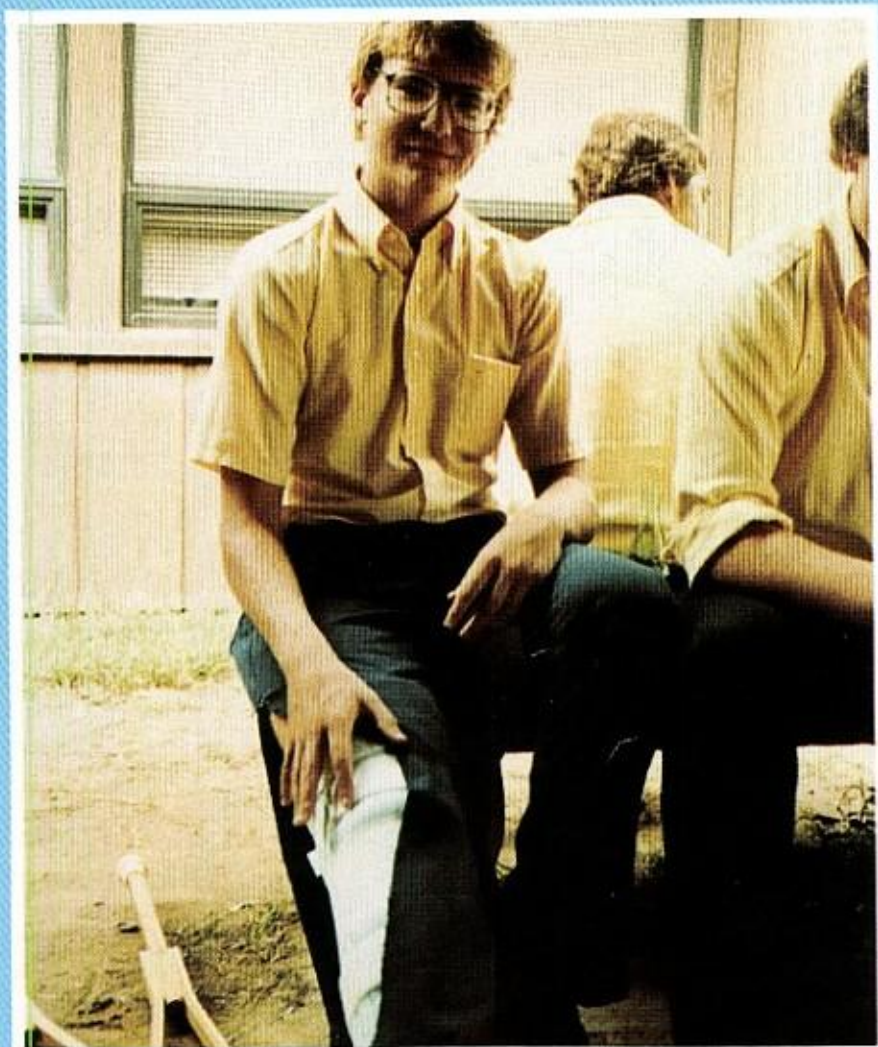

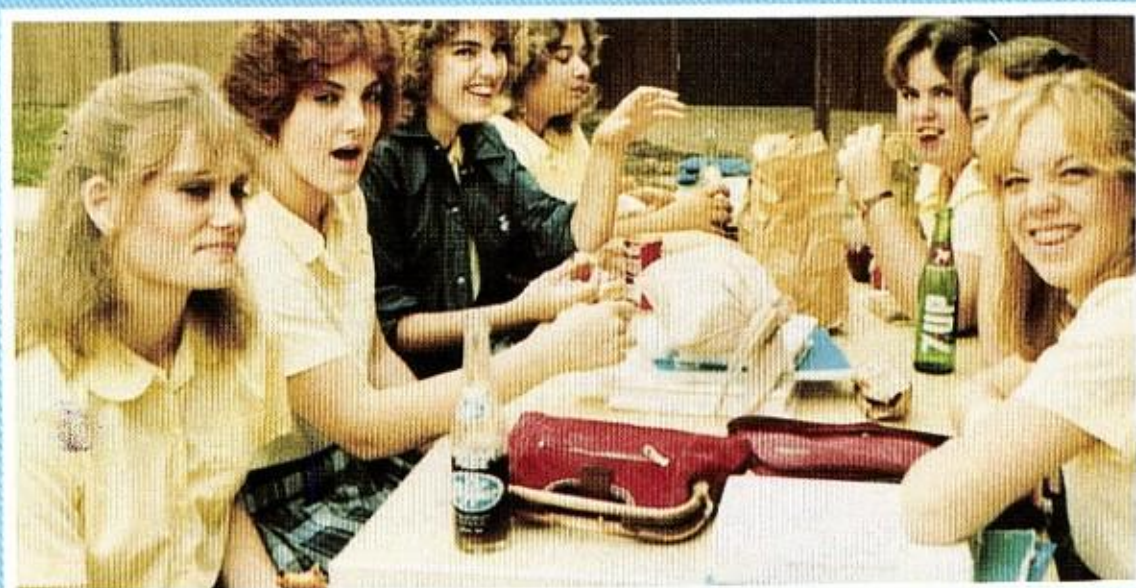

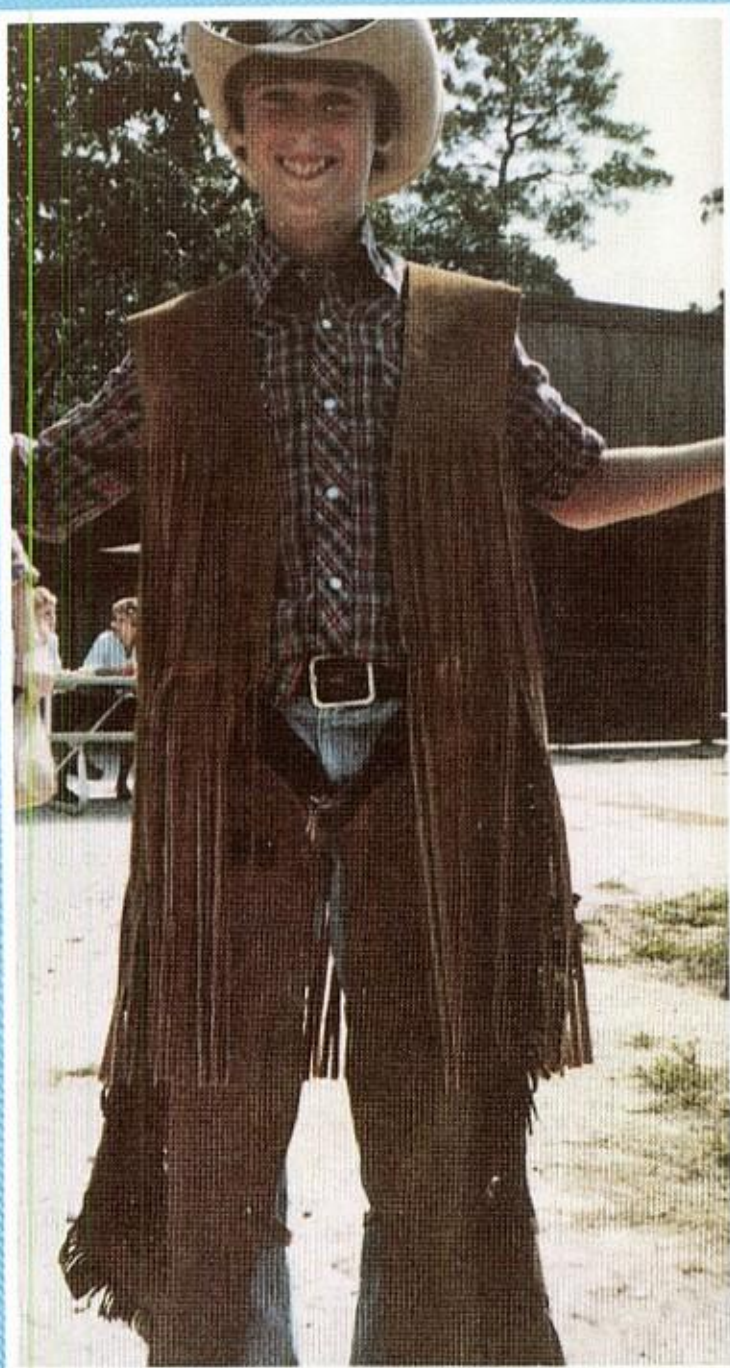

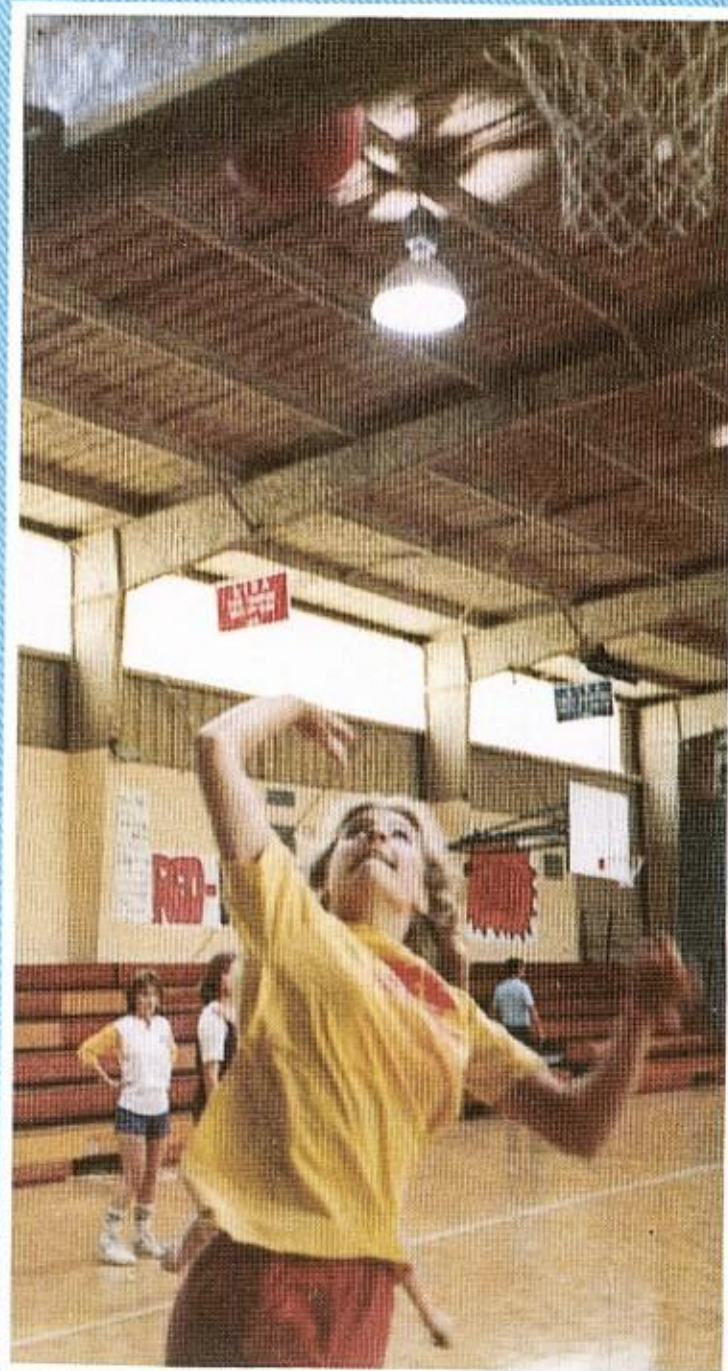

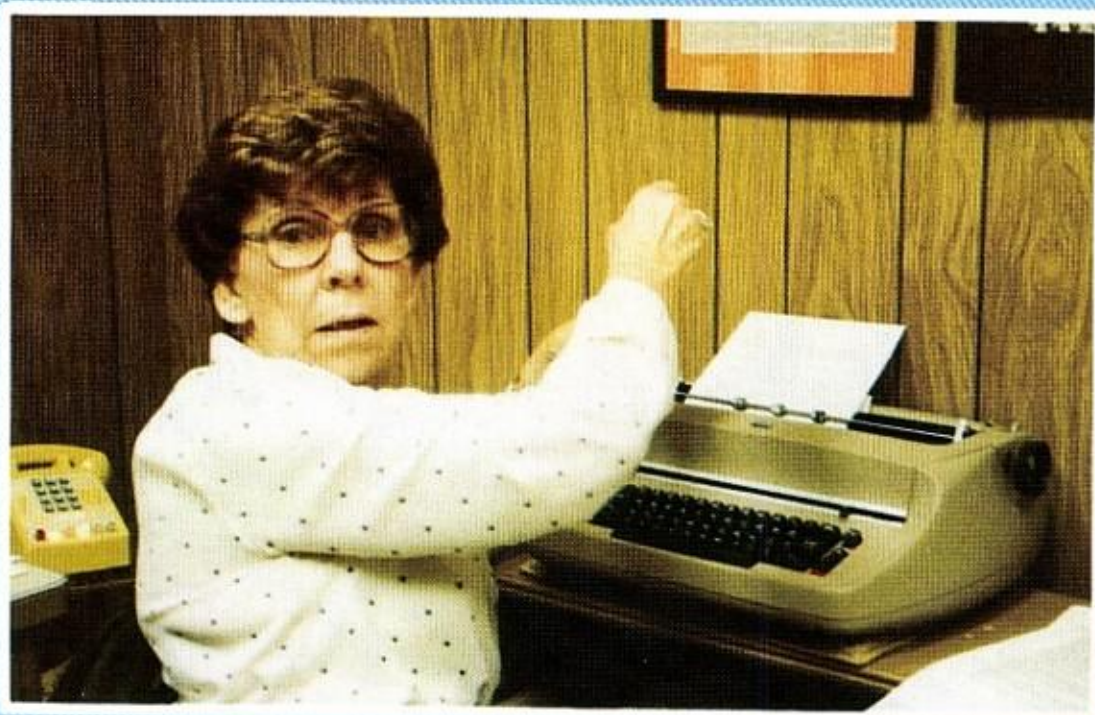

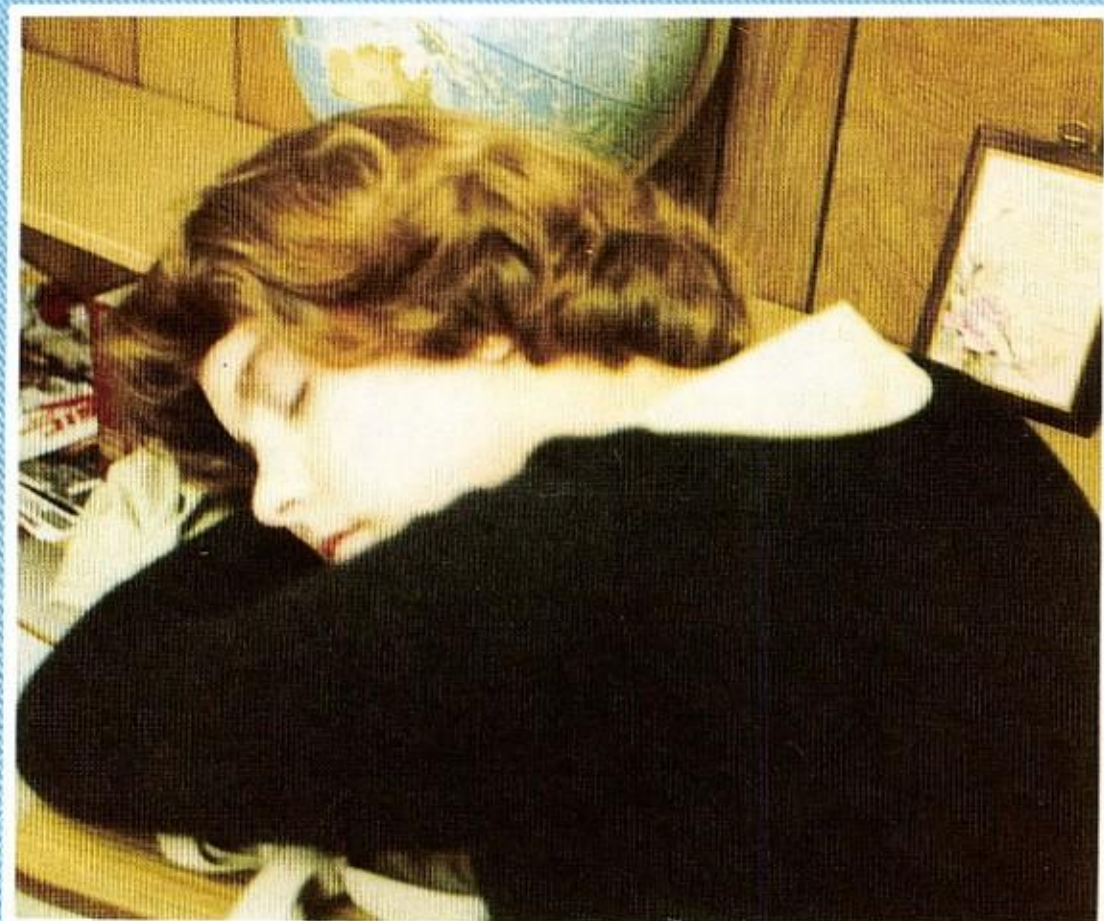

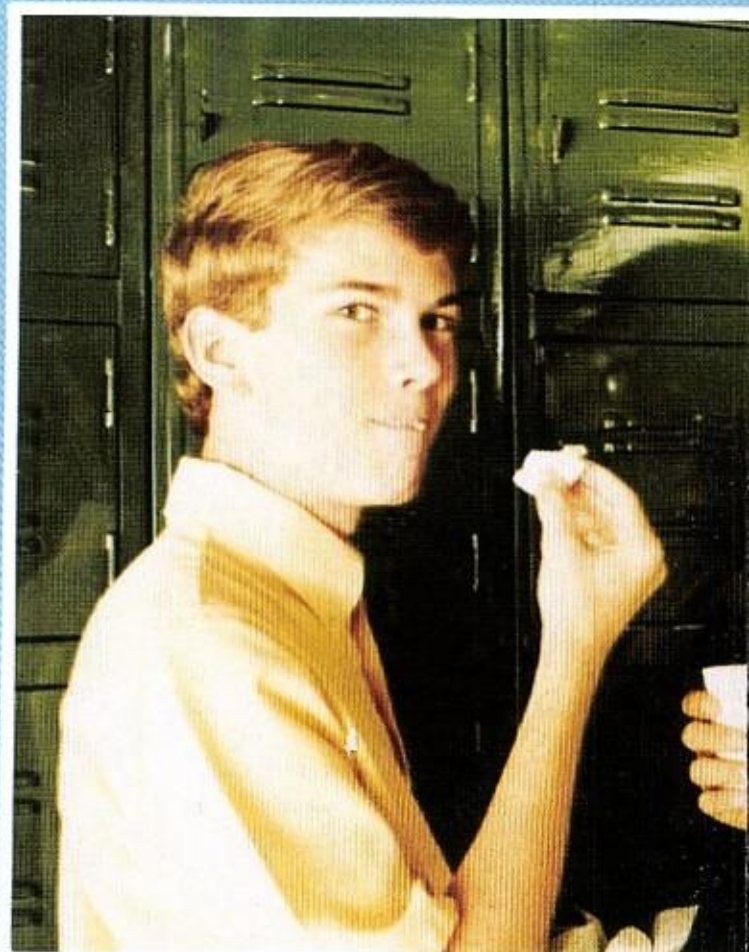

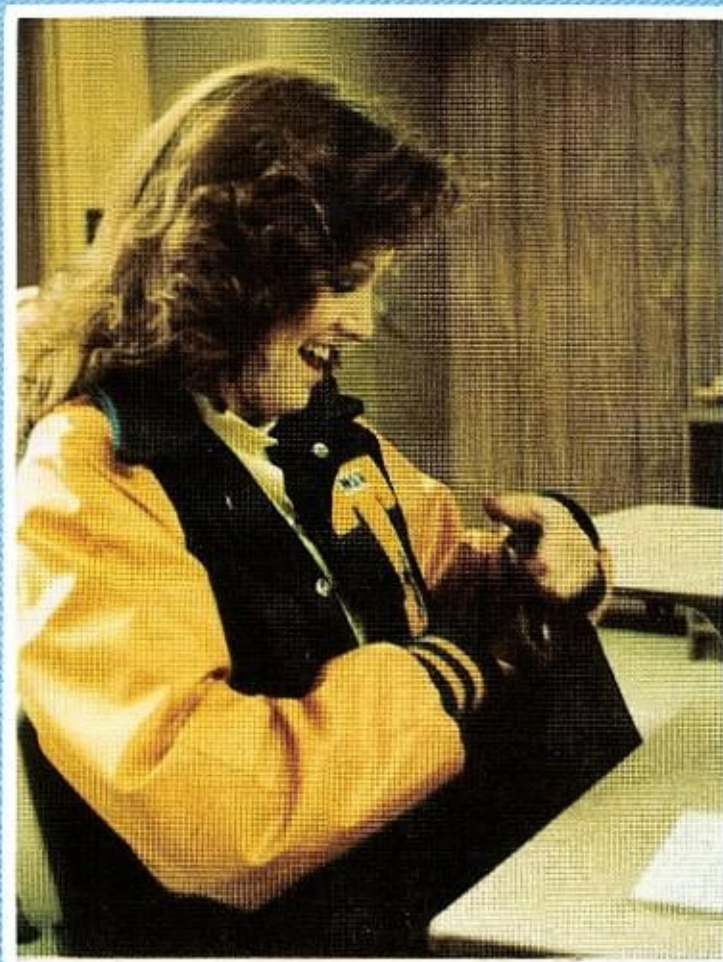

Punk Day

Every now and then the administration declares a spirit day at school and announces a theme of the day. We have had western day, fifties day, crazy sock day, and button day. But this year, we had something new. They called it, "punk day" and everyone was expected to dress like a punk. The idea behind it was to have an activity that was a lot of fun and that would get everyone involved, but it also showed us what the punk rockers go through every morning just to get dressed. Some paint their hair, or shave it off. Some mix blue eye shadow with lipgloss to make blue lipstick, it's outrageous. We had a good time that day-spirits were high, and here are some pictures to show you how we looked.

"And the rain descended, and the floods came, and the winds blew and beat upon that house, and it fell not; for it was founded upon a ROCK."

"Now this is my version of the English language."

Counter Culture

As we grow up under the shelter of Baptist based rules and regulations, the world outside remains hectic and confused. The seniors are one group who probably feel this the strongest. With plans for launching into the world as full-fledged adult citizens, the national and international issues become a reality that must be faced. But it's these very issues that help to shape our culture, and our commitment to Christian principles makes the difference. Thirty five of the seniors were polled in the government class, and here are some of the results: 25 plan to register as Republicans when they reach 18, 10 plan to become Democrats. President Reagan would win a wide majority of votes over both Sen. Kennedy and Vice President Mondale in a Presidential election. 30 of the students favor the death penalty in extreme cases only, 20 favor gun control laws, 25 favor raising the drinking age, and 25 favor teaching Creationism in the public school system. 15 seniors like the blue laws while 25 are against them, and 100% of those polled favor voluntary prayer in the public schools. Commitment to basics doesn't always adapt to trends. The contrast of our choices show that we are still in the midst of life-shaping decisions about our culture versus the worlds'.

Oh well, not everyone is meant to succeed in life.

Here you see our class sponsor Ditto Dyess. There are two pictures of her because we think there must be two of her. You see, no one person could do the amount of work that she does in the time that she does it. We

count ourselves lucky to have her as our sponsor and appreciate all the help she has given us, and all the hassle she has put up with. Mrs. Dyess tells us that in one years' time, every student that attends T.H. will have spent over 1000 hours in school, and in our four years, the seniors have spent over 4000 hours here. To all under classmen: "Have fun!!!"

The Senior Class Song is "The Eagle Song" by the Imperials; the class flower is a water lily; the colors are maroon and gray; and the class motto is "If you can't do great things, do small things in a great way"

— Freeman

As the sun sets on our last few days of high school, we look back on all the fun we had and all the friends we made, but we also look ahead to the future and wonder what it will bring our lives. We are no longer considered children, driven by the wind, but are facing the world as adults. The culture we have been trained in will do much to determine how our lives will be spent.

Student Hosts Board

Mary Ellen Methvin, a senior here at T.H., was the only girl to take Home Ec. IV this year. That in itself is an accomplishment, but when she was asked to host a banquet for the Board, she really had her work cut out for her. It was a lot of hard work, but she did a fabulous job. Mary Ellen really has to earn her grade in Mrs. Dyess' class!!

1982-83 Board Of Directors

Our Board of Directors this year was really a supportive and helpful conglomerate. Each member contributed his full energy and much valuable time to making decisions and upholding the business end of our school. There are many responsibilities a board member must accept. Responsibilities to the school, the students, the faculty, the parents, and to the other members of the board, in helping them work out the problems that inevitably arise.

Over half of our 14-board members are chairpersons on the 10 committees that the board is in charge of, so they are all kept very busy taking care of our school.

Our Educational Committee officers this year are: Don Duggan, Chairman; John Franks, Vice-Chairman; and Darlene Drake, Secretary. Among some of these officers' many responsibilities is the administration of several smaller, though important committees.

The Executive Committee, headed by Chairman Don Duggan, governs all transactions of the board. John Franks, Joe Rossett, and Ben Terrell are our other Executive Committee members.

Joe Rossett and John Franks help Mr. Duggan oversee the finances of the academy. They are in charge of appropriating all the funds for new equipment in both academics and athletics.

The purpose of the School Properties Committee is to oversee all property owned by the school. This committee is headed by Ben Terrell along with members Wayland Carlisle and Bob Hauser.

The Chairman of the Job Description Committee is David Wilson and he works with Marilyn Light and Molly Duggan.

Chairman Wayland Carlisle and member Chris Dominick make up the Bus Committee which is in charge of all school-owned buses.

Our Insurance Committee works closely with the school's insurance policies, making sure that all property is adequately covered by insurance. It is led by Joe Rossett and has one other member, John Franks.

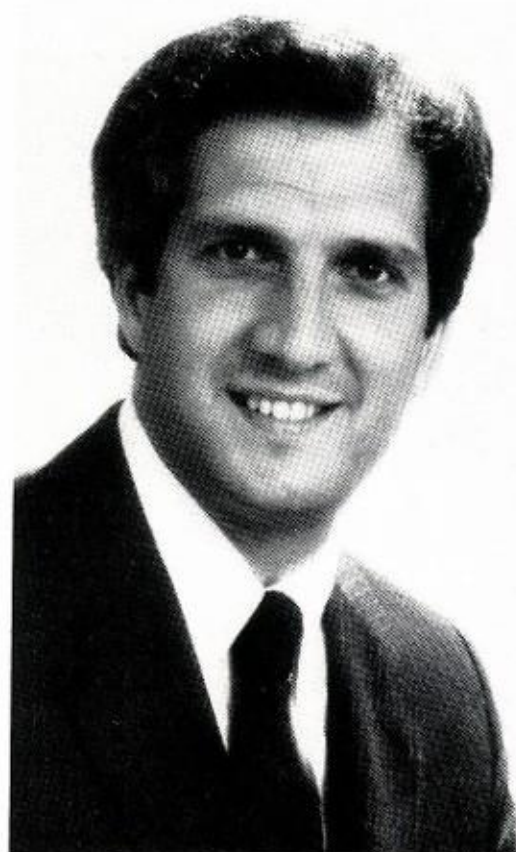

The members of the Curriculum Committee oversee what subjects are taught here at T.H. This year they added Art, Journalism, Physics, and a Resource Room. Members are Darlene Drake and David Wilson. The Chairman is Ned Wynn.

Molly Duggan heads up the Financial Aid Committee with members Ned Wynn and Marilyn Light. The main purpose of this committee is to seek out families needing financial aid in order to attend Trinity Heights.

The Uniform Committee provides guidelines for the schools uniform code, and helps maintain the traditional appearance of the students. Darlene Drake is the Chairperson, and other members include Chris Dominick and Bob Hauser.

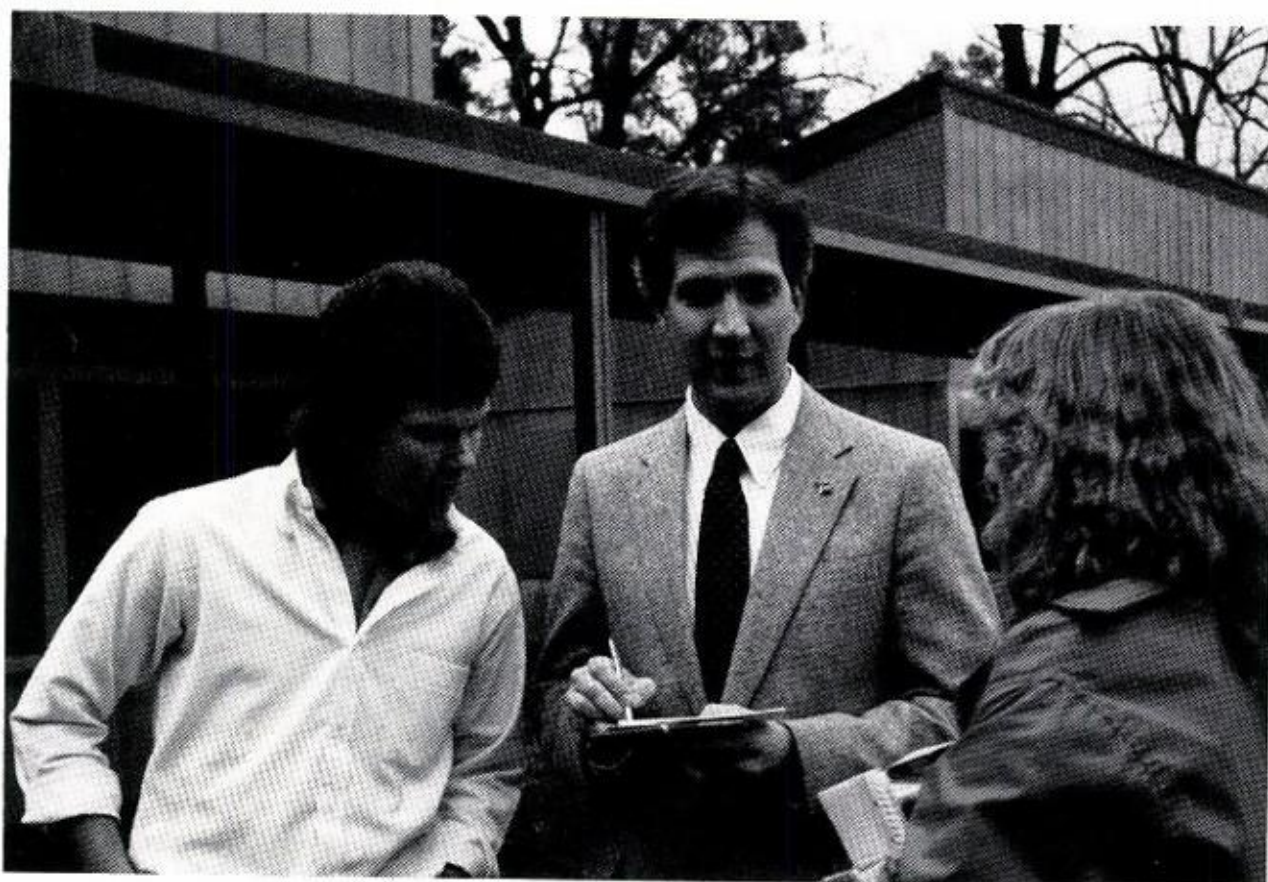

Dr. Freeman, Melanie, Priscilla, and David.

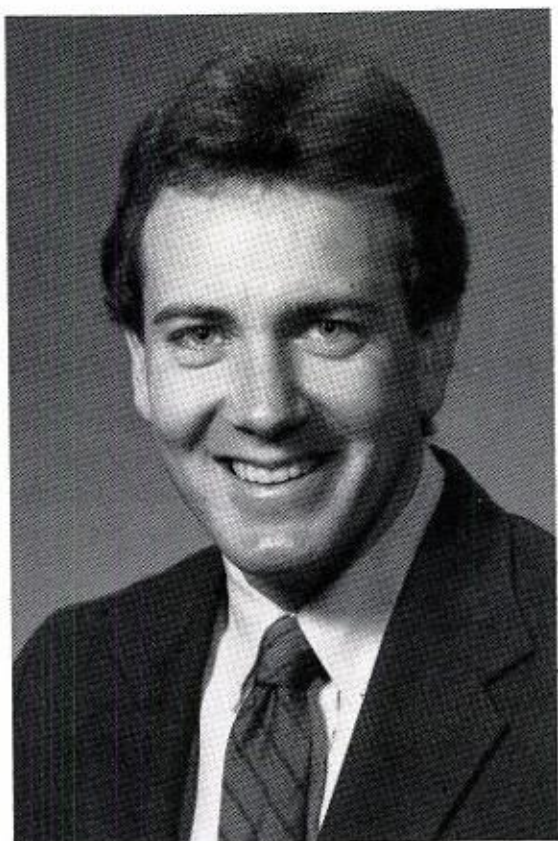

*Dr. Roger Freeman
Pastor*

Dr. Freeman is a native of Memphis Tenn. He attended Belmont College where he received his B.A. He received his Master of Divinity at Southwestern Baptist Theological Seminary in Fort Worth, Texas. Dr. Freeman has served as pastor of Trinity Heights Baptist Church for seven years.

Dr. Freeman speaks in chapel periodically at THCA. He always has something to share, in and out of chapel, and always has time for people.

Dr. Freeman's hobbies are golfing, tennis, and reading and preaching the Word. But, his favorite pasttime is being with his wife, Priscilla, and his two children, Melanie-8, and David, two months.

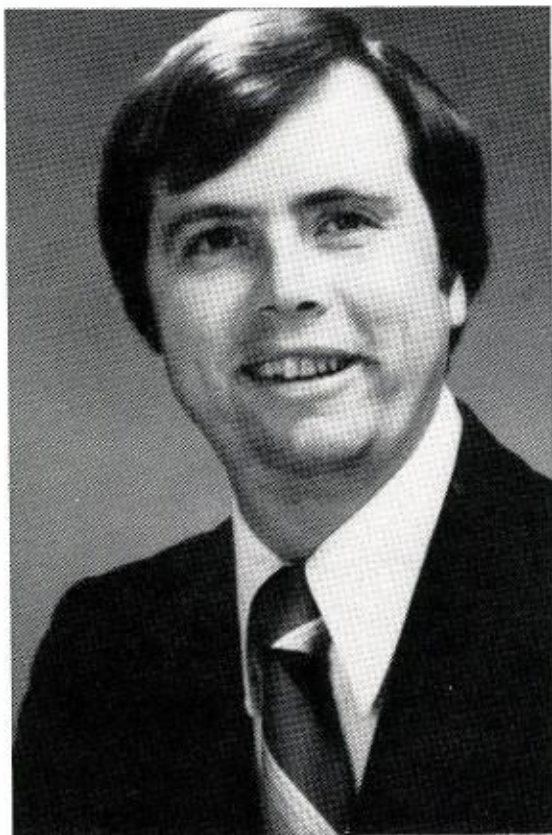

*Rev. Kim Hall
Minister of Youth*

Kim Hall is a native of West Monroe and graduate of LSU in Shreveport. He has been a member of Trinity Heights Baptist Church for six years, and has been Youth Minister for four years. Kim's decision to be youth minister and chapel speaker at THCA came from his compassion for young people and his desire to lead them through important decisions in their teen-age years. As chapel speaker, he leads services for Jr. high and highschool students on Monday and Wednesday. Kim has been an inspiration to everyone through his music and chapel illustrations.

Kim's hobbies include: duck and quail hunting, drawing, and playing the guitar. He also enjoys being with people and being involved with them. Kim is totally committed to working with youth and will not be satisfied until he sees the Lord magnified in their lives. Kim says he loves his work and wouldn't do anything else. His favorite pasttime is being with his family, whether in traveling or just spending quiet time together at home.

Rev. Kim Hall

Lonnie Wascom

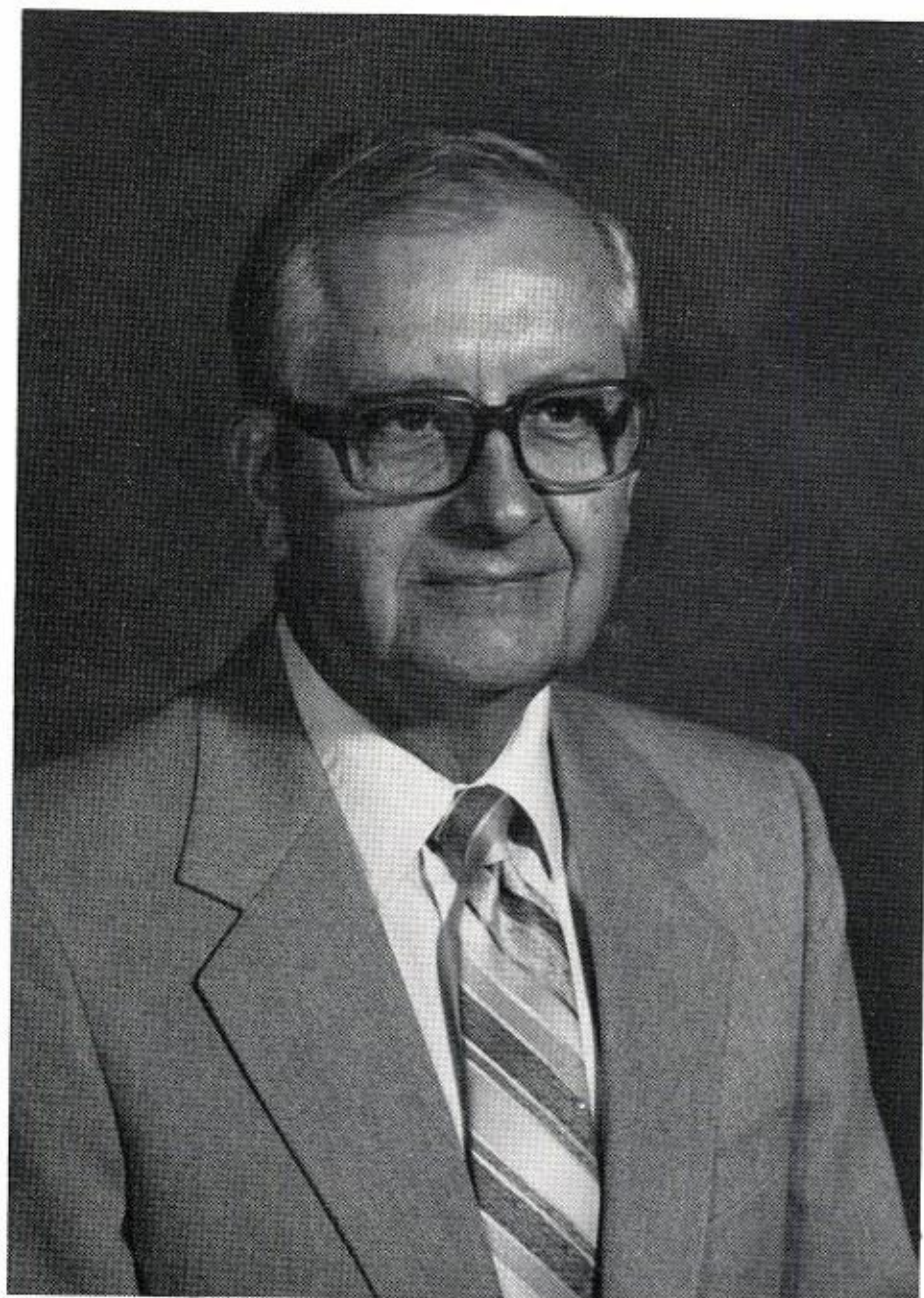

*Lonnie Wascom
Minister of Education*

Lonnie Wascom is a native of Hammond Louisiana and a graduate of Northeastern. He received his Master of Divinity degree at Golden Gate Baptist Theological Seminary in Mill Valley, Ca. and his Master of Arts in Speech, at San Francisco State.

Lonnie has been Minister of Education at Trinity Heights Baptist Church since June, 1978. He has been teaching in chapels here at T.H. for five years. He speaks to elementary students on Tuesday and Thursday.

Lonnie's hobbies include hiking, collecting model trains and reading. His favorite author is Ross McDonald. Lonnie also enjoys being with and ministering to people. At home his favorite pasttime is being with his wife and two children.

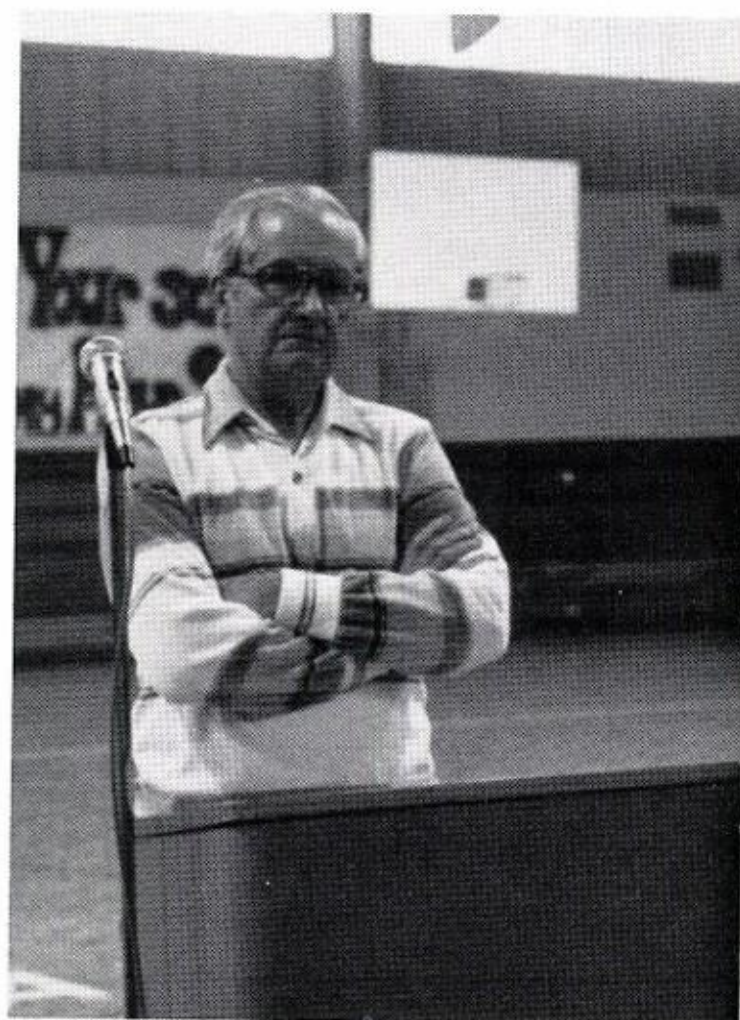

Mr. And Mrs. Owens

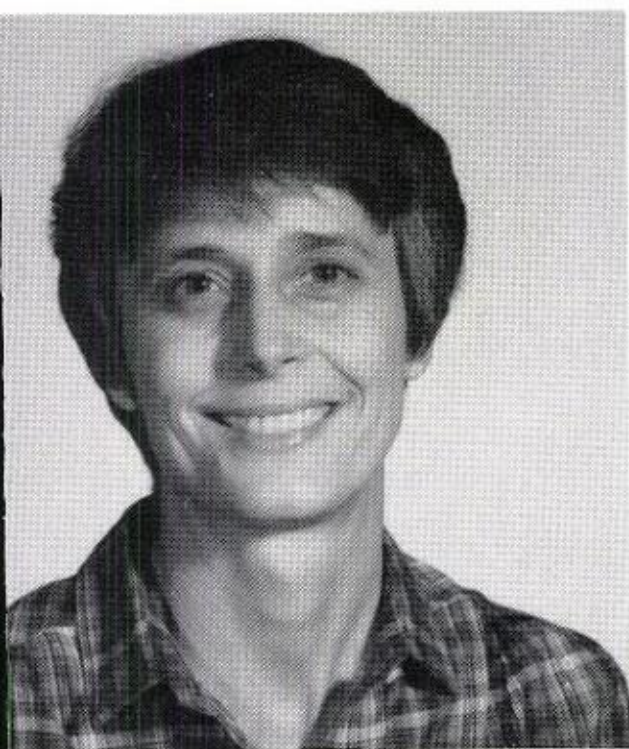

Anyone who has participated in a team sport knows that in order to attain victory you must work together as a team, holding the other up when defeat threatens. Webster defines teamwork as the acting together of two or more people to make their work successful and effective. Trinity Heights defines teamwork as Mr. and Mrs. Owens. Together, these two have made T.H.C.A successful, and they have been a very effective force in pushing the Academy to the greatest achievements in the history of the school.

Mr. Owens had been the principal of the school for many years until he made the decision to teach Jr. High math here at TH. Mrs. Owens taught Jr. High history until she became the Administrative Assistant, where she assisted the principal and served as counselor to both students and faculty. The need arose for someone to fill the role as principal during the 1981-82 school year, and the Board of Directors saw fit to ask Mr. Owens to serve as principal once again.

A natural team was born. The students and faculty have become quite attached to Mr. and Mrs. Owens and respect them for the accomplishments they have made. Our expressions of gratitude and appreciation could never be sufficient enough for the dedication they have shown to our school.

"I dare you to try it!"

Mrs. Shilling

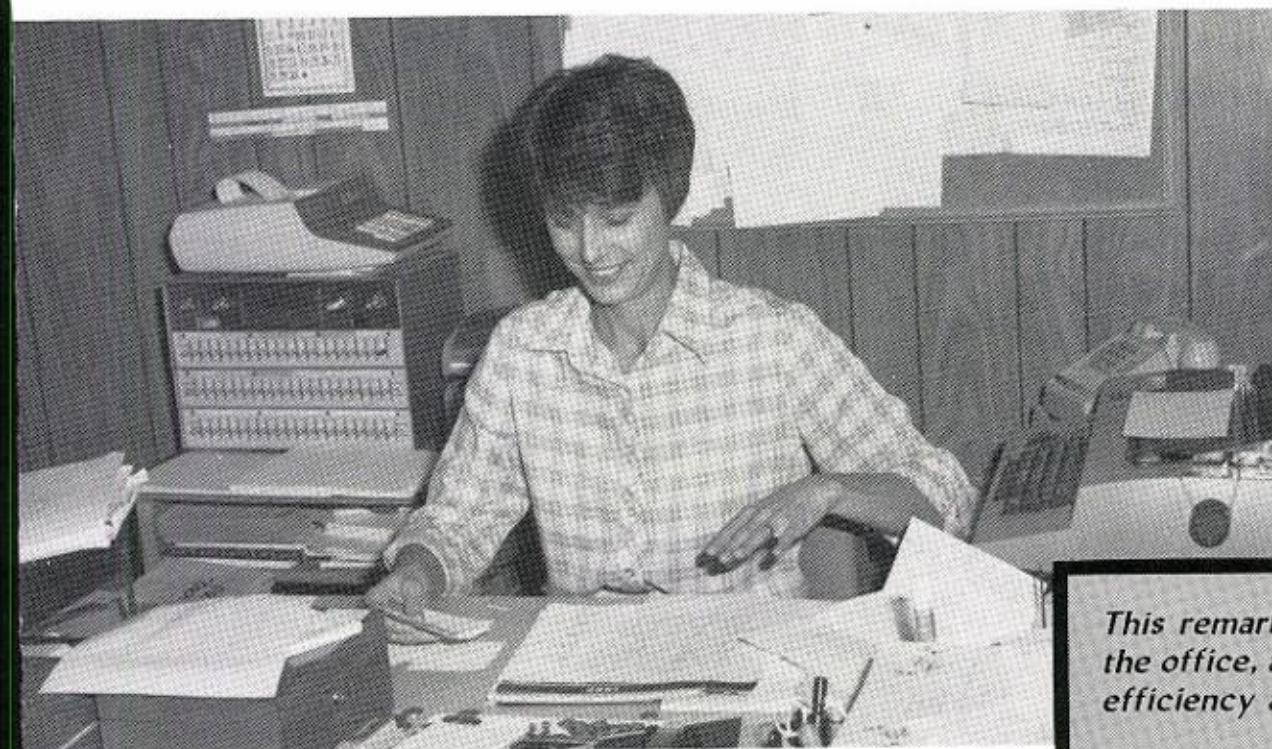

Mrs. Kilpatrick

Mrs. Harmon

Administrative Staff

This remarkable trio keeps everything running smoothly in the office, and they influence the entire Academy with their efficiency and hard work.

Mrs. Shilling, our receptionist, handles telephone calls, attendance, enrollment, and many other office practices needed daily. If you're late to class a lot, you should know her well.

The school's registrar and principal's secretary is Mrs. Kilpatrick. Now don't believe the sign on her desk, because she doesn't have an idle moment, but is always busy at work. We're not saying she's organized, but she does stay busy.

Mrs. Harmon is the financial secretary for the school. We couldn't get a candid of her because she is always hidden away in her work.

Also working in the office during the day are several students. They are Jan Kilpatrick, Karen Godwin, David Warner, Mark Lambert, Suzanne Williams, Mike McDowell and Mark Allums.

These secretaries and students have been a great asset to THCA, and seeing their faces in the office throughout the day is a continual assurance that everything is under control.

Top Ten Seniors

The TOP TEN SENIORS are very special people. Among them we have Jeff Crow, who will be the first graduate of THCA to receive an appointment to West Point, where he will matriculate in the Fall 1983. These students must not only show academic excellence, but they are also judged on character, courtesy, spirit loyalty, patriotism, and integrity. The Administration and faculty, by means of the secret ballot, nominate those whom they feel deserve this honor. This information is then placed with the academic standing, thus arriving at the TOP TEN. Each one of these top students has taken his/her place among the leadership of the 1983 graduating class.

STUDENTS WE SALUTE YOU!

SGA President Amy Douglas

Amy Douglas, our 1982-83 SGA President has contributed her all for the betterment of THCA. She has been extremely active in many school activities. Her favorite happens to be basketball, at which she worked very hard to help achieve the titles that they've won. This past year she took part in Louisiana Girls State, Mu Alpha Theta, Z-Club and the Literary Rally. Amy loves to spend time with friends and play all sports. She especially likes getting others involved in student activities. Her plans after she leaves THCA are to study Pre-Med at Tulane. Congratulations for doing a great job as our SGA President and Good Luck in the future!

Eagle Features

Aquila Editor Mimi Golsby

Our 82-83 Aquila Editor for the school year is Mimi Golsby. Mimi has given her all to make this year's yearbook the best that it's ever been. She has spent hours and hours of her time making sure each detail is perfected. Besides being the Aquila Editor, Mimi has also been in other various school activities. This past summer she participated in the Louisiana Girls State, and she is also in National Honor Society, SGA, and Band. However, when she is not taking part in school activities you may find her reading a good book or playing piano or flute. Thanks Mimi for all the time and effort you have put into our yearbook this year! You did a spectacular job.

Eagle Features

Eagle Beak Editor Jackie Morgan

Eagles Beak Editor for 1982-83 Jackie Morgan, has successfully turned the paper into one that we can all be proud of. Her other accomplishments during her years at THCA have been fantastic! Over these years she has been in Honor Band and the National Honor Society. Jackie loves Trinity Heights and has enjoyed being the Eagles Beak Editor. Collecting unicorns and horseback riding are also at the top of her list. Jackie's future plans are to travel on a three year tour of Germany where she will attend school and major in Biological Science. The Best of luck to you, Jackie!

Eagle Features

Head Cheerleader Leslie Hutchinson

All of our games would not have been the same without our Head Cheerleader, Leslie Hutchinson. Leslie has done a tremendous job with the cheerleaders this year. Many long hours were spent practicing, trying to perfect each little pyramid and cheer. However, when she was not practicing, she was probably busy with the remainder of her activities. Leslie has taken part in FHA, SGA, and she was a contestant in the annual Beauty Pageant. She loves to collect mice as well as spend much time with friends. But, most of all, she enjoys cheering! Following this year she will attend La. Tech. She plans to major in Business Administration. Have fun and Good Luck, Leslie!

Eagles Features

Pep Squad Colonel Melanie Wilkins

The High Flyers this year were under the supervision and guidance of Melanie Wilkins. Melanie, a Senior this year, has put a lot of time into making sure the High Flyers do their job superbly. Melanie loves to support our Eagle teams and has done so as our Pep Squad Colonel. She also participated in the Beauty Pageant, and is an officer in Z-Club and FHA. Her main loves though, include playing tennis, skiing, cooking, and going out with friends. Melanie plans to attend college after her last year at THCA. The best of luck in the future, Melanie, and thanks for a job well done!

Eagle Features

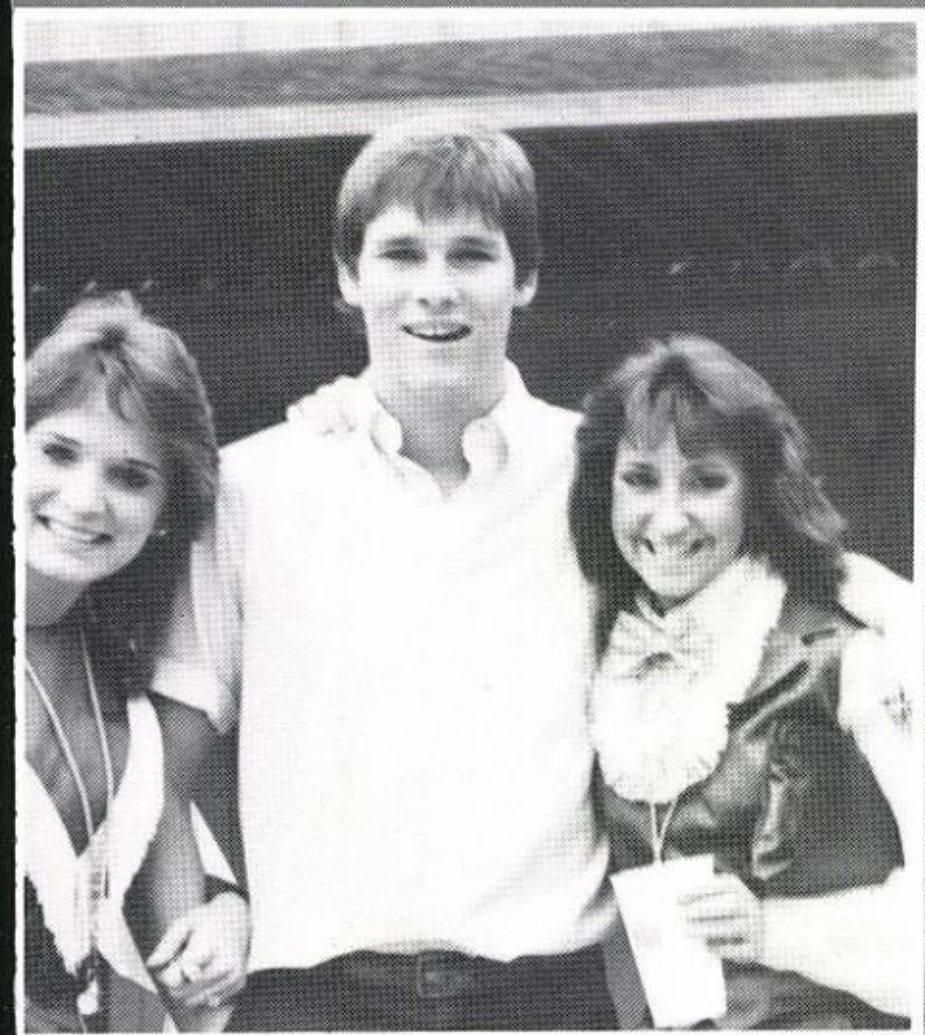

Golden Girl Captains

Christy Holbrook

Karen Godwin

Mary Ellen Methvin

Who is Christy Holbrook? Christy Holbrook is a 17 year old senior who has a special talent for dancing. Maybe that's why she's our Golden Girl Captain for the 1982-83 year. She has done a wonderful job with the dance line. Christy loves to spend time with friends and read. She has been a member of the National Honor Society and has participated in many other school activities. Christy didn't do everything by herself, however; she had plenty of help from Karen Godwin and Mary Ellen Methvin as Co-Captains. Karen loves to dance and be with friends. She was our '82-'83 Homecoming Queen. Her side-kick Mary Ellen was on the SGA, Z-Club, and FHA. She was also our Sr. Maid. She enjoys talking on the phone, skiing, and above all, being with friends. Mary Ellen intends to attend La. Tech and major in fashion merchandising. Congratulations and the best of luck to our Golden Girl Captains!!

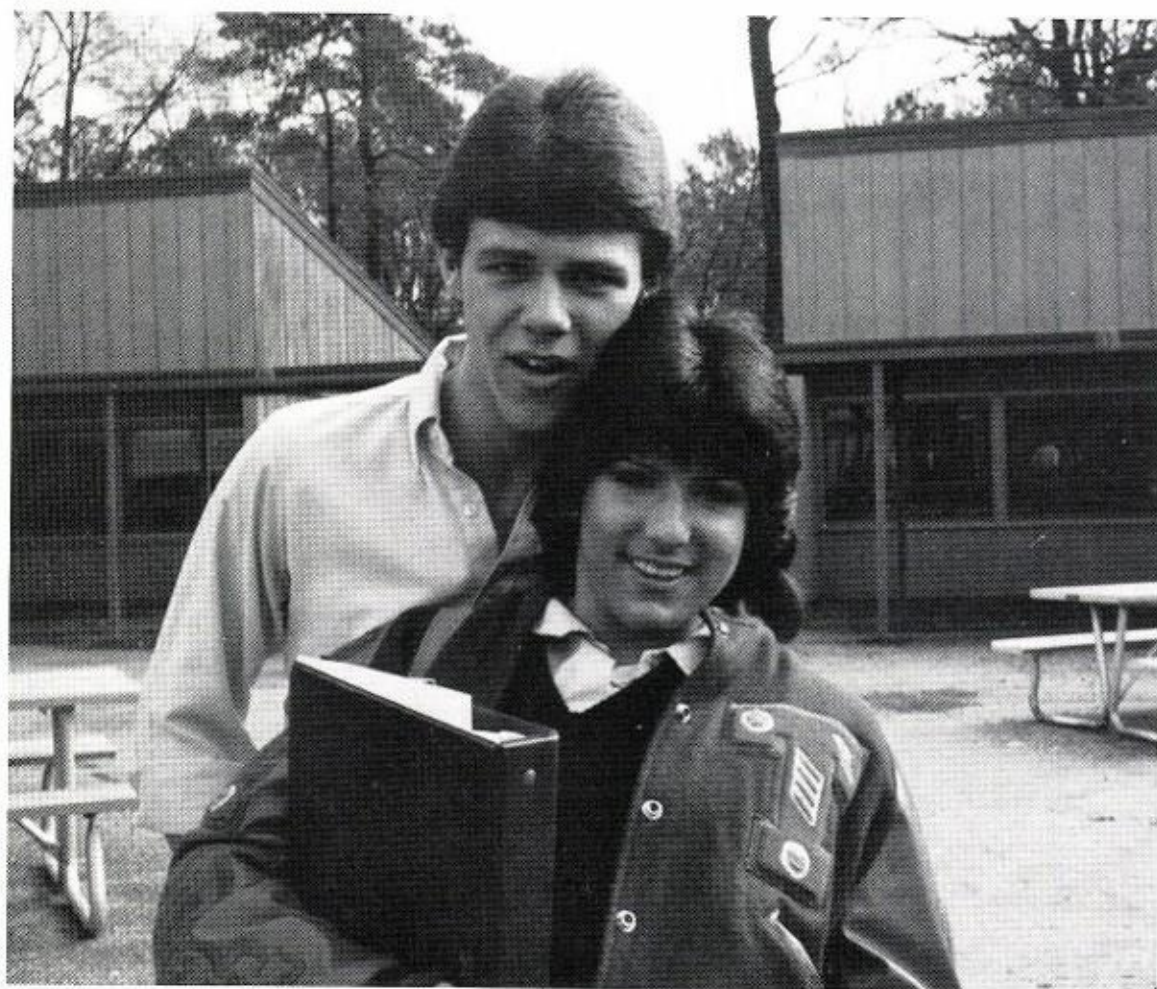

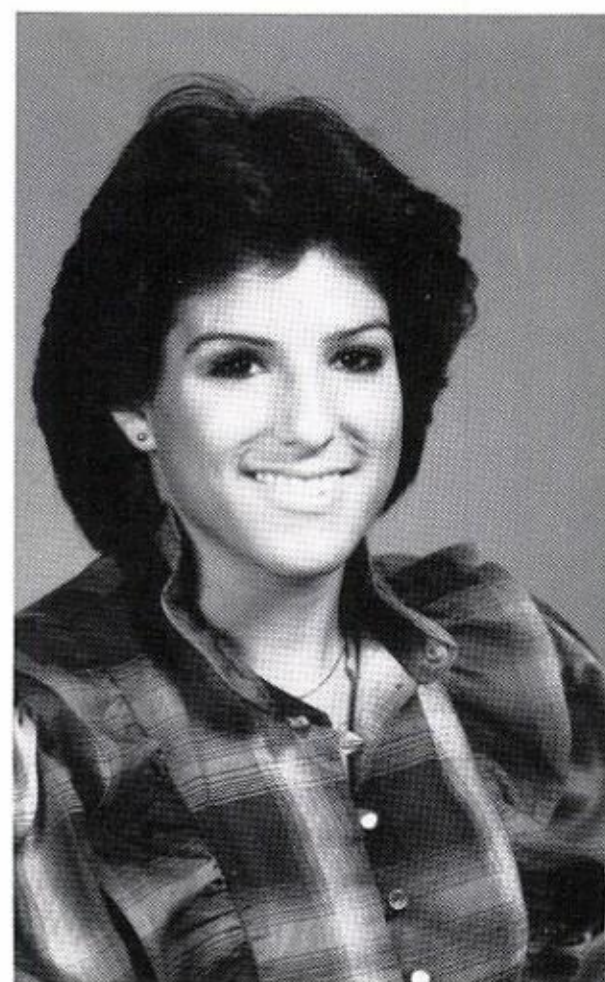

Eagle Features

Miss THCA - Kay Dick

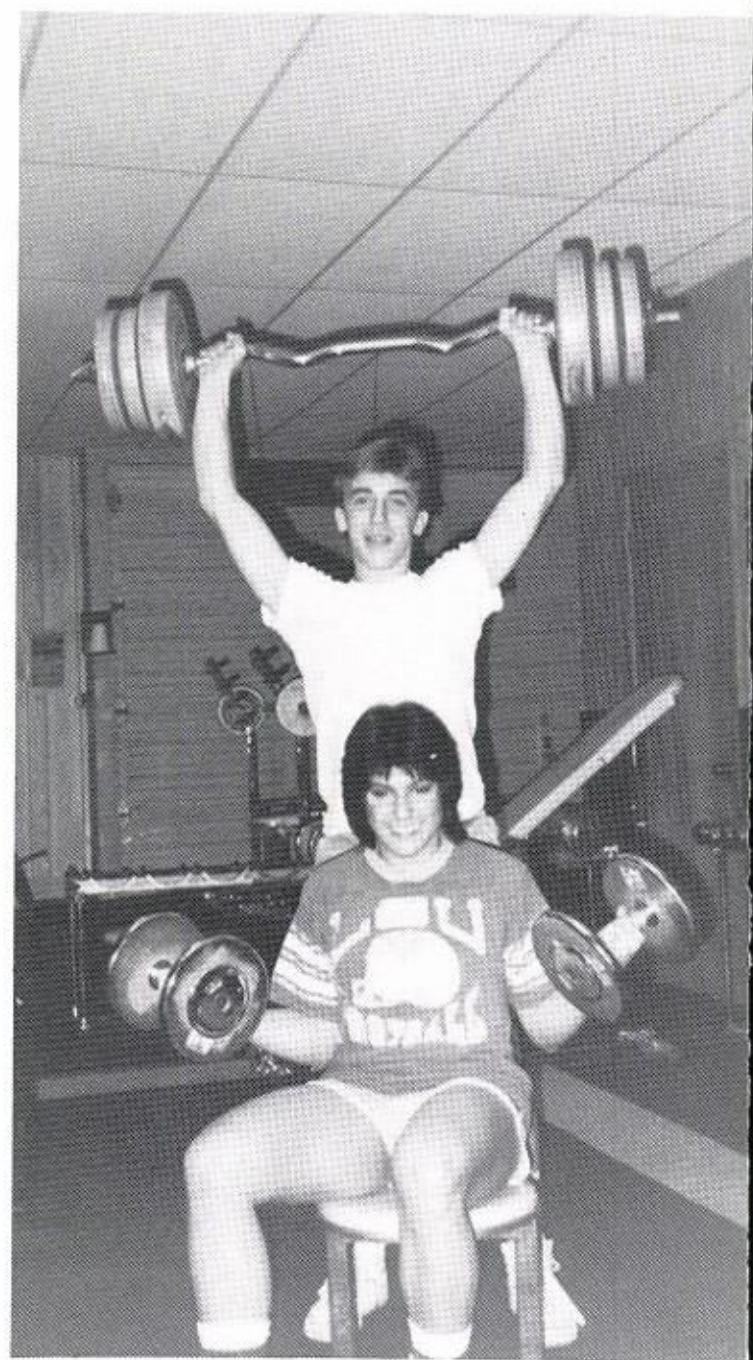

Every year at Trinity Heights, we have a new group of people that make up the Senior class. Those people work together all year making plans for their Senior Party and ultimate graduation. During this time, they all form impressions about each other that they will carry with them for many years to come. One tradition our Seniors have is the selection of Senior Personalities. Every senior is voted into a category by his classmates, and this makes up the Senior Who's Who. The highest honor is to be chosen as Mr. or Miss Trinity Heights. Not only do the Seniors vote on this, but everyone in high school, along with the faculty.

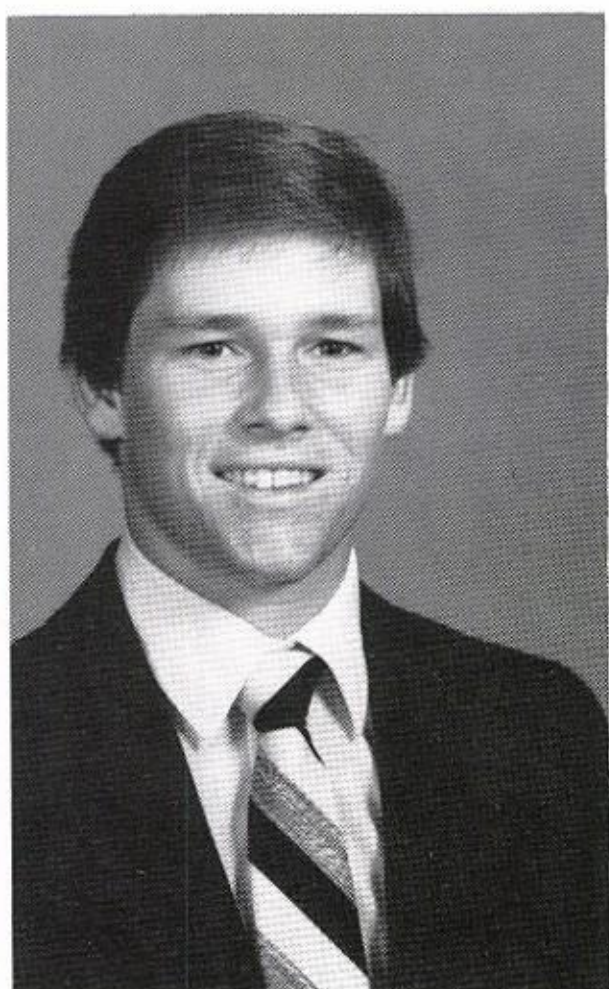

This year, we have two remarkable people serving as Mr. & Miss T.H.C.A. They are Kay Dick and Mark Lambert. Each of these students has shown school spirit and has excelled in many areas of their lives.

Kay Dick is one of the most involved seniors we have at T.H. She is a member of the Nat. Honor Society, the Basketball, Softball and Track teams, the Band, the Yearbook ad staff, and is one of her class officers. Kay has been chosen as one of the top ten seniors, has won the Honesty & Integrity Award, and has received academic scholarships. But her most outstanding achievements are in the sports arena. Kay has played Basketball for T.H. for eight years, and has started on the varsity team for three. She has been chosen as All-District, All-State, All-Tournament, and MVP in tournaments. Kay received the coveted Eagle Award as a junior, and is loved and respected by her teammates.

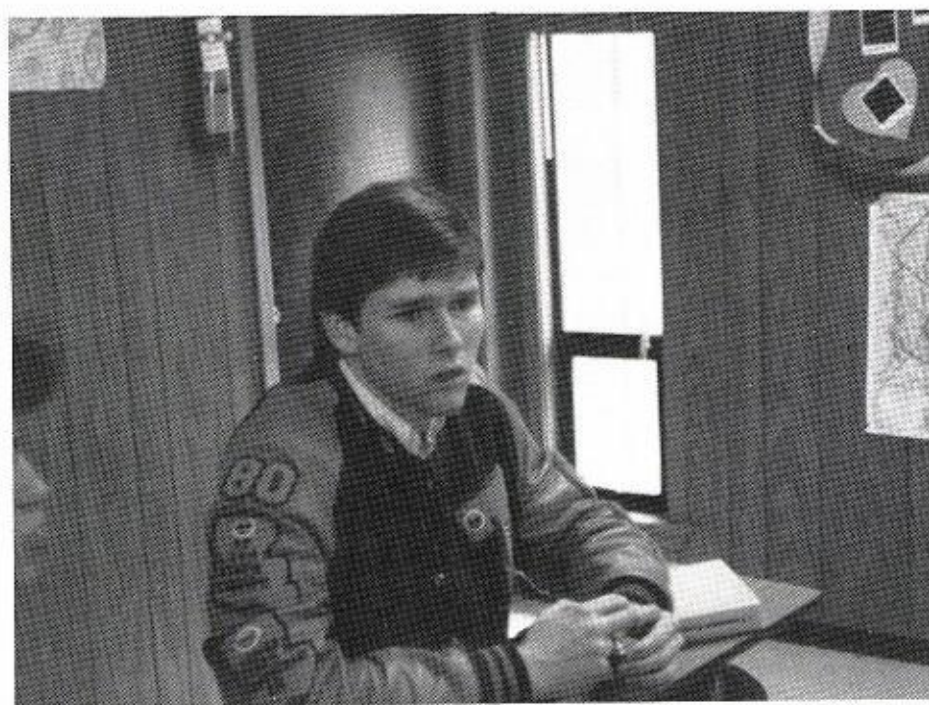

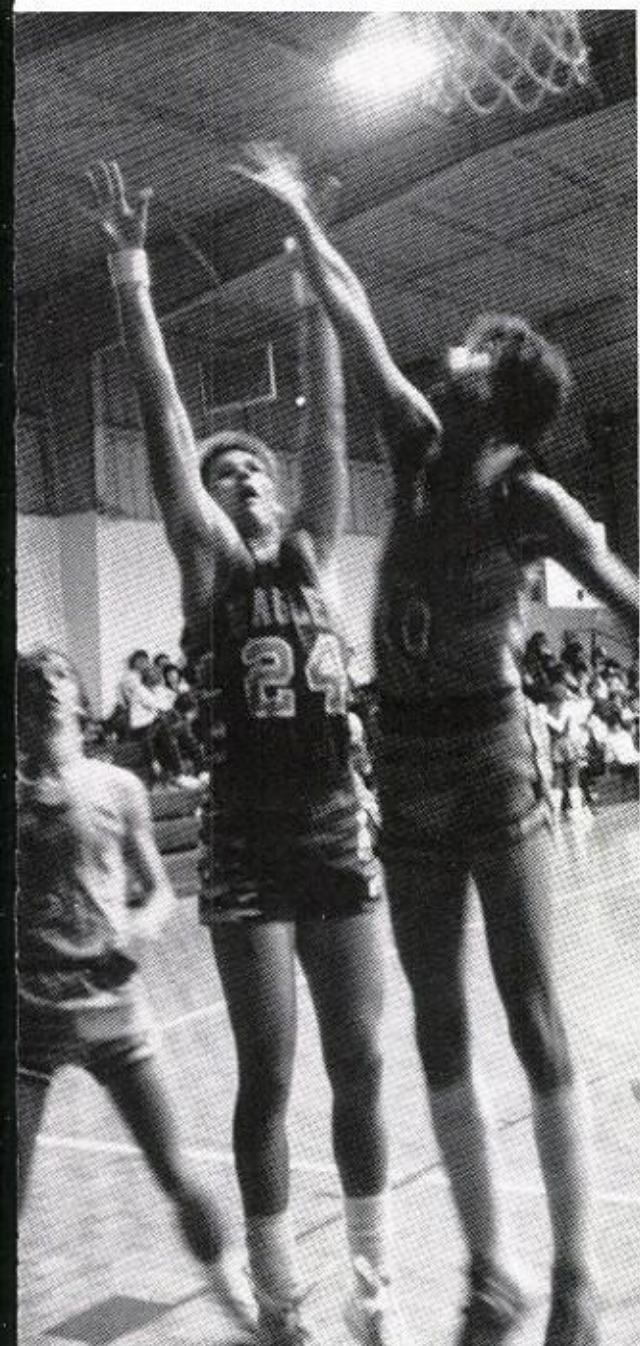

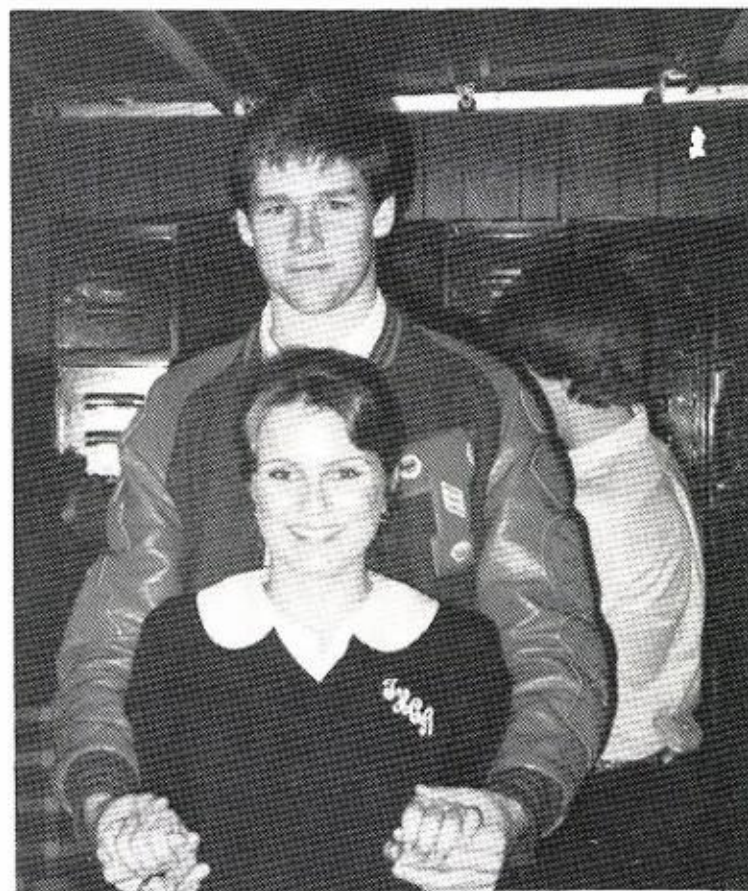

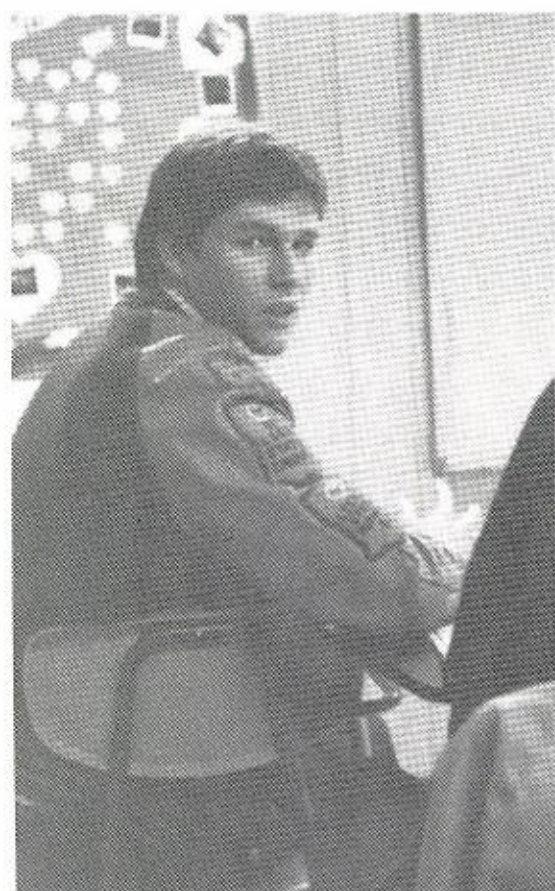

Kay plans to continue her physical education in college, and plans to major in that field. Her ultimate goal is to teach Physical Education in a Christian oriented atmosphere. Kay is an active member of the First Baptist Church of Bossier, and plans to attend Louisiana College after graduation.

Mr. T.H.C.A. - Mark Lambert

Mark Lambert is another senior who is successful in many areas, but sports is his main point of interest. He is a member of the football, baseball and basketball teams here at T.H. and has received honors in many of these. He was chosen All-District in Football and Baseball his junior year, and All-District and All-State in Football his senior year. Mark has been a member of our school's Fellowship of Christian Athletes, and is active in many areas of the school. After graduation, Mark plans to attend college where he will major in either engineering or computer science.

TALENTED: Malcolm Kahre, Christy Holbrook

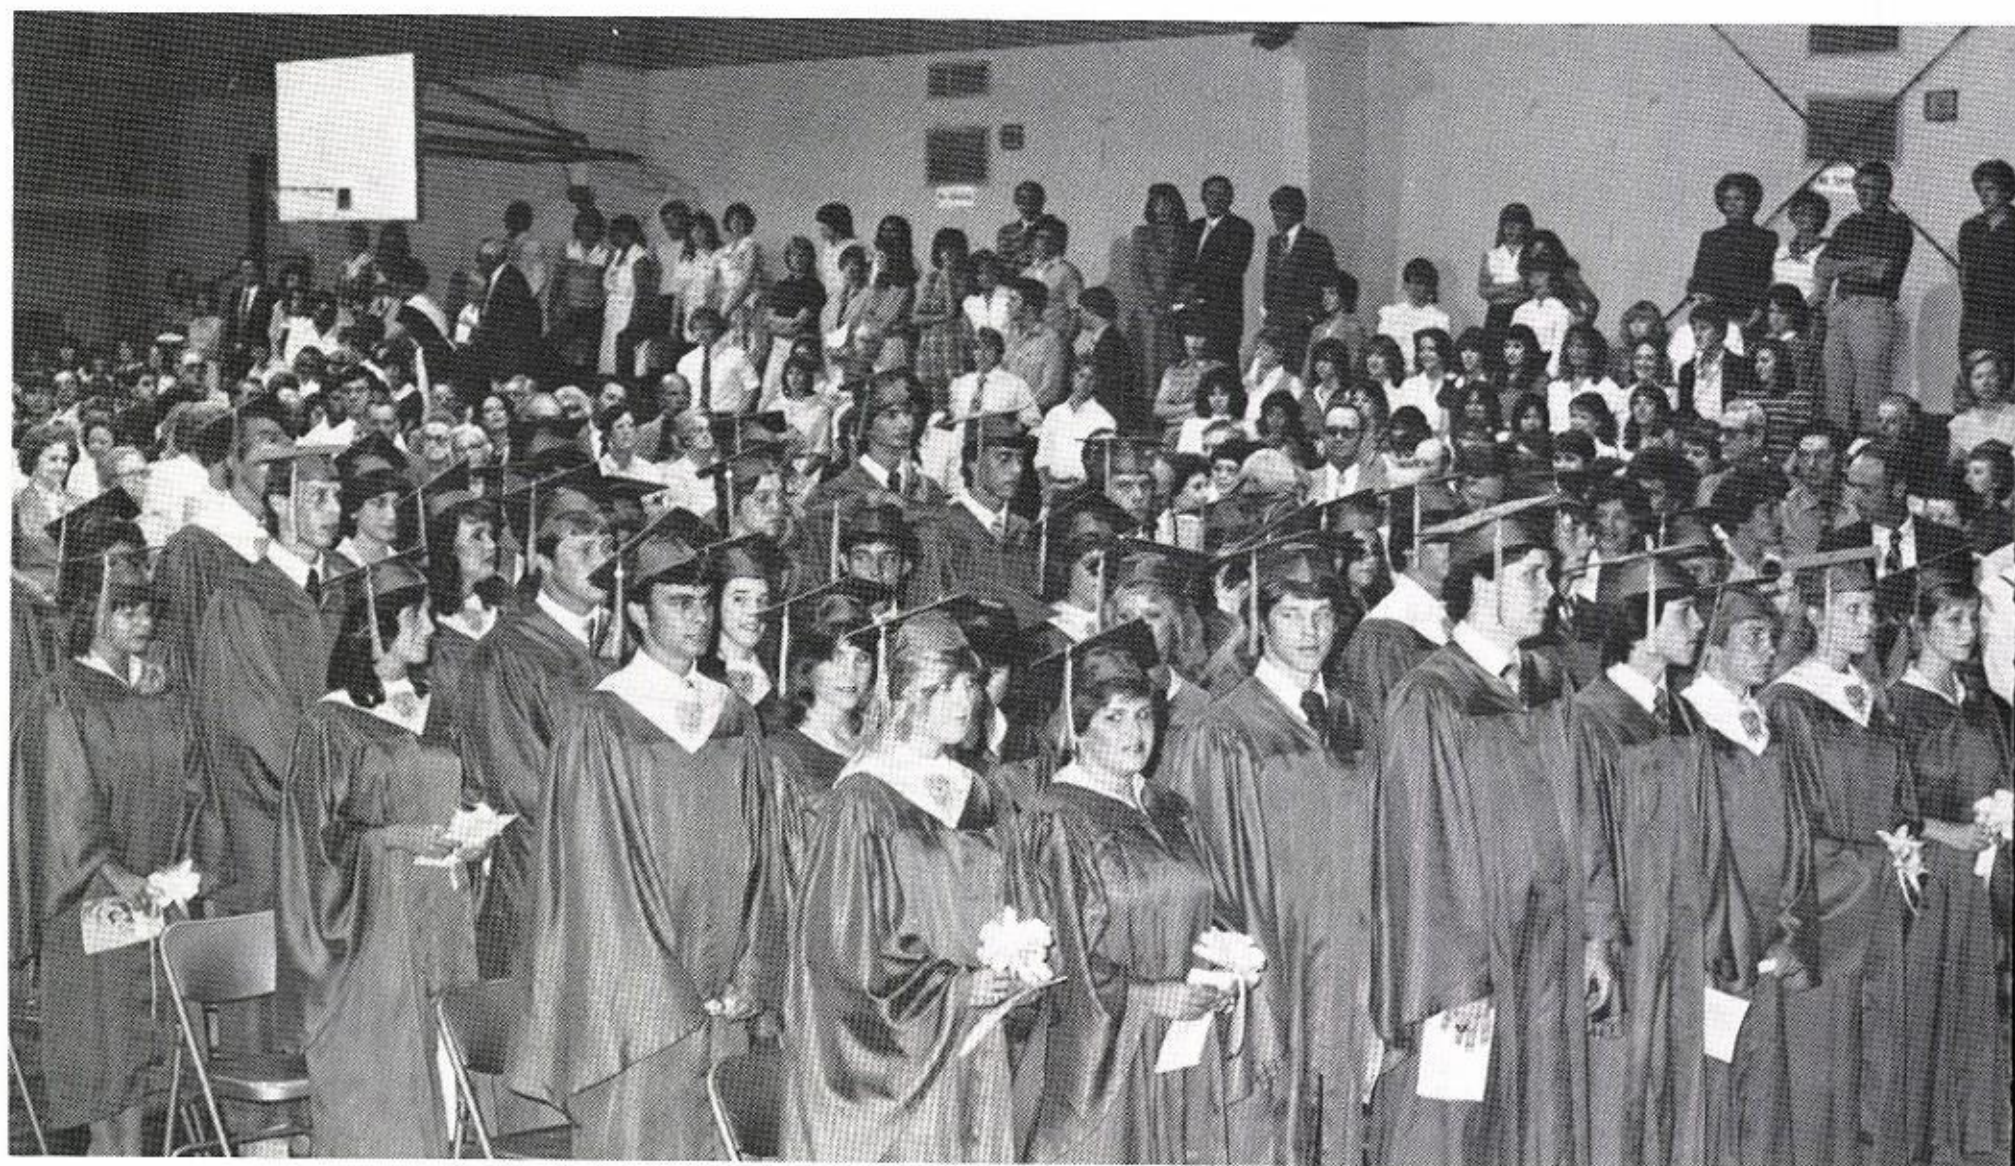

A Look At The Past . . . A Glimpse Of The Future

The 1981-1982 graduating class consisted of forty-five students.

Of these students, thirteen were eligible for the T.H. Harris scholarship; ten students applied and nine received it. Thirteen students maintained a 3.0 average or better and this group was awarded approximately \$17,000 in scholarships. In addition, six were awarded athletic scholarships and one received a music scholarship. Thirteen students were members of the National Honor Society. Seventy-eight percent of the class went to college and twenty-two percent went out into the working world. Of the students that went to college, the majority went to Tech.

So what was different about this year's Homecoming? What made it so good? What made it better than it's ever been?? We won!! The THCA football team, led by coach Steve Horton and assistant coach Tony Bone, mutilated the Briarfield Rebels 18-0. Way to go Eagles!! But there were also other things that made it special, and number one among them was the spirit and participation of everyone involved.

For example, a new light seemed to shine when the Homecoming Court was spotted parading around the field on the class floats. These were surely no "lean on the fence" floats! For the first time in TH history, the classes decided to go all out in their attempt to build moveable floats, and they were successful!! Spirit points were awarded to the Sophomores, and the Seniors, Juniors and Freshmen came in 2nd, 3rd and 4th respectively.

As halftime approached everyone was anticipating the show, and were definitely not disappointed. The Eagle Band and Golden Girls put on a dazzling performance and the Pep Squad joined them to form the path down which our maids, sweethearts and queen walked. As the court reached the end of the path, their flowers were presented to them by Mr. Owens along with a "little" help from Robby Horton and Crissy Latham. All in all the halftime show was exciting.

Freshman Maid DeAnn Craig

Alumni L. Gibson M. Densmore A. Shilling N. Prussiano

Court Seniors on Senior Float

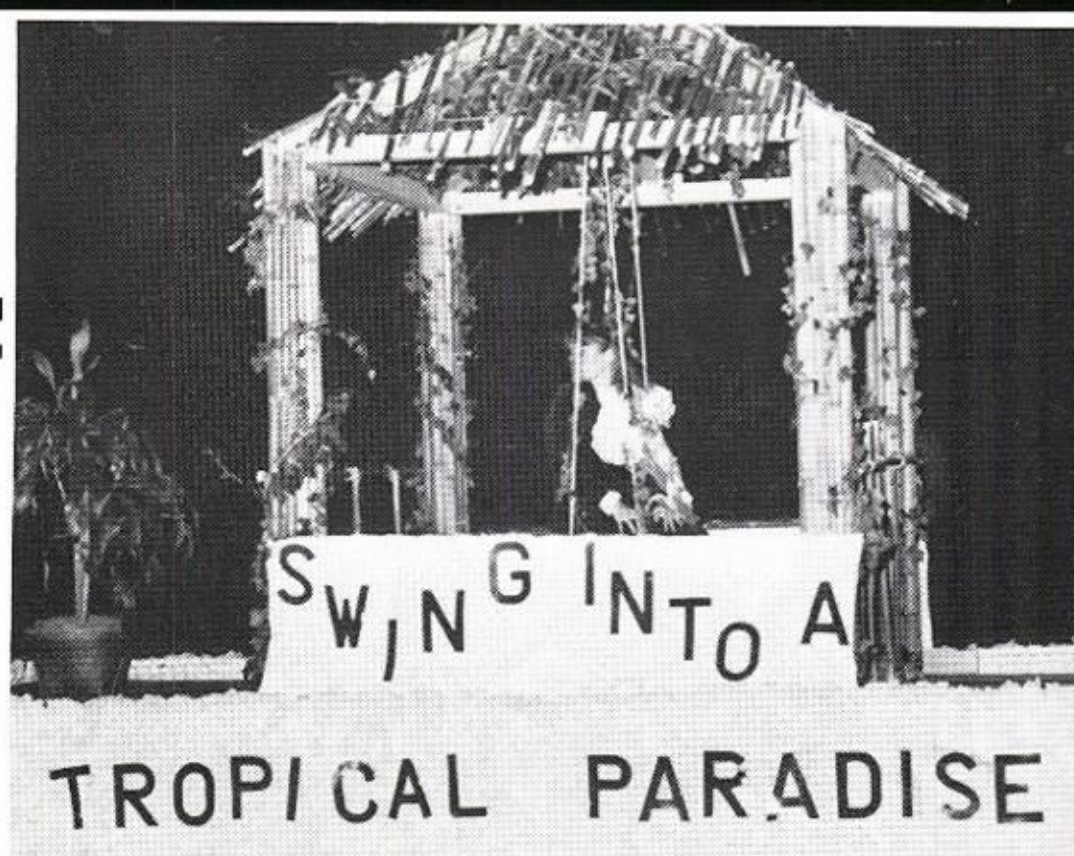

By the way, who besides the football team was responsible for the excitement in the stands? Who worked all week long to design posters and signs, sell spirit ribbons, put on pep rallies, make goodie bags and a whole lot more? The cheerleaders!! This spirited group was accompanied by some special alumni guests at the games who quickly caught on to the new moves.

Speaking of new moves, I heard there was a lot of that going on after the game at the dance. Everyone was jammin' out to the Kevin Stewart Band at the dance which was held at the fairgrounds.

With all the excitement about the game and dance, it seems we sometimes forget the real reason for this event. Even the name: Homecoming, should give it away if you think about it. We are welcoming the alumni to take a journey back in time and remember their high school years. To remember the special moments and the people who made them special. To remember how important and influential these years were to their lives. It is for them that we do this and it is for us that they accept it. May they always be remembered as an important part of our school.

When Homecoming is over and everyone is back in school that next Monday, there usually seems to be a sigh of relief from most. (But only after the latest Homecoming gossip is heard of course.) Everyone feels a great deal of pride because of the victory, the floats, and all the things that were accomplished. Everyone also remembers the panic that went on in that crazy, exciting Homecoming week. There were dates to be found, corsages to be ordered, outfits to be chosen, and tickets to be bought. Don't leave out the long hours devoted to the huge floats, or the halftime show either. So what's Homecoming at Trinity Heights? It's people working together to create a very special time that all can share and remember forever.

*Our Lady Of Camelot
Teresa Howard*

1982-83 THCA Beauty Pageant

San Allen, last years winner, crowns Teresa Howard as "Our Lady of Camelot"

Lee Ann Fuller is awarded Miss Congeniality by San. She also was our 2nd runner-up.

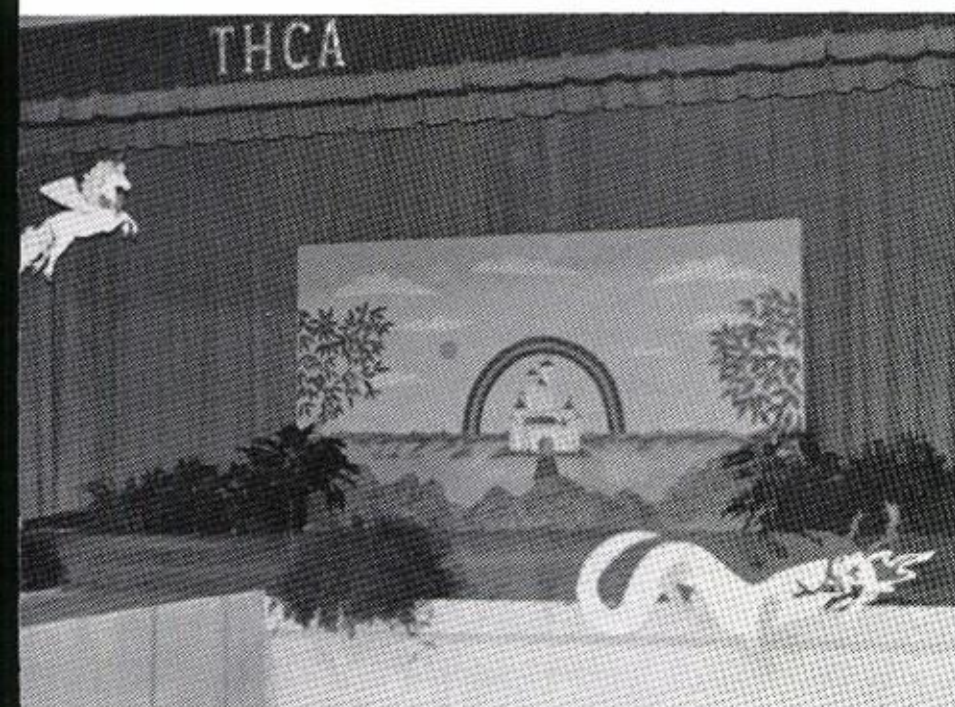

The Trinity Heights beauty pageant was held on October 16, 1982, with 26 lovely contestants competing for the title of "Our Lady of Camelot". The pageant featured sportswear and evening gown competitions as well as a group production number set to the theme song from the musical "Camelot".

Mr. Sentell, our guest entertainer for the evening, provided an enchanting magical show and enthralled the audience with his amazing pets. Miss Waters, Choir director here at THCA, also kept the onlookers happy with a lovely song. She was accompanied on the piano by Mimi Golsby.

The pageant was made complete with the announcement of the winners. Beginning with Miss Congeniality, Lee Ann Fuller, and the runners-up who were: 4th, Sonya Lawrence; 3rd, Sherri DuCote; 2nd, Lee Ann Fuller; 1st, Erin Evans; and then finally the winner was made known to the eager crowd: Miss Teresa Howard, a striking blue-eyed blonde-haired senior, is our reigning "Lady of Camelot".

Runners-up: 4th Sonya Lawrence; 3rd Sherri DuCote; 2nd Lee Ann Fuller; 1st Erin Evans; and winner, Teresa Howard

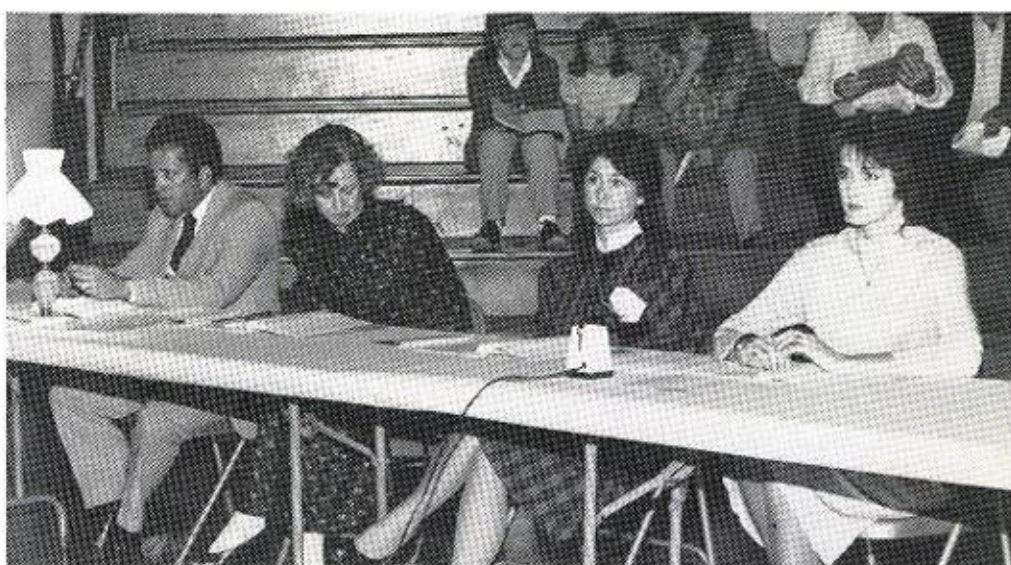

The 26 contestants presented a group production number using flowered hoops they made themselves.

Miss Waters sang as the judges compared notes.

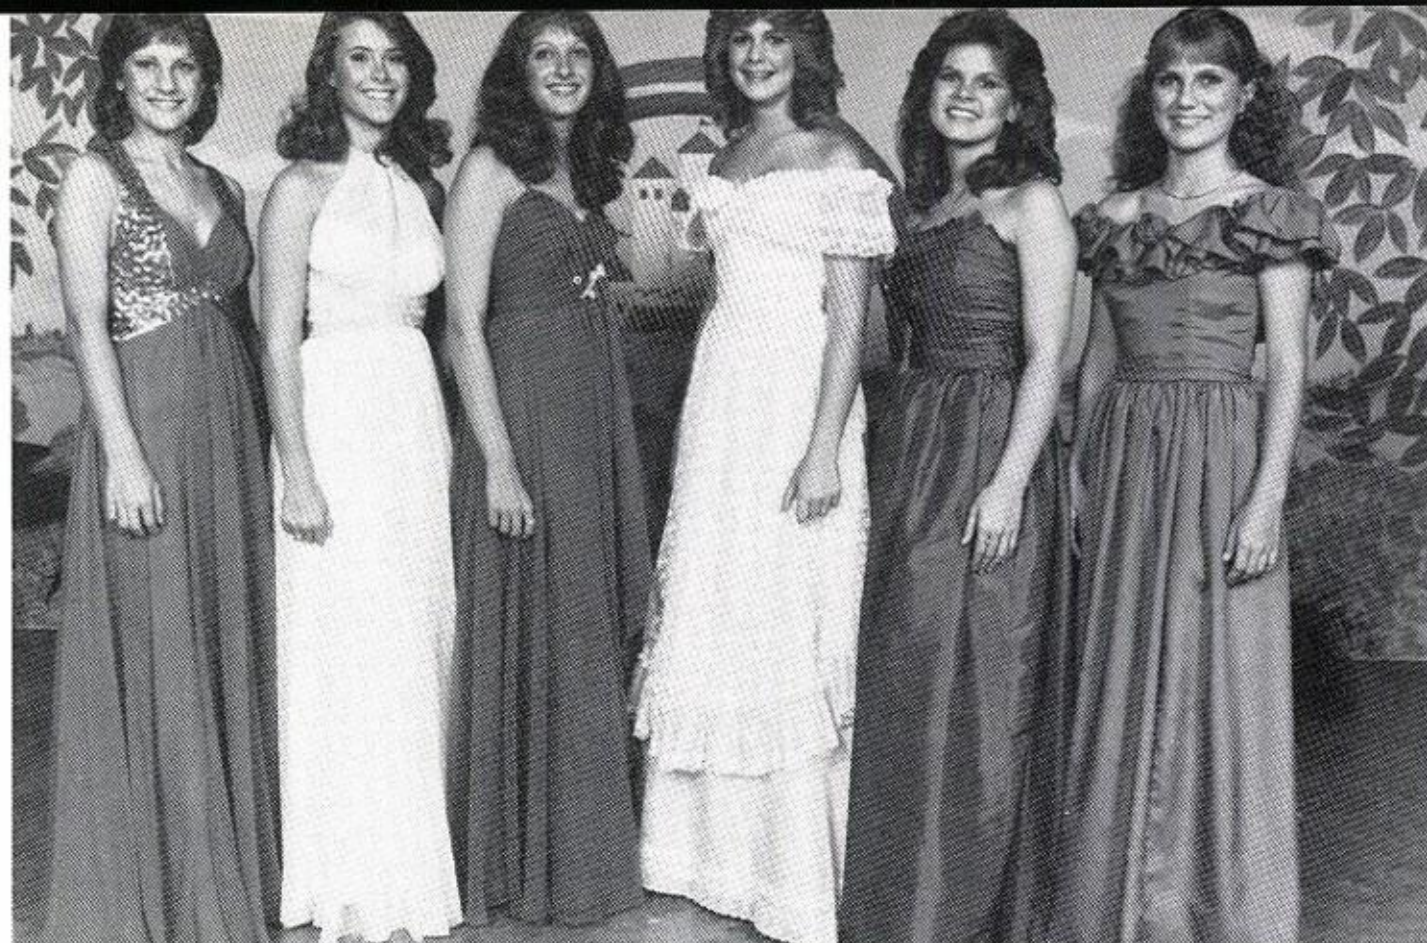

Magician Sentell entertained the audience while the girls prepared for the gown competition.

The judges of our pageant were: Tom Carlton, Magaret Martin, Tracy Ward, JoJo Meyers, and Emcee David Carnal, (not pictured)

Honors

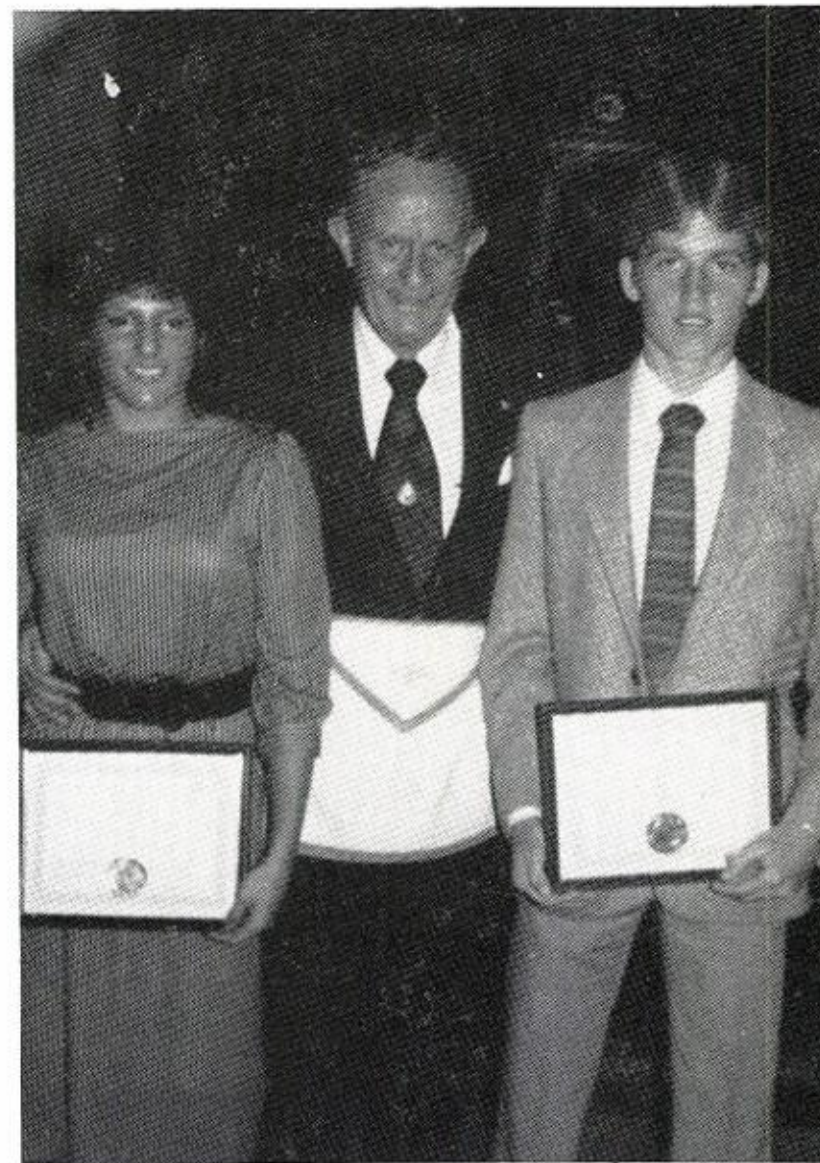

Each year, certain Seniors are picked out of the crowd to be honored because of their outstanding records. This is when the years of making good grades pay off. The first group to represent our school consisted of four seniors who were sent to Baton Rouge over the summer as State Delegates. Mimi Golsby, Amy Douglas, Jeff Crow and Ron Gipson endured a grueling week of intense study and participation in our state's governmental system. Mimi was elected to the senate, Amy served on a police jury, Jeff was a representative, and Ron was a city engineer.

The next to be honored were Kay Dick and Mark Allums. They were selected for the Joppa Masonic Lodge's Honesty & Integrity Award. They are pictured below with the leader of this organization.

In November, Mimi Golsby and Jeff Crow were selected as the school's outstanding Seniors and participated in the Shreveport Optimist Club's scholarship competition.

Amy Douglas received the DAR good citizenship award and placed first in the district in the competition.

Jeff Crow is the first graduate of T.H. to be accepted to West Point, and we congratulate him for that great achievement!!!

Literary Rally

Trinity Heights students participated in three rallies in the spring of 1982. These were the District Rally at Tech, the State Rally at LSU-Baton Rouge, and the LISA Rally for independent schools. Participating in a rally is one of the highest honors a student can receive.

The District Rally, which was held in March, was attended by a total of twenty-four students from Trinity Heights.

Four of these students went on to compete in the State Rally. They were: D. Warner, C. Morgan, A. Gilbert, and H. Mitton who was our only state winner, placing fourth in World Geography.

A total of eighteen students represented Trinity Heights at the LISA Rally, which was held at Trinity Heights.

The Student Government Association was sponsored by Ms. Anna Guilbert for this school year. The 1982-83 SGA's main goal has been to get everyone involved and to raise the school spirit to an all time high.

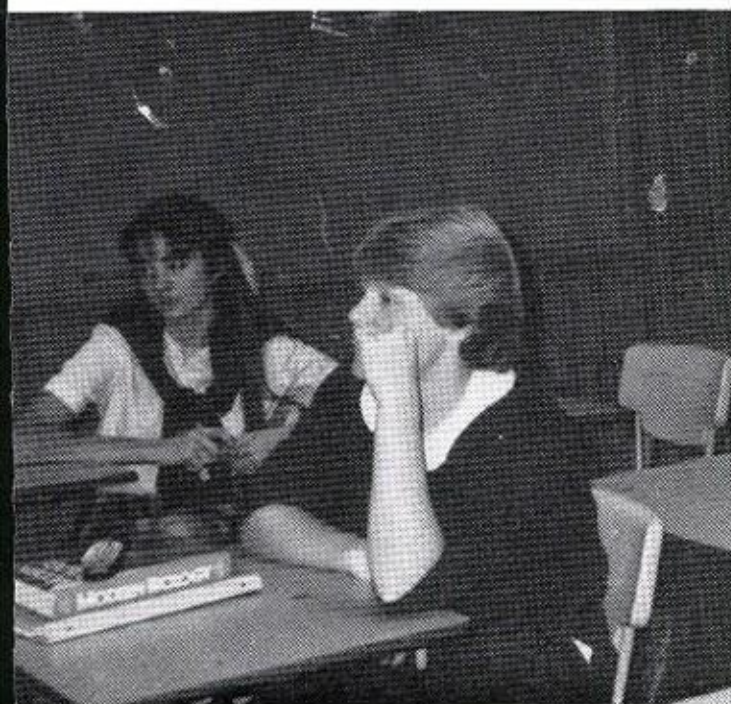

The SGA sponsors all Homecoming activities. They are responsible for the pledges and prayer in chapel, the skits for pep-rallies and the publication of the school calendar. For the first time, Trinity Heights joined the National Association of Student Councils. The SGA has done a great job and has represented our school admirably.

Mimi Golsby, Aquila Editor

Have you ever stopped to think about where the book that you are holding in your hands came from? Or considered how much work was involved in getting it put together and printed up for nearly 500 people? If you've never been on a yearbook staff then you probably wouldn't believe all the screaming, moaning, ripping up and running around that went on this year to make this book available to you. Members of the staff soon learned to ignore everyone else talking to themselves. And they learned how to laugh together to ease up the tensions of a rush deadline.

This year the staff, comprised of 10 inexperienced but eager members, plowed headlong into the tedious work of yearbooking.

With Mimi Golsby as their virilous leader and under the "supervision" of Mrs. Terry, (alias yearbook sponsor), they soon learned to rue the day they selected Journalism as an elective. Seriously though, these dedicated students did a fantastic job planning, designing, and creating the best yearbook Trinit Heights has ever had!

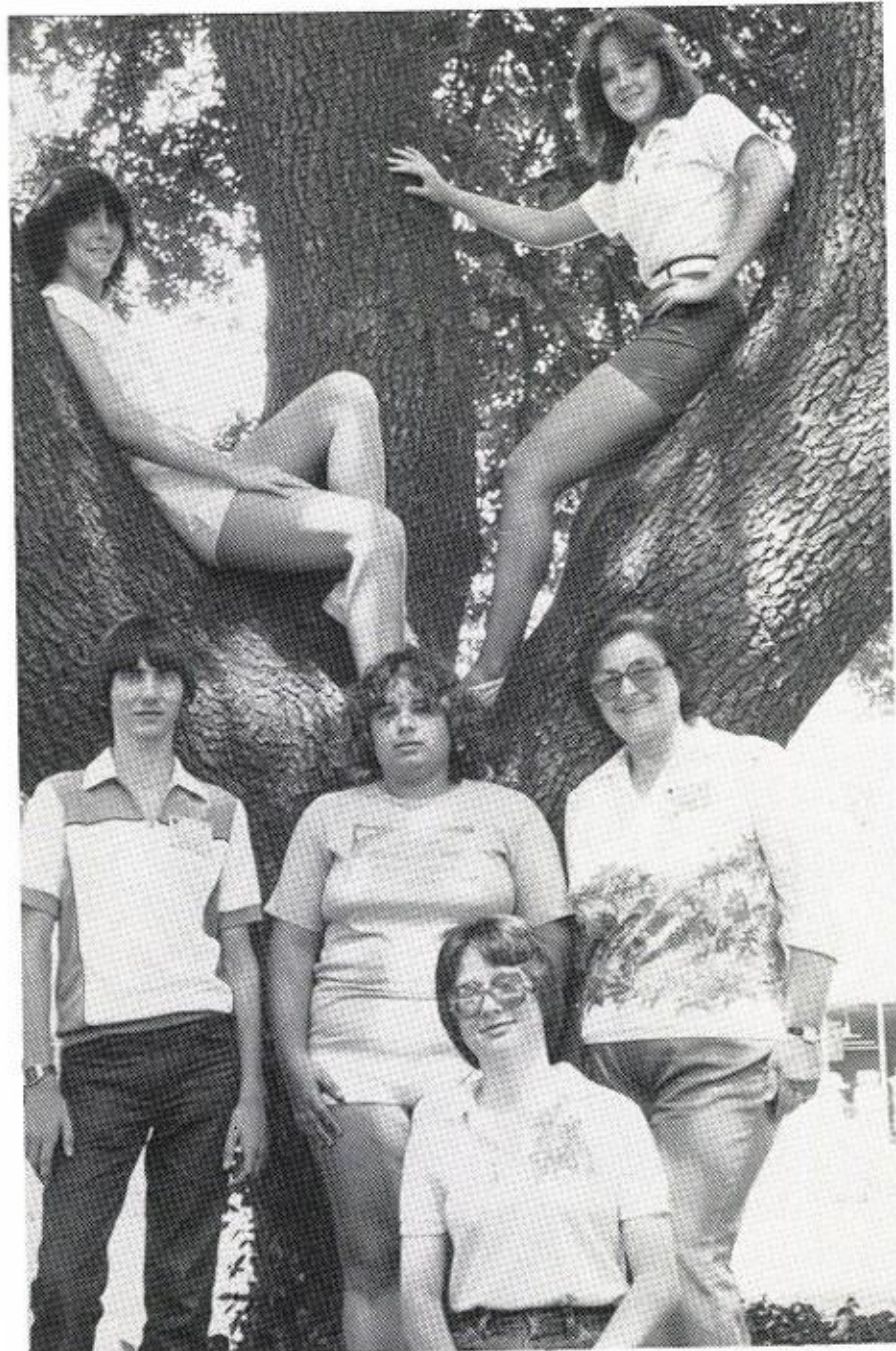

Lisa Zysek and Liz Adams work on printing the newspaper.

Don't laugh ... my finger's stuck!!

Its not all work however ... !

Summer Yearbook Camp sent some of our staff to the trees!

Mrs. Apphia Terry, Aquila Sponsor

The opportunity to actually record a school year in the student body's own words and in photographs is an opportunity to make something that will always have a tremendous value. We have enjoyed being such a special part of the unique society of education, especially in the highschool area. The last 4 years of that long 12 year haul are a truly once-in-a-lifetime experience for everyone. To share it, and preserve it for the years to come has made us very happy. We hope that you come to love this book as much as we have ... and thanks for letting us 'take your picture'

Nat'l Honor Society members: J. Morgan, B. McDonald, J. Crow, A. Douglas, T. Allen, K. Dick, M. Golsby, R. Gipson, and J. Gipson.

Membership in the National Honor Society has become recognized nationally as one of the highest honors that can be bestowed upon a high-school student. Membership is, however, more than an honor; it carries with it a responsibility and should be considered the beginning of an obligation, not merely the successful culmination of an effort to achieve recognition and honor.

Once selected for membership, a student is singled out. He should not only continue to demonstrate those outstanding qualities which brought about his selection, but he should also exert a new influence to improve conditions about him and promote the qualities of Leadership, Character, Scholarship and Service, for which the National Honor Society stands.

NHS officers M. Golsby, A. Douglas, and B. McDonald.

NHS Sponsors: Dr. Kidd, B. Lee, N. Brown, and Mr. Owens.

Mrs. P. Weldon is the chairman of the NHS sponsors.

Eagles Beak Staff: (L. to R.) L. Adams, L. Zysek, J. Bryant, C. Watson, T. Moore, C. Morgan, J. Crow, J. Morgan, M. Golsby, L. Bussell.

Jackie Morgan, editor of Eagles Beak, is pictured with the Shreveport Times editor, Mr. Raymond McDaniels.

The 1982-83 Eagles Beak had a successful year that included a lot of firsts for the school newspaper. Under the direction of Dr. Kidd and Mrs. Terry, and with the help of the staff, the paper gained a new image. On a bi-monthly basis the Eagles Beak held contests for artwork, seasonal stories, poems and covered all sports events, as well as the students academic activities.

As the year progressed the paper acquired a more professional look and kept our students and faculty up with the times.

Thank' you Eagle Beak staff and sponsor for a really great paper!

What is Z-Club? Z-Club is a community service organization sponsored by Zontian Club of Shreveport. The 1982-83 Z-Club contains twenty-one members and meets twice a month at Mrs. Kilpatrick's house. Every Monday, the Z-Club visits nursing homes and takes goody bags. They supply cookies for teacher's lounge and work with several civic charitable organizations.

Close-Up

On February 13th, 1983, the largest group in the history of Trinity Heights boarded a Delta jet at the Shreveport Regional Airport bound for Washington D.C. The group consisted of seventeen students from the tenth, eleventh, and twelfth grades, and two teachers: Mr. Terry Harvey and Mrs. Win Owens.

The students were prepared to spend a week in Washington learning first hand from Senators, Representatives, lobbyists, and Administrative officials, how the United States Government stands on several issues. During their stay in Washington, the students attended between twelve and fifteen seminars, briefings, and question-and-answer sessions in which they were allowed to challenge the experts. They were taken on a guided tour of Washington where they saw the Washington Monument, the Lincoln Memorial, the Supreme Court Building, the National Archives, the Smithsonian Institute, Georgetown University, and many other well known buildings. They also had time to visit places on their own and attended a dance and banquet before leaving. On February 19, 1983, a tired, but very happy group of students boarded a jet and returned home with many treasured memories that will never be forgotten.

Library Staff

The library staff at THCA does a great job of assisting the librarian. The staff does such various jobs as, controlling the return of books, running and delivering equipment, and organizing books and cards. Besides helping the librarian, the staff members receive an education in library science. They learn how to categorize books, use the card catalogue, help students find books, and learn everything dealing with the library. The library staff members are doing more than just helping the librarian though, they're serving the student body!

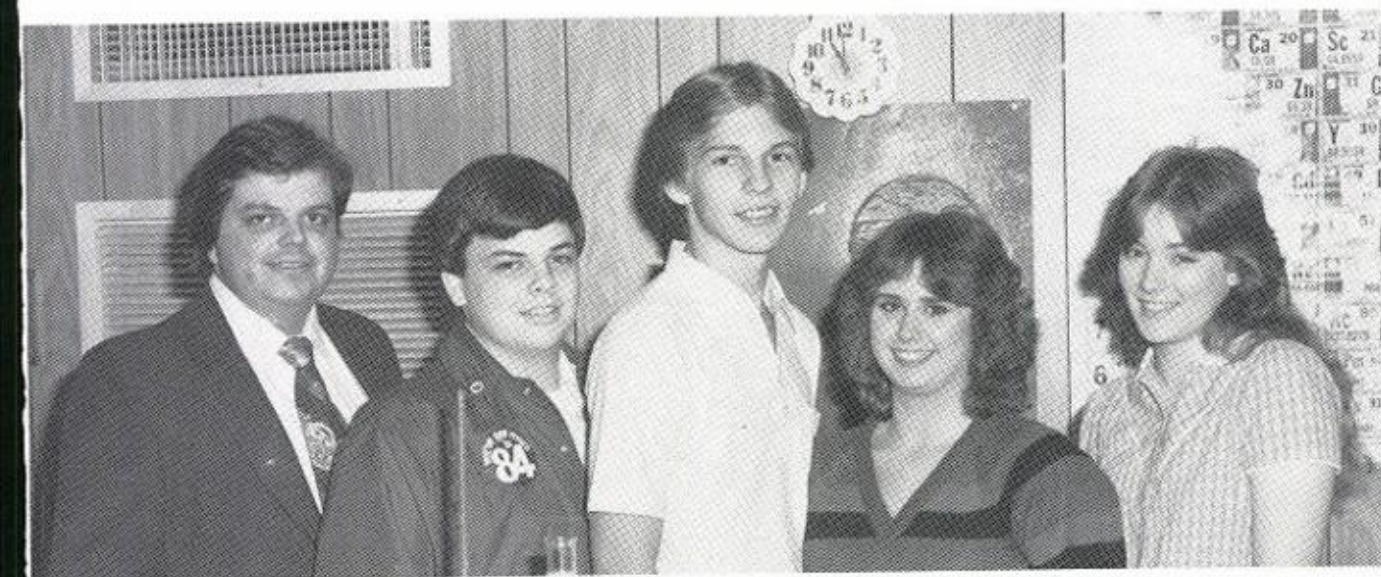

(Top Row) Randy Murphy, Mark Lambert, Tim Adgate, Chris Spain, Larry Janes. (Bottom Row) Sherri Ducote, Donna Holt, Alan Fenner.

Sigma Alpha Chi

Sigma Alpha Chi is an organization created for students who are interested in furthering their education in science. The club, which is affiliated with the Science Clubs of America, began its first year at THCA by sponsoring the 1983 Science Fair. Mr. Ponder, the clubs sponsor, hopes that, through the club, more students can become aware of science.

Choir 1982-1983

The vocal music department consists of 262 students in grades kindergarten through twelve. Only 27 of these are members of the Concert Choir drawing its membership from grades seven through twelve.

The Choir performed several times during the year; chapel services, Christmas concerts, and spring concerts.

The repertoire of the choir is wide and varied, including 16th Century German Chorales, the Baroque music of Bach, sacred church music, the popular music of the 40's and 50's, and even country western. A few select members of the choir joined with a few select band members to form a Dixieland jazz ensemble.

Added to the Choir's schedule this year was participation in the LMEA solo and ensemble competition.

Speech Class 1982-1983

The 1983 Speech Class is composed of students in grades nine through twelve. During the year they studied public speaking, oral interpretation, drama, and parliamentary procedure.

One of the most exciting events of the year was the two-day trip to Baton Rouge, to see LSU's theatrical production of Charles Dickens' "A Christmas Carol." After the play the group was treated with a personal backstage tour by one of the cast members. Everyone enjoyed the trip and looked forward to their own drama production in the spring.

Becky Hauser, Manager

Football Program Staff

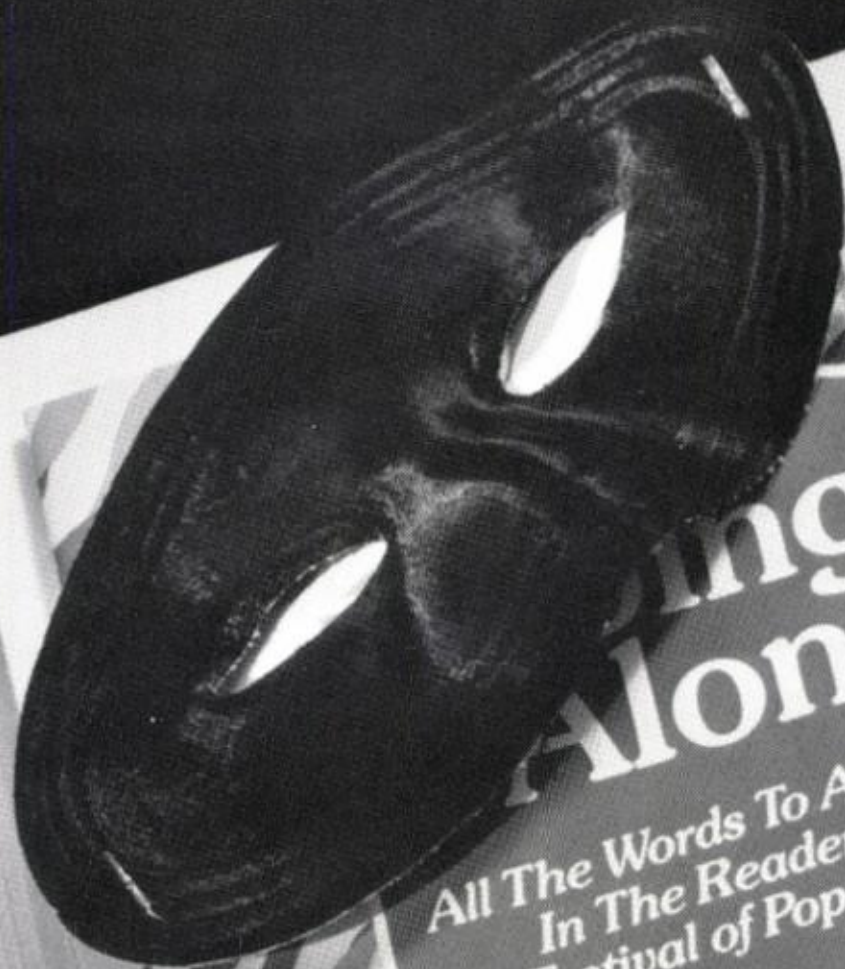

This year the football program staff worked really hard. There was a lot of work that went into the programs that you saw every week.

Over the summer they sold ads and spent many hours laying out and designing the program. But after school started there was still a lot of work to be done. Of course, the hard work paid off, because the program was a big success!

The staff members also wanted to express a special thanks to Mrs. Kilpatrick for her help this year as their sponsor.

Mrs. Kilpatrick, sponsor

San Allen, a 5'4" blue-eyed brunette was one of our 4 senior cheerleaders this year. She was the manager of the Lady Eagles and enjoys shopping and meeting people. San loved cheering for the Eagles because all the players and coaches were so special to her.

Teresa Howard is a 5'4" blue-eyed blond, with many interests and hobbies. She not only cheered the Eagles on to victory but participated in Varsity athletics as well. Collecting ribbons and spending time with her friends are two of her favorite pasttimes.

Our head cheerleader this year was Leslie Hutchinson, a lovely 5'5" brunette with brown eyes. She enjoyed being such an important part of leading our school spirit. Her favorite things to do are talk and cheer. Leslie also collects mice.

Jan Kilpatrick is a lovely 5'2" sandy blond-haired senior who said the best thing about cheerleading is the fun of being together with her friends. She loves to cook and collect wicker fans. Jan also fulfills the many duties of being Z-Club president, so she is really a busy gal!

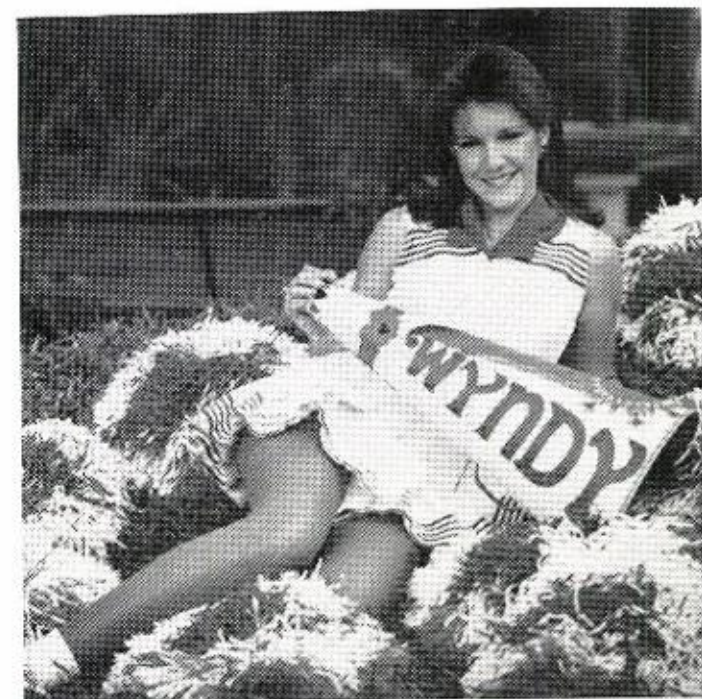

Kim Dominick is a 5'1" blue-eyed blond who enjoys many pasttimes including dancing, talking and playing basketball. To her, cheerleading was especially exciting at the football state championship playoffs. Her other hobbies are wet painting, and swimming.

Sherri DuCote is a 5'5" junior with auborn hair and brown eyes who loves being around her friends and cheering for the Eagles. The best thing to happen to her as a cheerleader was going to the state championship playoffs in football. Sherri also enjoys rodeos and wet painting.

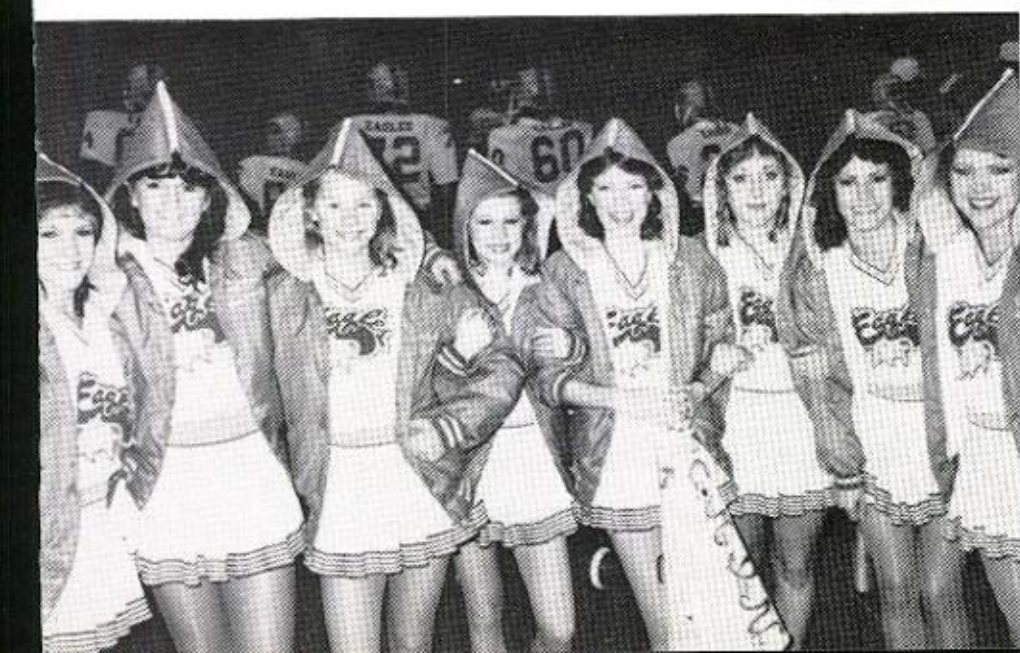

Erin Evans is a 5'4" junior with auborn hair and blue eyes. She loves cheering for the Eagles, especially at away games, eating chocolates, and collecting Ziggies. Erin says that laughing and goofing off are two of the best things about being a cheerleader.

Wyndy Wynn is a 5'3 1/2" brown-eyed brunette who enjoys a cheerleader's freedom to laugh and talk. She also likes to paint, cross-stitch, and be with friends. Wyndy says that having fun together is what makes cheerleading such a great experience.

This year's cheerleaders were a really fantastic group of girls. Our school has seldom experienced the kind of spirit and enthusiasm that they projected. They put every bit of energy and effort they could into the games, the pep rallies and in all the other "spirit" activities at THCA. Their hard work over the summer at the cheerleading camp at SMU in Dallas, TX was rewarded with three Superior ribbons and one Excellent. They were led by head cheerleader Leslie Hutchinson. (below). Great work, girls!!

V a r s i t y B a n d

This years varsity band includes forty students, ranging from grades seven to twelve. These students were under the direction of Mr. Frank Hess, who was formerly band director at Parkway High School.

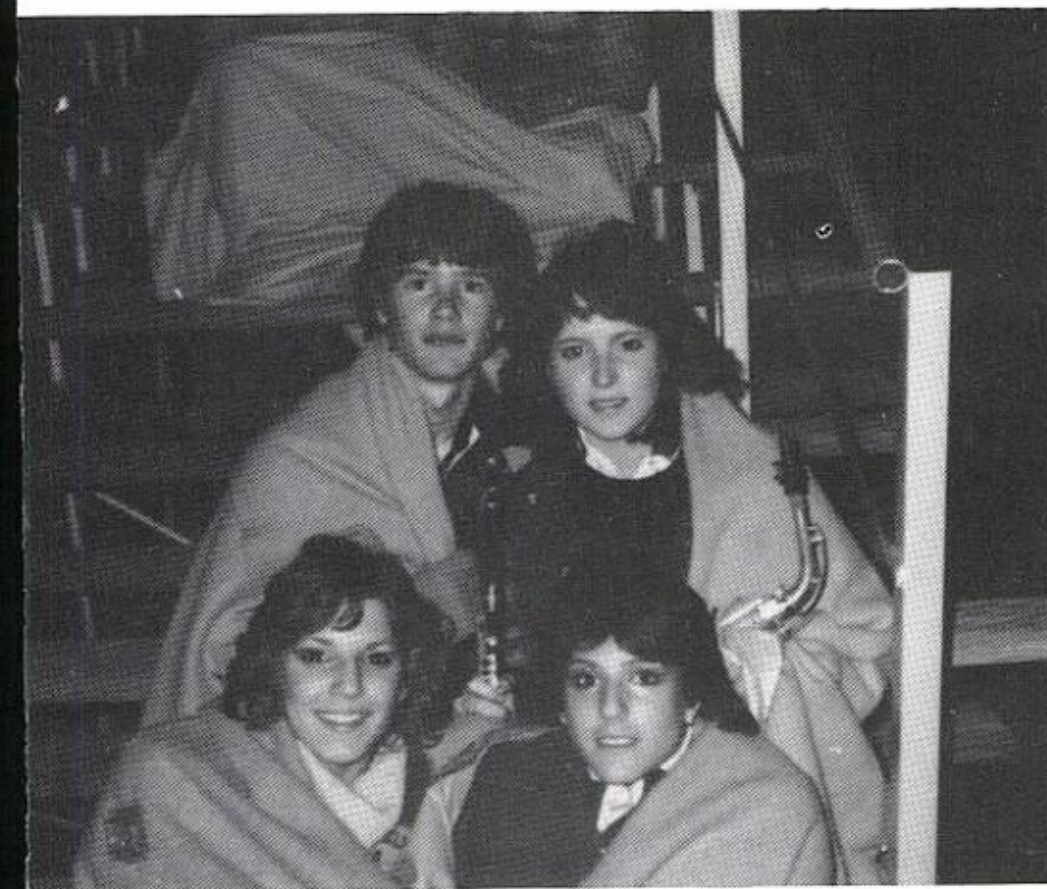

This year, the band members learned the basic fundamentals of marching, and marched at four games during the football season. Besides playing at football games, basketball games, and pep rallies, the band performed three concerts including one at St. Pius.

Several members of the band performed with an All-Star group in April. Also, a stage band and show band were formed to provide entertainment at various functions.

DIRECTOR: Frank Hess

Who braves all elements to go to the football games? The THCA High Flyers. Along with the cheerleaders they help to promote spirit within the THCA fans. At the football games, the Flyers make the victory line, and at Homecoming they perform a routine. Also working with the High Flyers is Mascot, Alison Kirkham. Shannon Rahm is sponsor of the Flyers. You've done a great job, High Flyers!

Captains: Stephanie Moore, Hannah Taunton, Sallie Willett.

Louisiana Blood Center

Dracula

Strikes

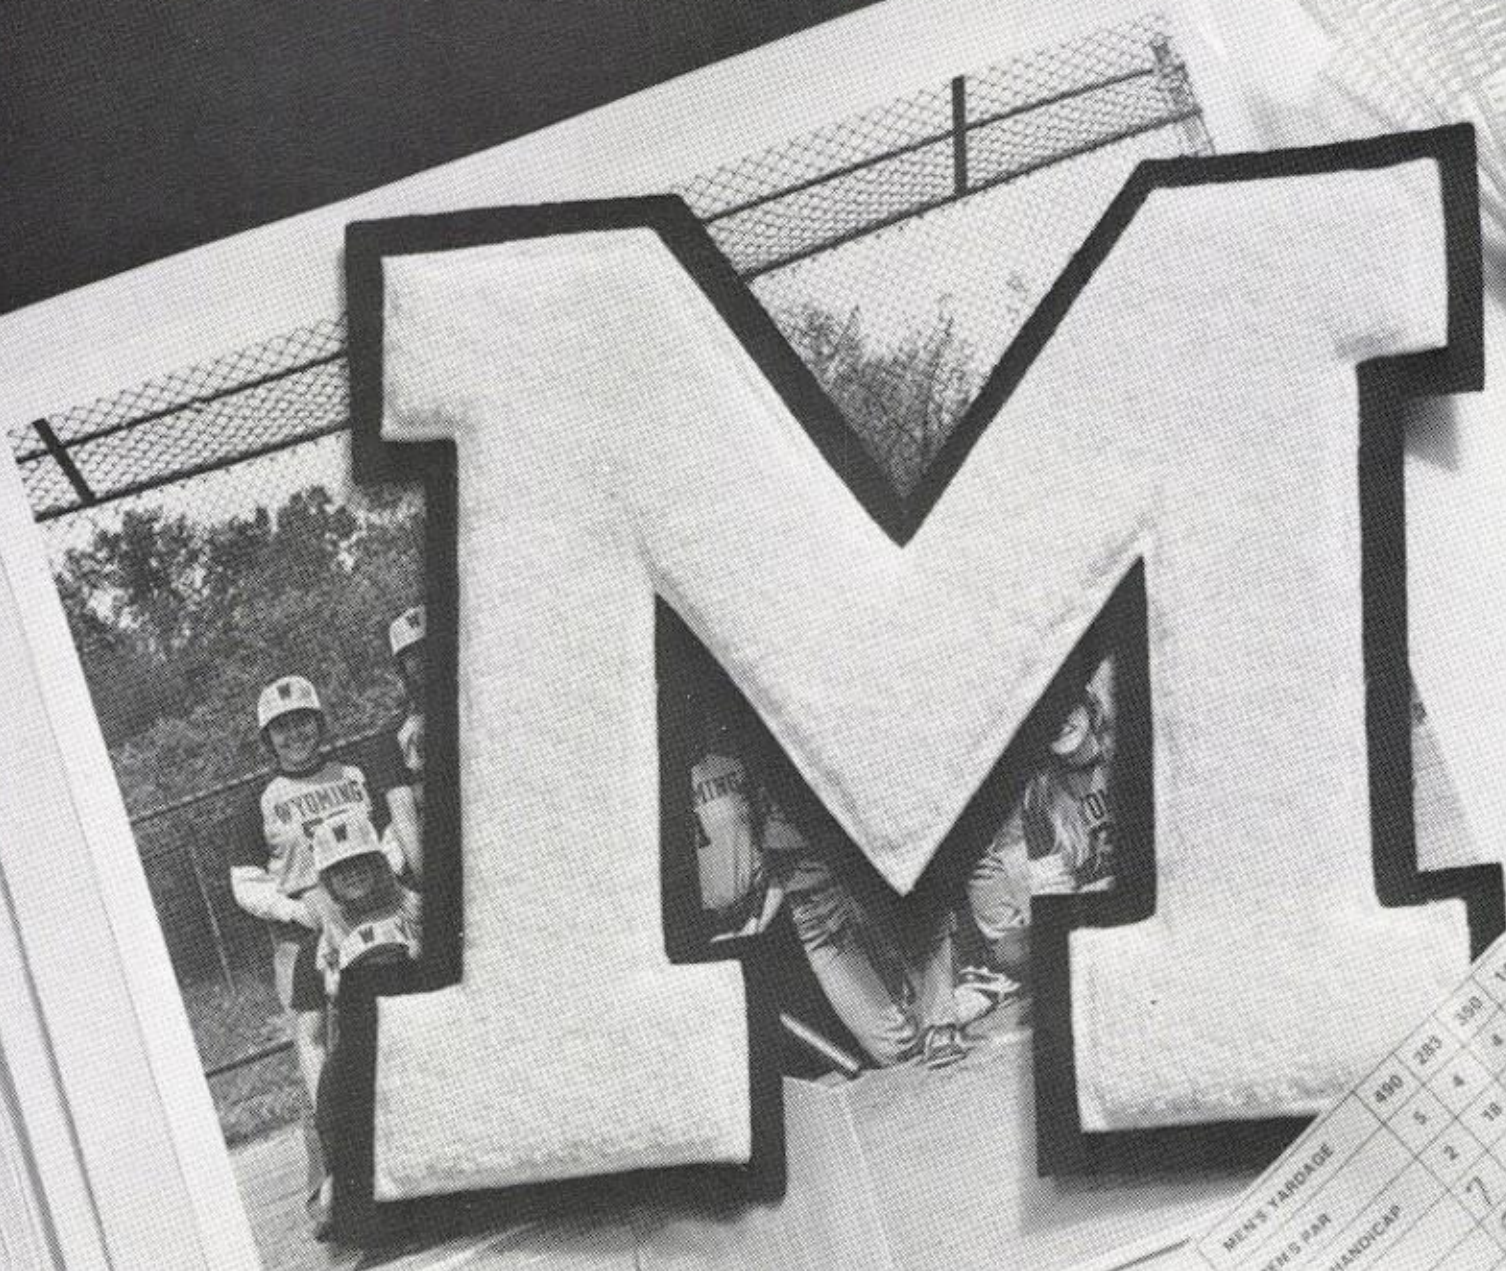

At T.H.C.A.

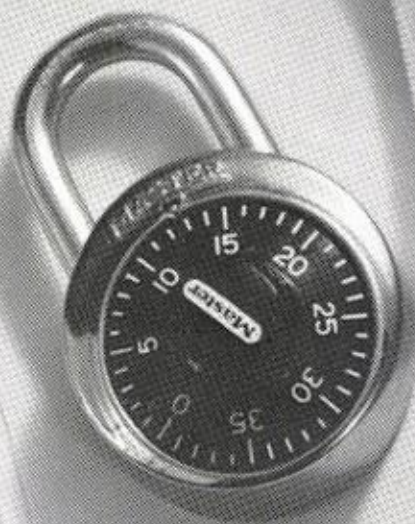

Last spring, Trinity Heights had the opportunity to help the Louisiana Blood Center with their annual blood drive. All students seventeen years or older were asked to donate one pint of blood in the spring of last year. Our school did a terrific job in getting students and their parents and friends to volunteer for this cause. As a matter of fact, last year's juniors (this year's seniors) had the highest percentage of donors in the school! The blood center presented Trinity Heights with an award for having the largest increase in the number of donors.

The Blood Center is planning on returning in the spring of each year. If you were not old enough this year, plan now to show your spirit and caring by supporting next year's blood drive.

ATHLETICS

HIGH JUMP

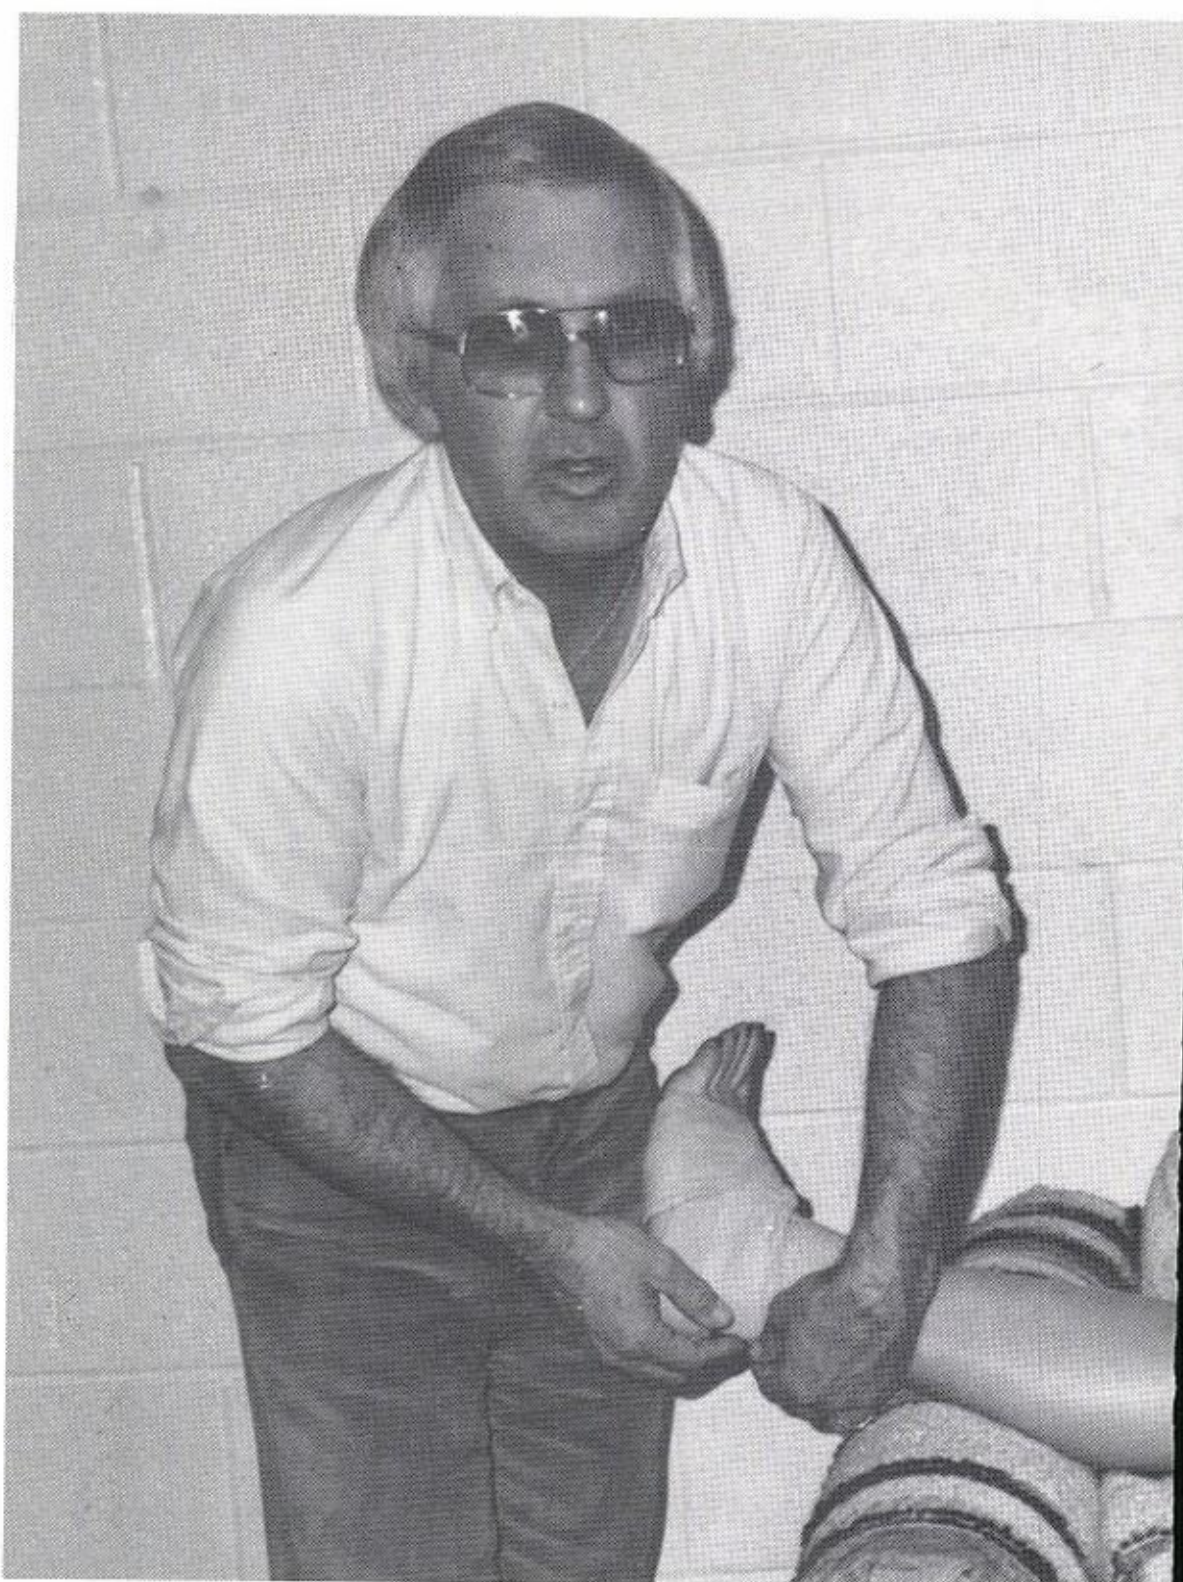

A black and white photograph of a golf scorecard and a golf glove. The scorecard is tilted and shows columns for 'MEN'S YARDAGE', 'MEN'S PAR', and 'MEN'S HANDICAP'. The yardage column lists distances from 890 to 275. The par column lists values from 5 to 3. The handicap column lists values from 2 to 1. A golf glove is visible in the foreground, partially obscuring the scorecard.

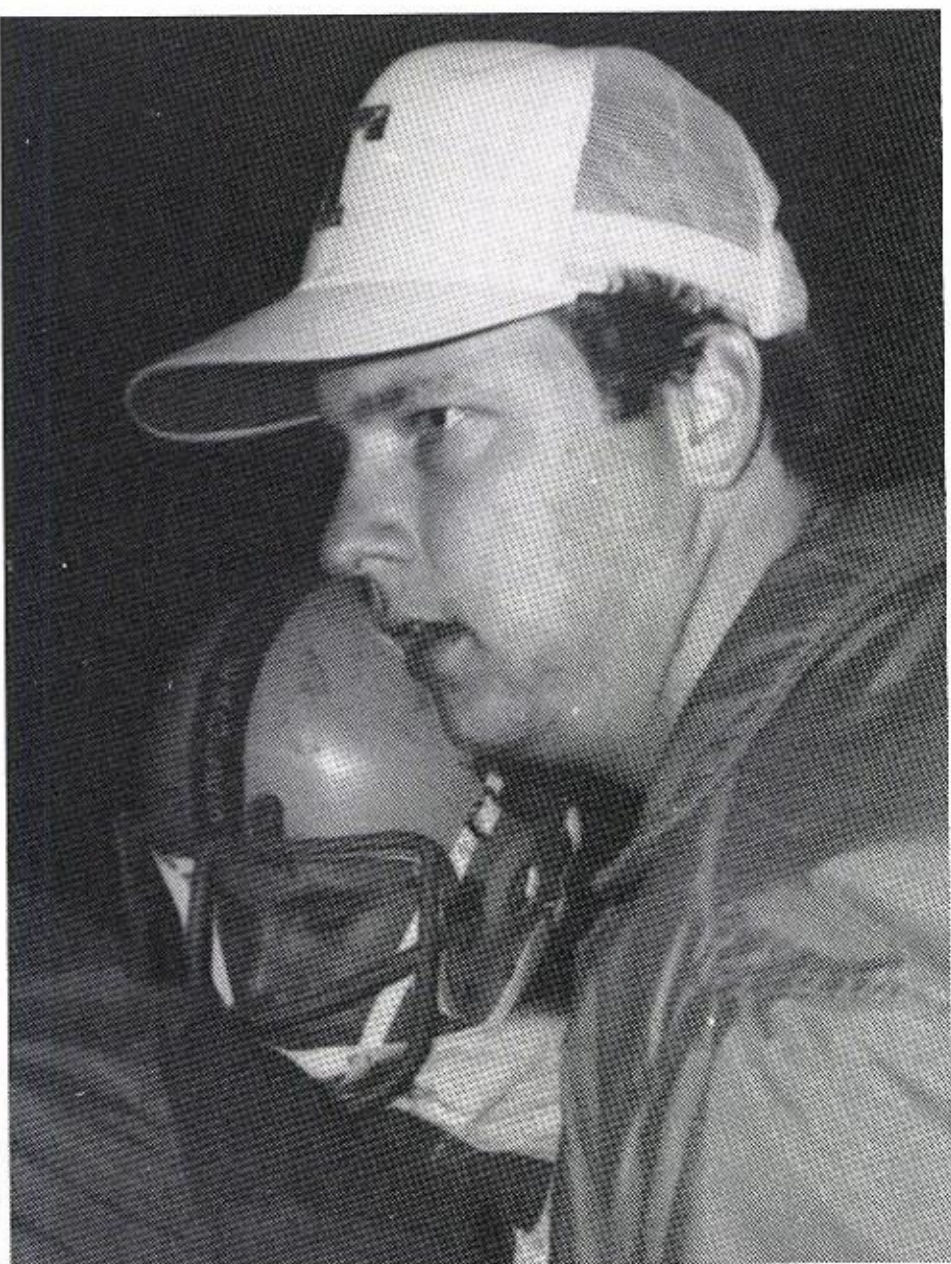

Coaching Staff Grows

The Trinity Heights Christian Academy's 1982-83 High School Coaching Staff has helped to add new spirit to Trinity Heights by making this the best year yet. Our Coaching Staff includes Athletic Director Merle Gore. Coach Gore has taught at Trinity Heights for eight years.

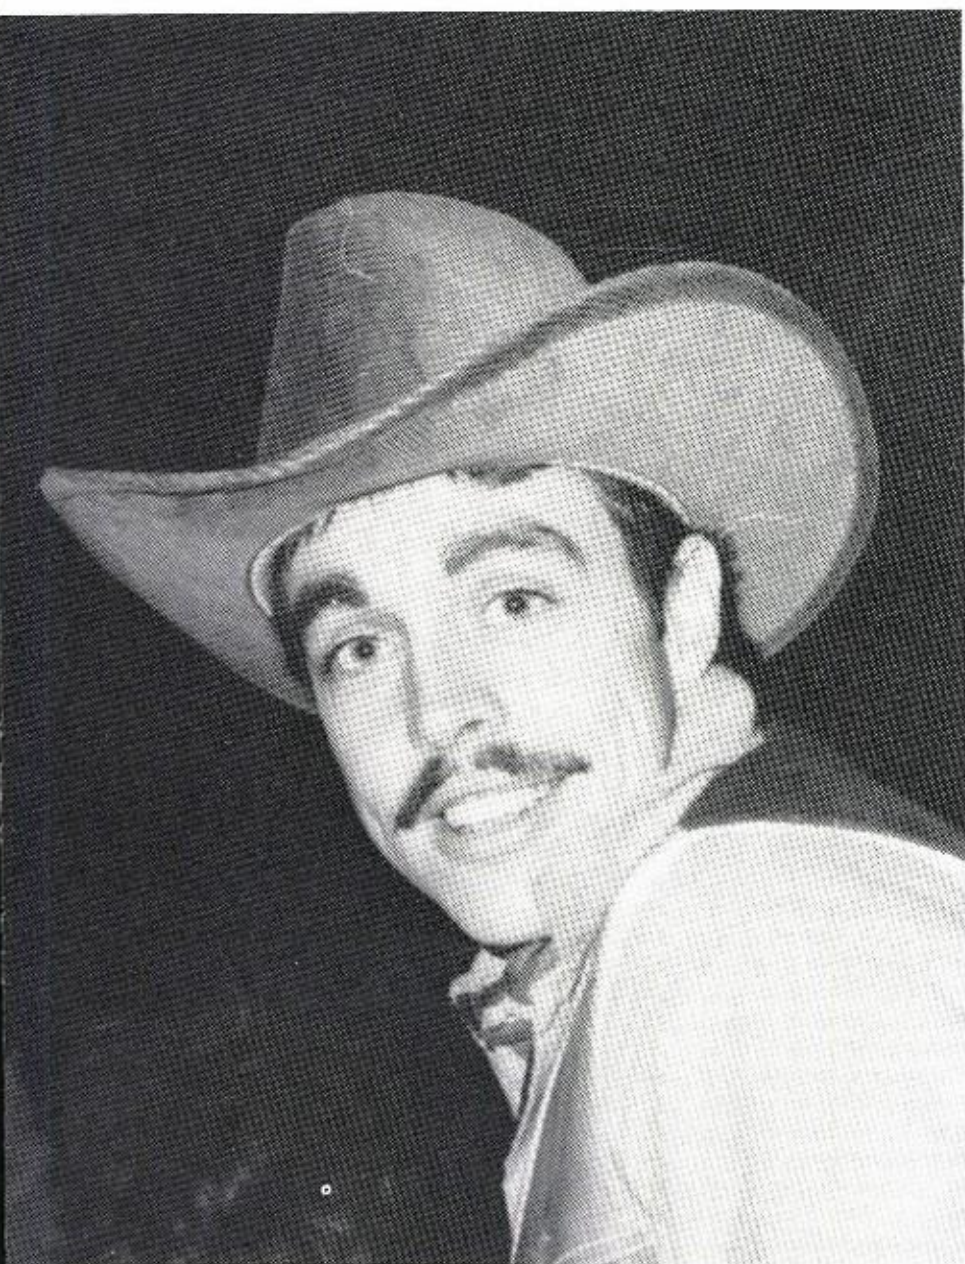

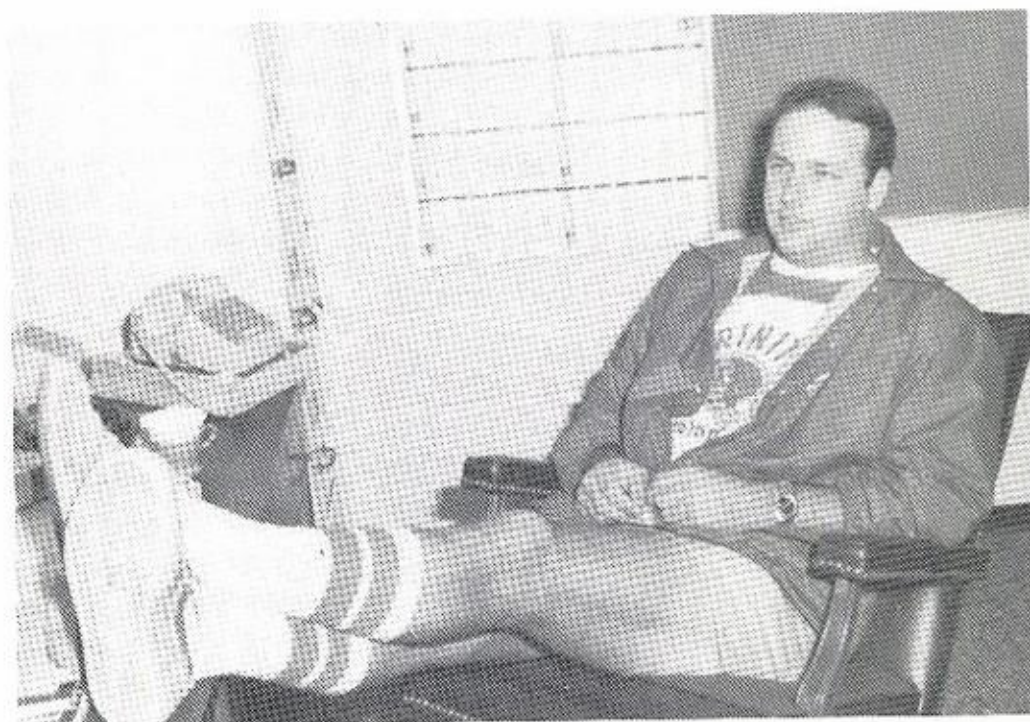

He is the head coach of the girl's basketball team. Coach Steve Horton taught at Trinity Heights from 1976-80. This is his first year back at THCA. He is the head football coach. Miss Shannon Rahm is the Golden Girl sponsor, the Pep Squad sponsor, and the Cheerleader sponsor. This is her second year at Trinity Heights.

(right) Athletic Director Merle Gore

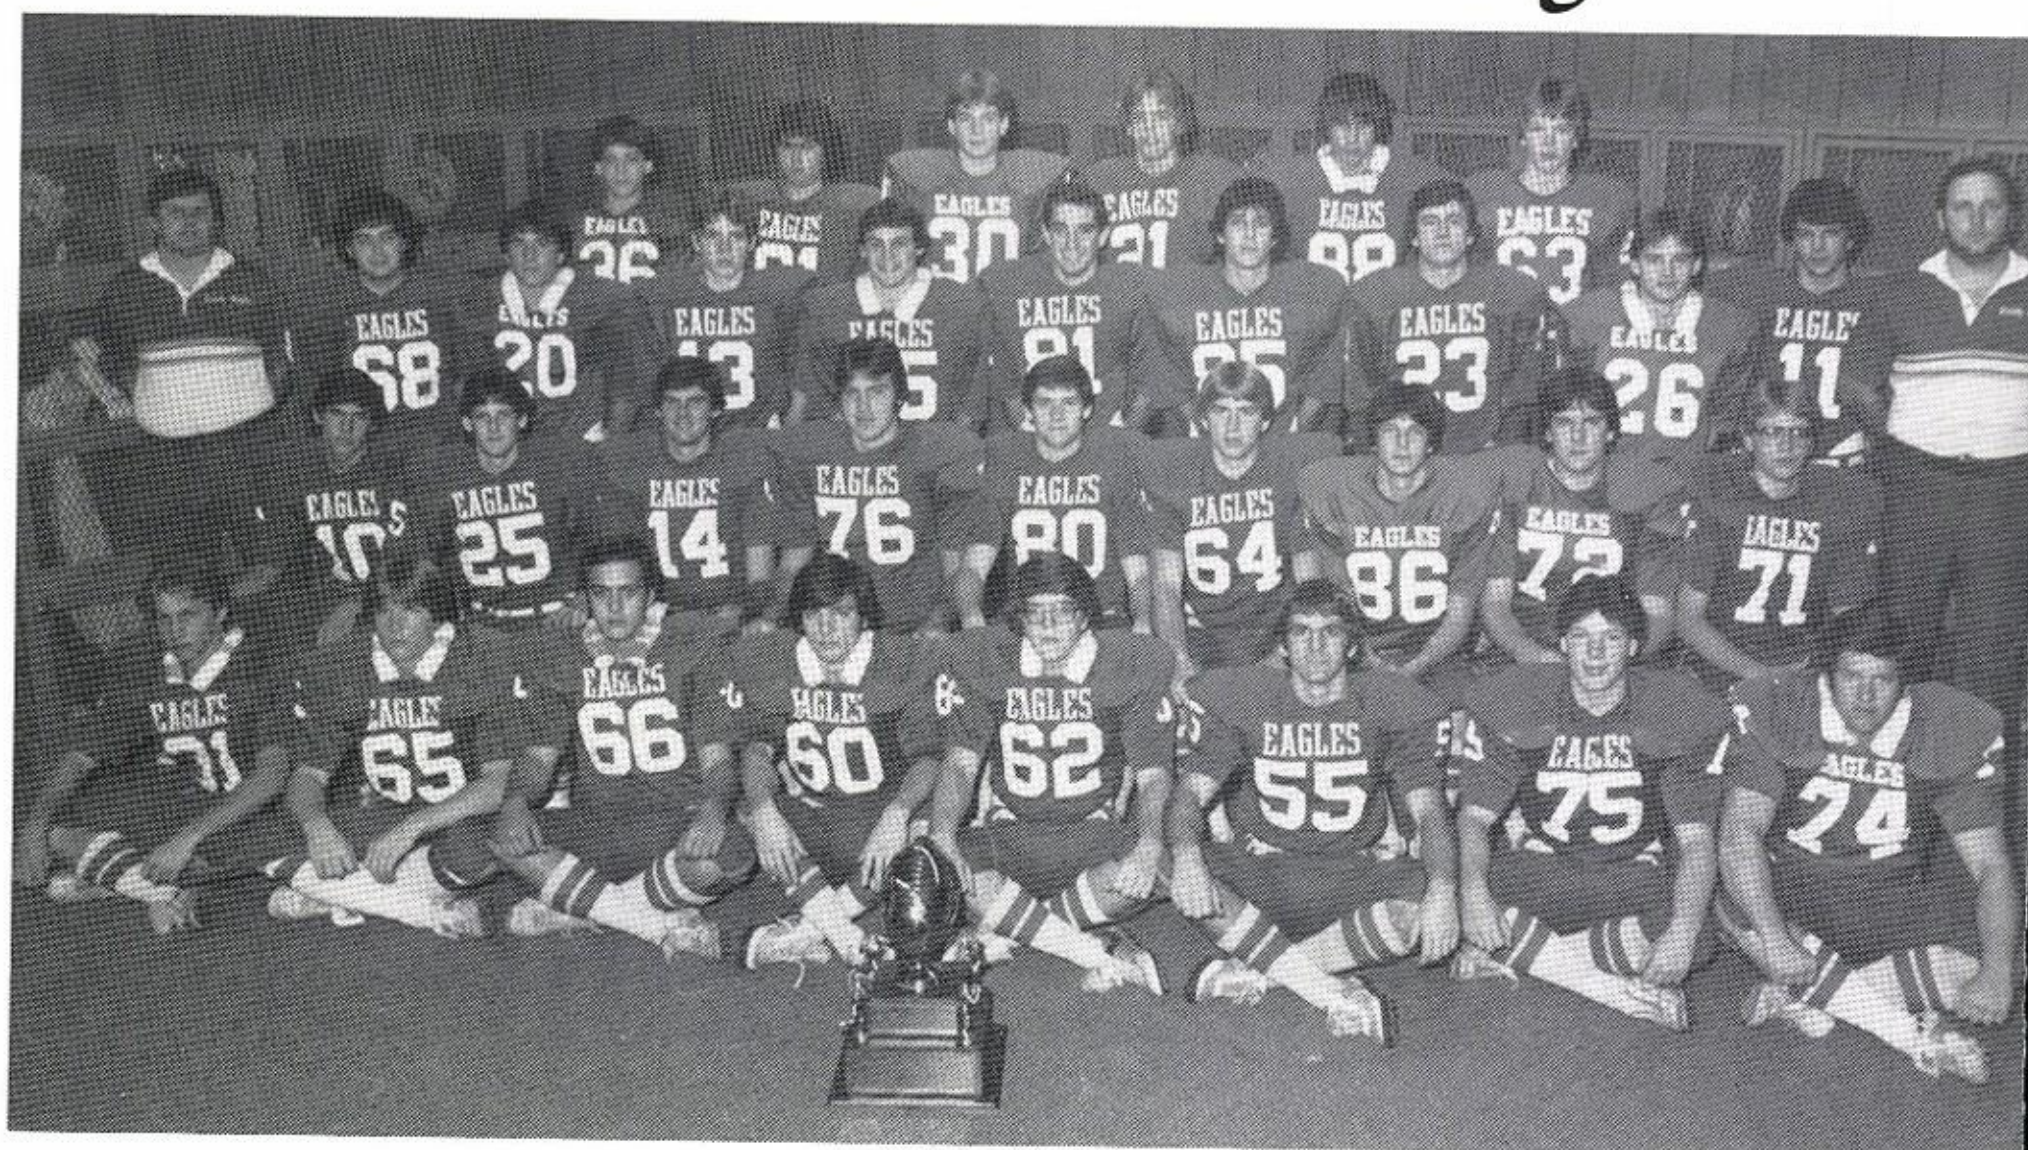

Coach Tony Bone is the assistant football coach. This is his first year at Trinity Heights. Coach Mike Cranford is the boy's basketball coach. He was the assistant coach of the Lady Techsters for one year. This is his first year at Trinity Heights. Neal King is the gymnastics coach. Mr. King teaches gymnastics to grades Kindergarten through twelfth grade. He has taught at Trinity Heights for eight years.

82-83 Football Flies High

Front row: Mike McDowell, Doyle Dempsey, Rickey Dees, Tim Adgate, David Warner, Chris Spain, Mark Patten, Robby Keen. 2nd: Jason Gipson, Rust Pipes, Steve McClure, Randy Murphy, Mark Lambert, Scott Tobey, Joel Shilling, David Boone, Bill Farrar, 3rd: Steve Horton, Jeff Luce, Brad McDonald, Mark Allums, Ron Gipson, Larry Janes, Joey Porter, Todd Latham, Malcolm Kahre, Heath Mitton, Tony Bone, 4th: Darrell Gorman, Chad Oswald, Brad White, David Corley, John Davis, Chip Calhoun.

11/26	Valley Forge	Lost

Coaches Steve Horton and Tony Bone, after only their first year here, brought their team to state. Hours were spent planning and going over each play until it was perfected. Congratulations and thanks to both Coaches for the time and effort they put into this year's winning season.

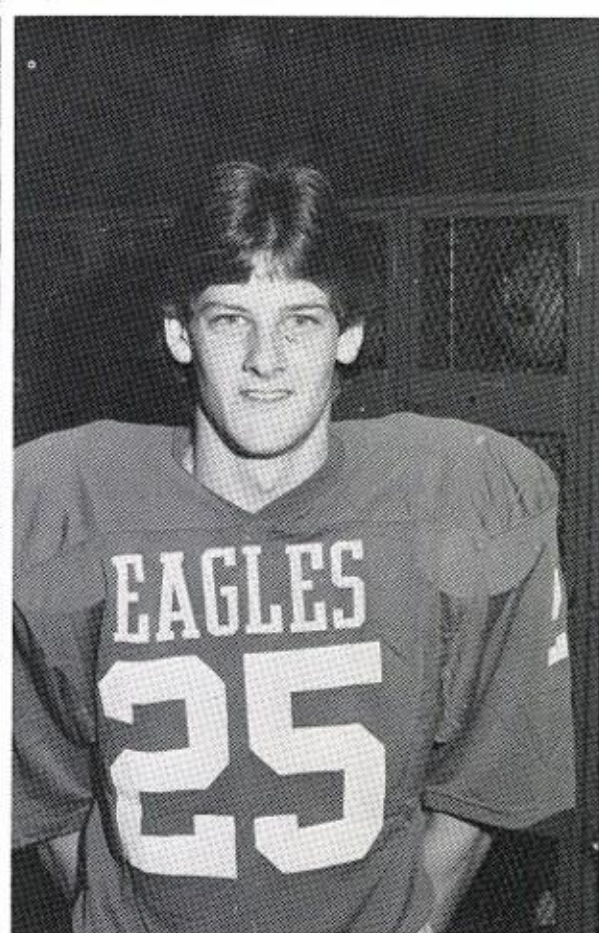

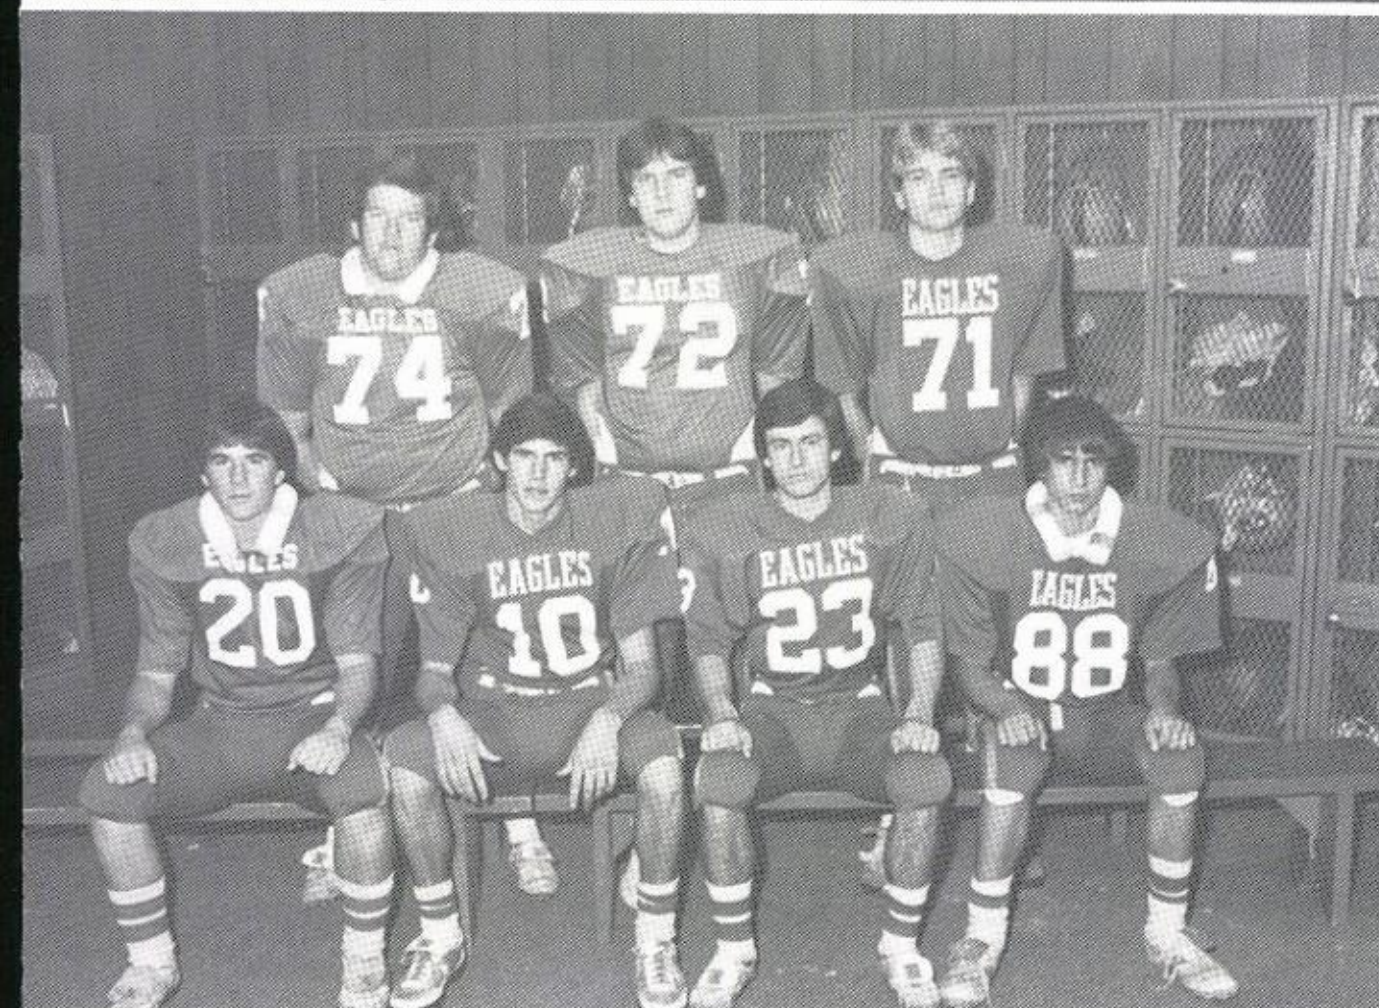

Mark Allums

Steve McClure

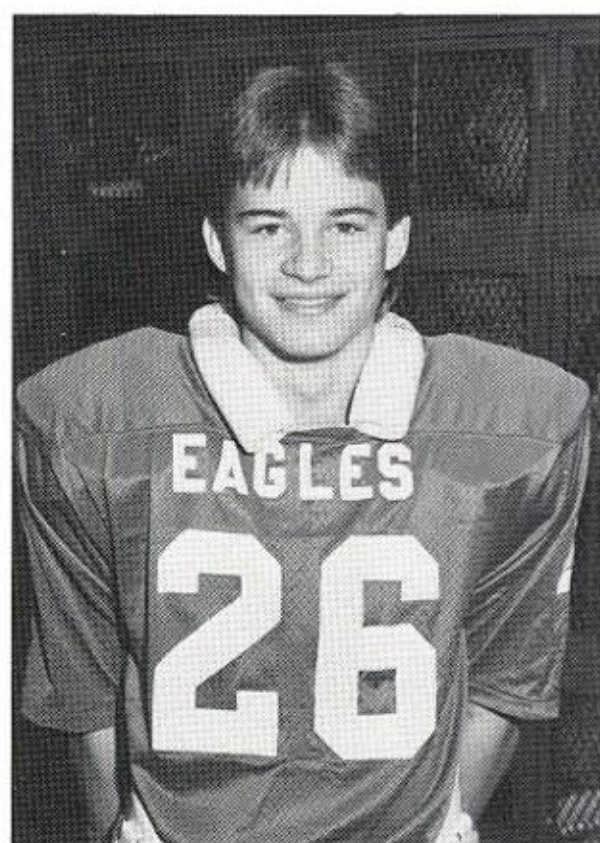

Rusty Pipes

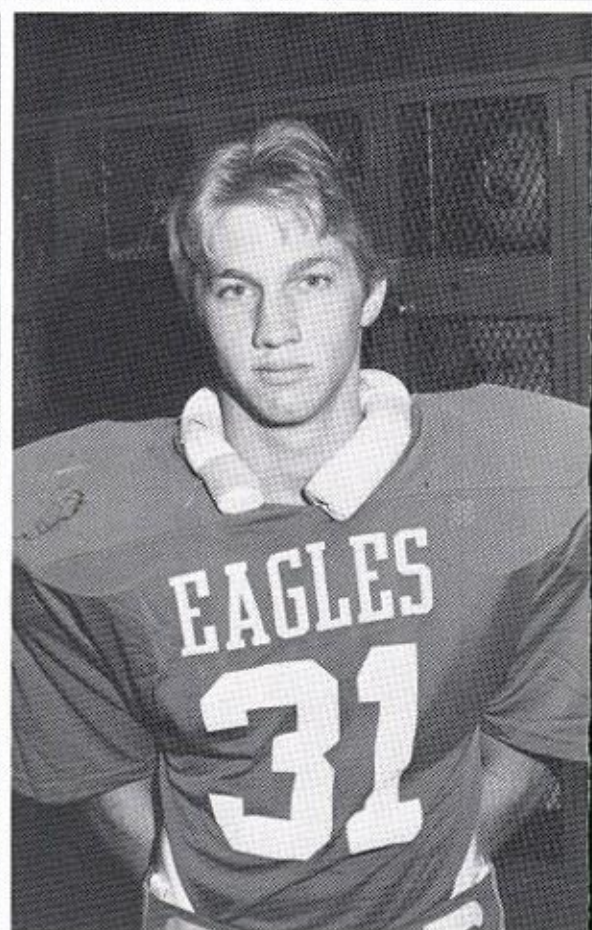

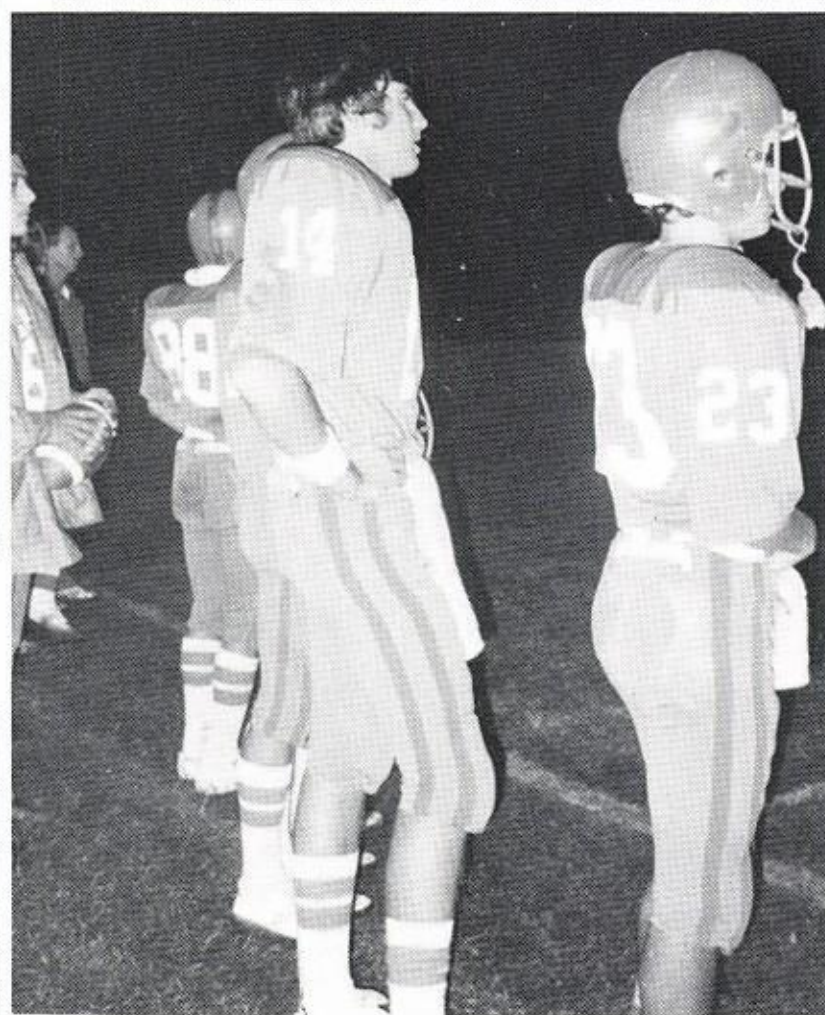

The Junior Eagles played a great part in helping this year's team advance to state. They are: from left to right, front row, Brad McDonald, Jason Gipson, Todd Latham, John Davis, back row, Robby Keen, David Boone, Bill Farrar. Jason Gipson was awarded All-State and All-District for this season. Robby Keen was named All-District, Whereas Brad McDonald was named All-District on the second team. Congratulations to all the Junior players for an outstanding year!

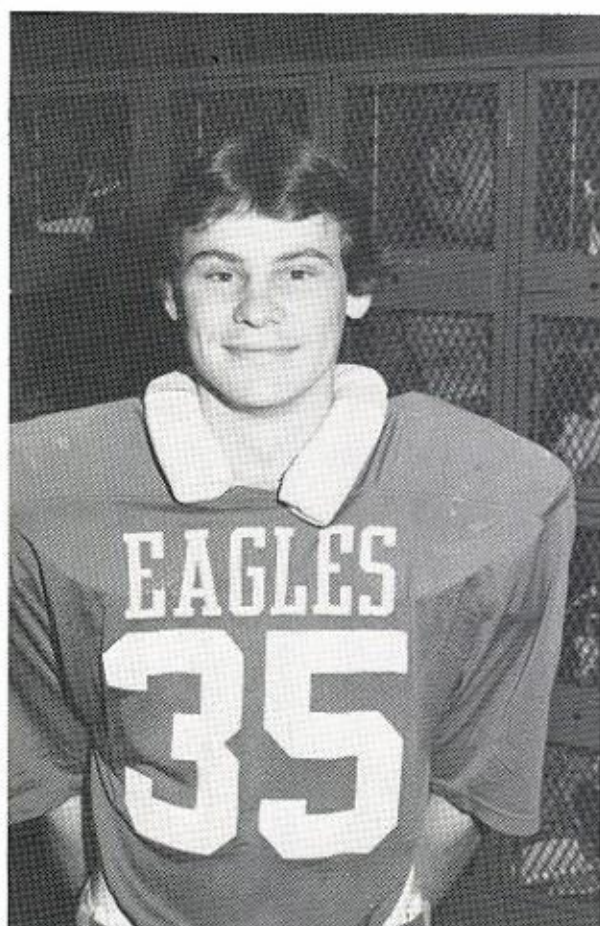

Playing football must have been quite an experience for this year's Sophomore players. All of them have established firm places on next season's squad. Doyle Dempsey was named All-District for the 2nd team. From left to right, they are: front row, Rickey Dees, Joey Porter, Mark Patten back row, Heath Mitton, Doyle Dempsey, Joel Shilling. All our Sophomore players seem to be really looking forward to next year's season!

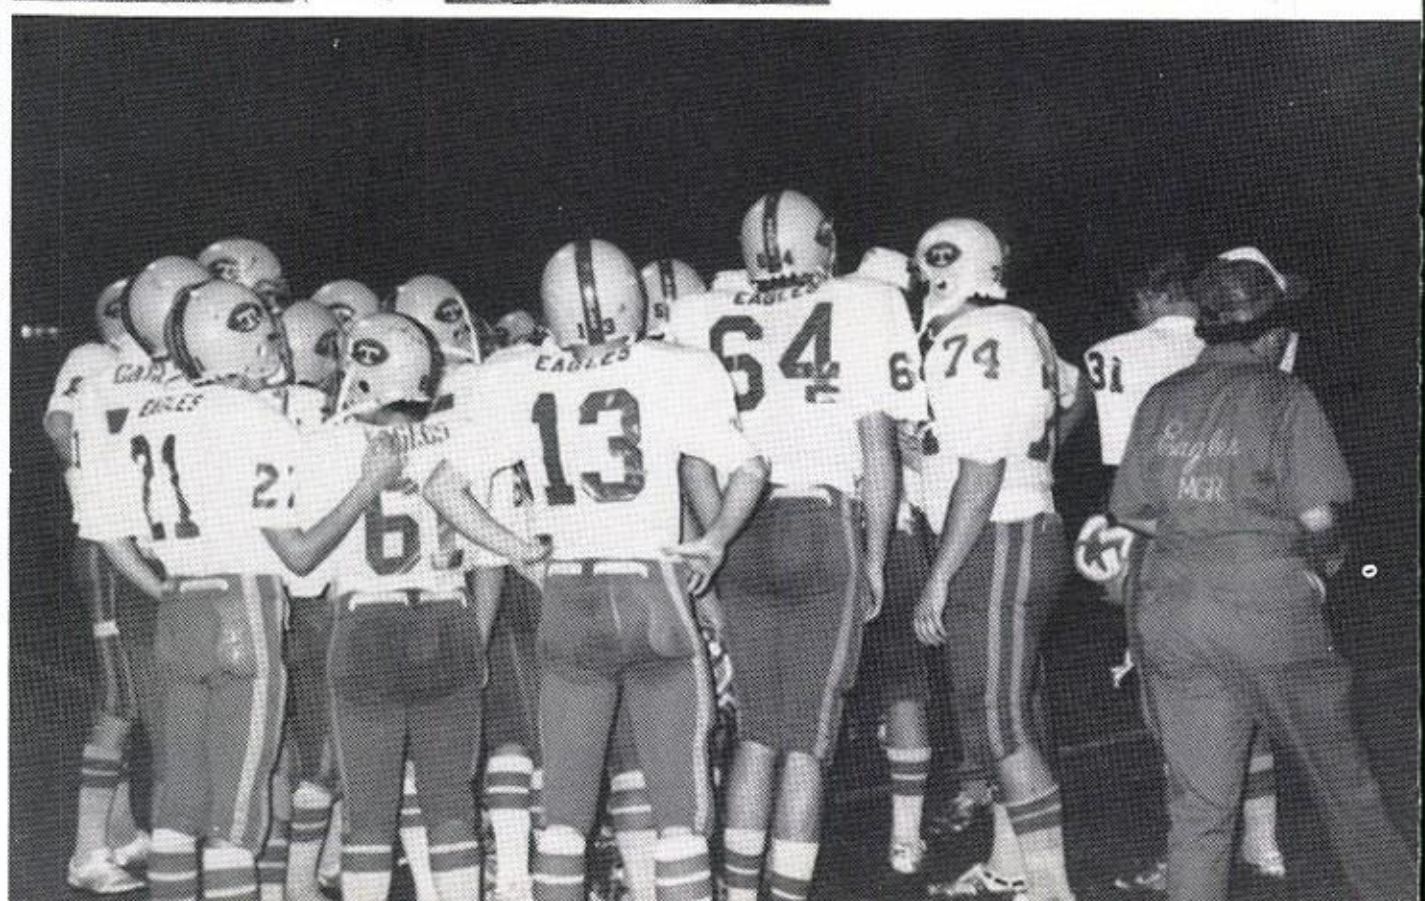

Malcolm Kahre-Sr.

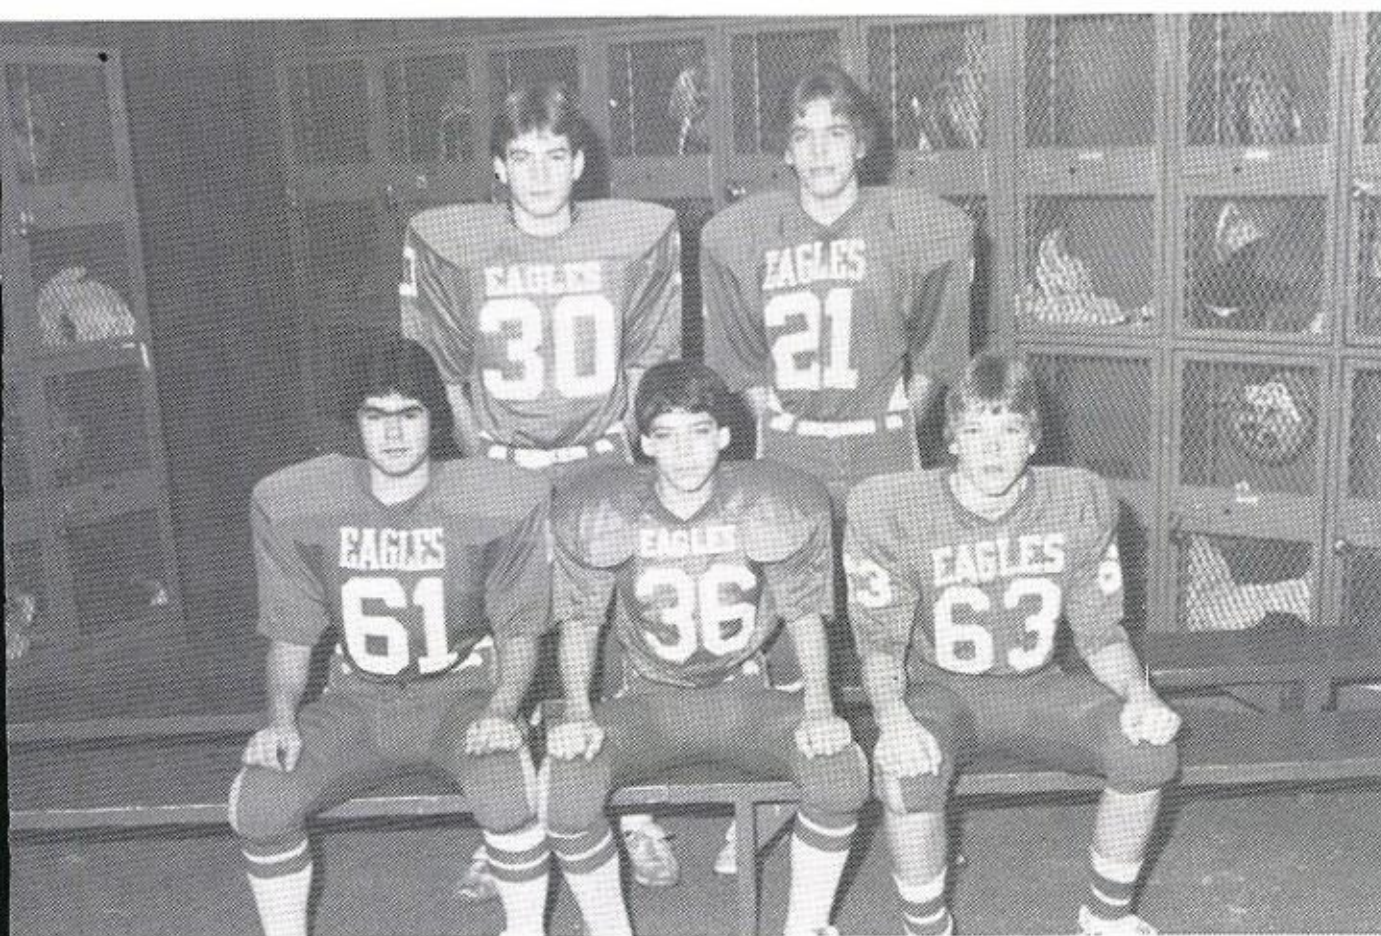

Mike McDowell-Sr.

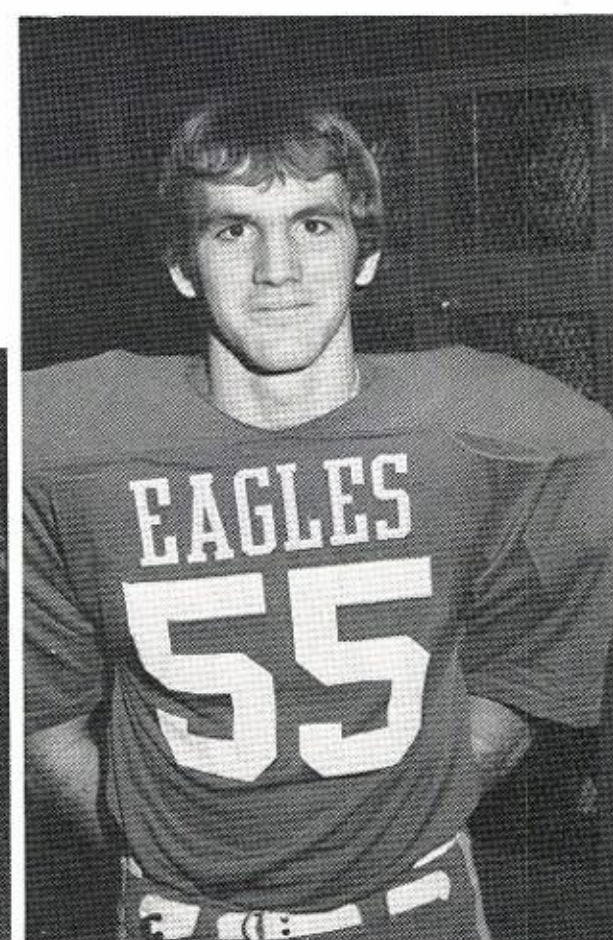

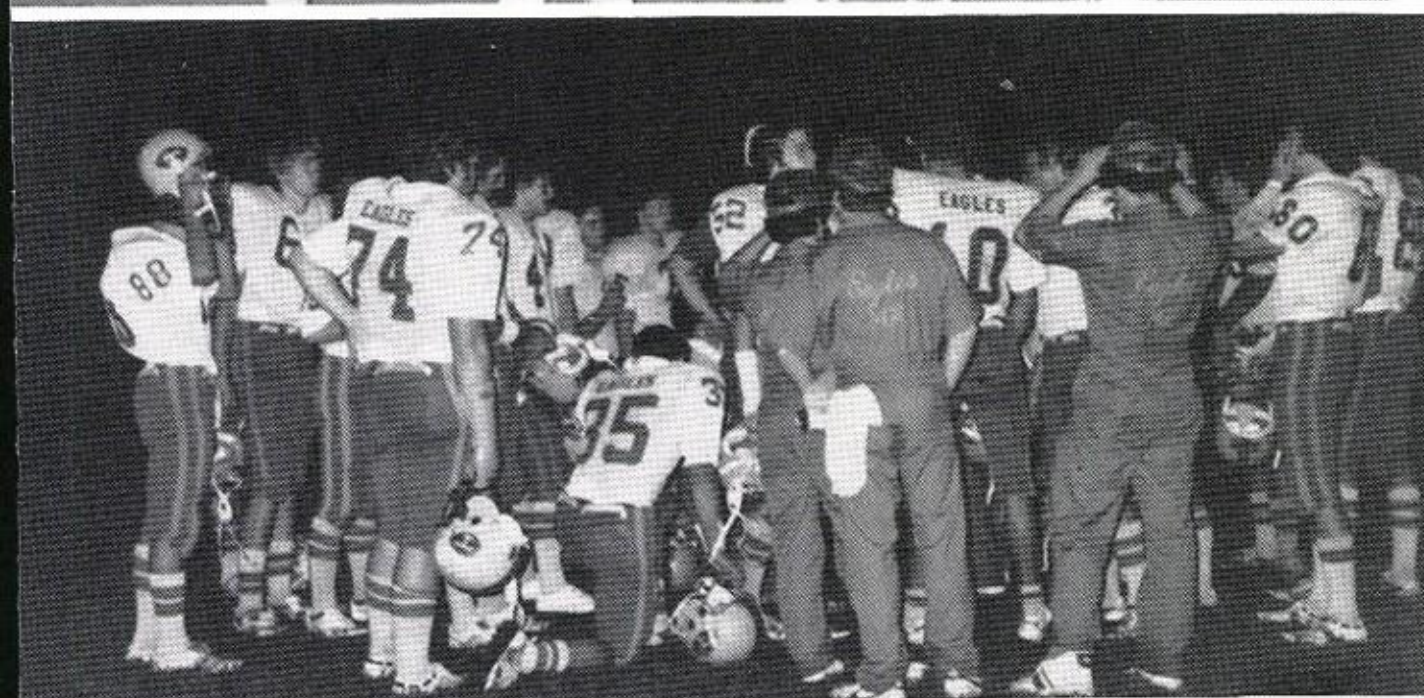

Ron Gipson-Sr.

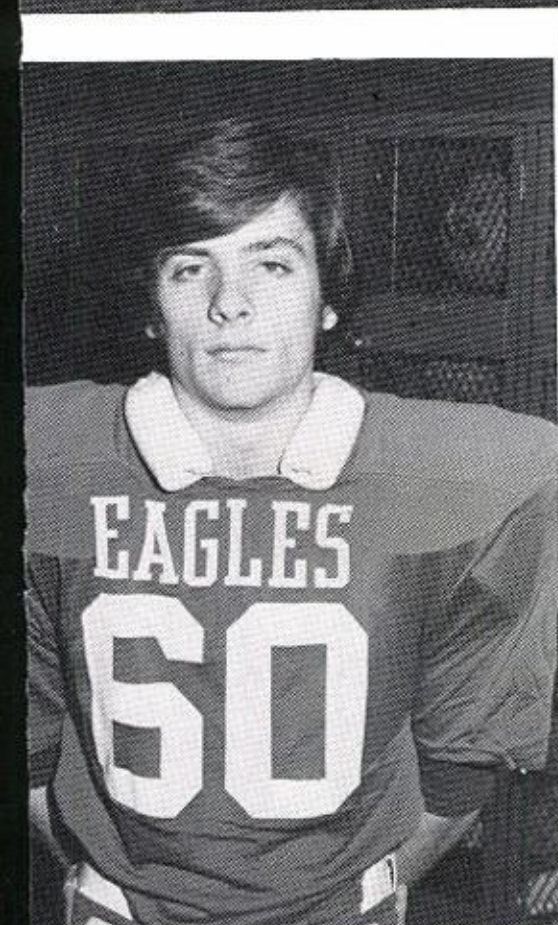

The 82-83 Freshmen of the Eagle team redefined the name Freshmen. Their hard work and determination distinguish them as the future leaders of the Eagle Football Team. They are: left to right front row, Chad Oswald, Darrell Gorman Chip Calhoun, back row, Brady White, David Corley

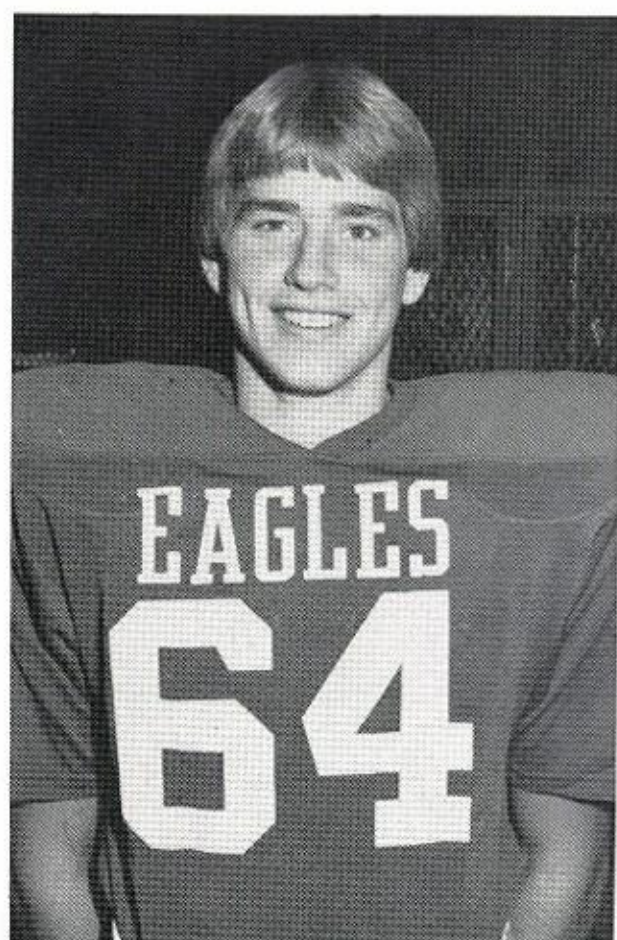

Chris Spain-Sr.

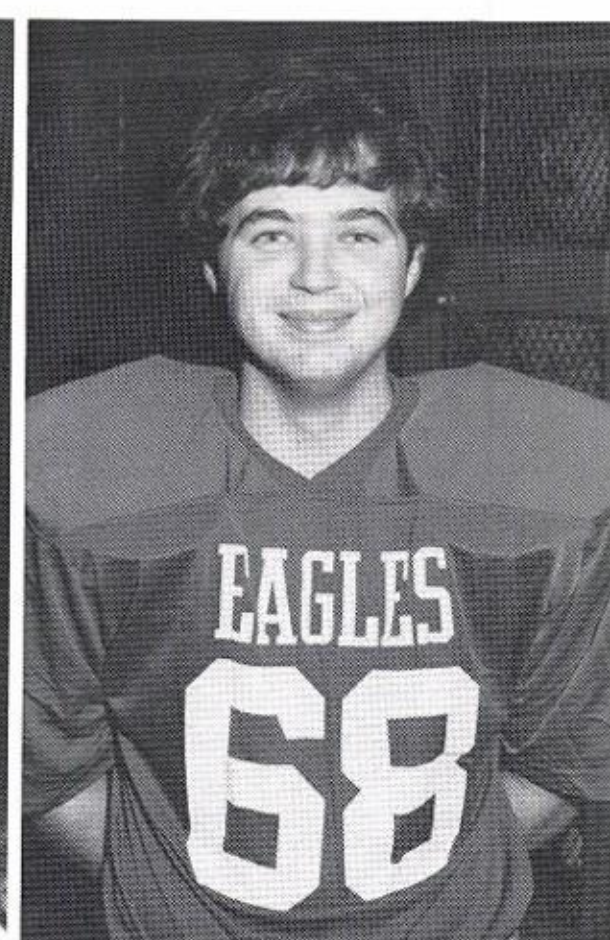

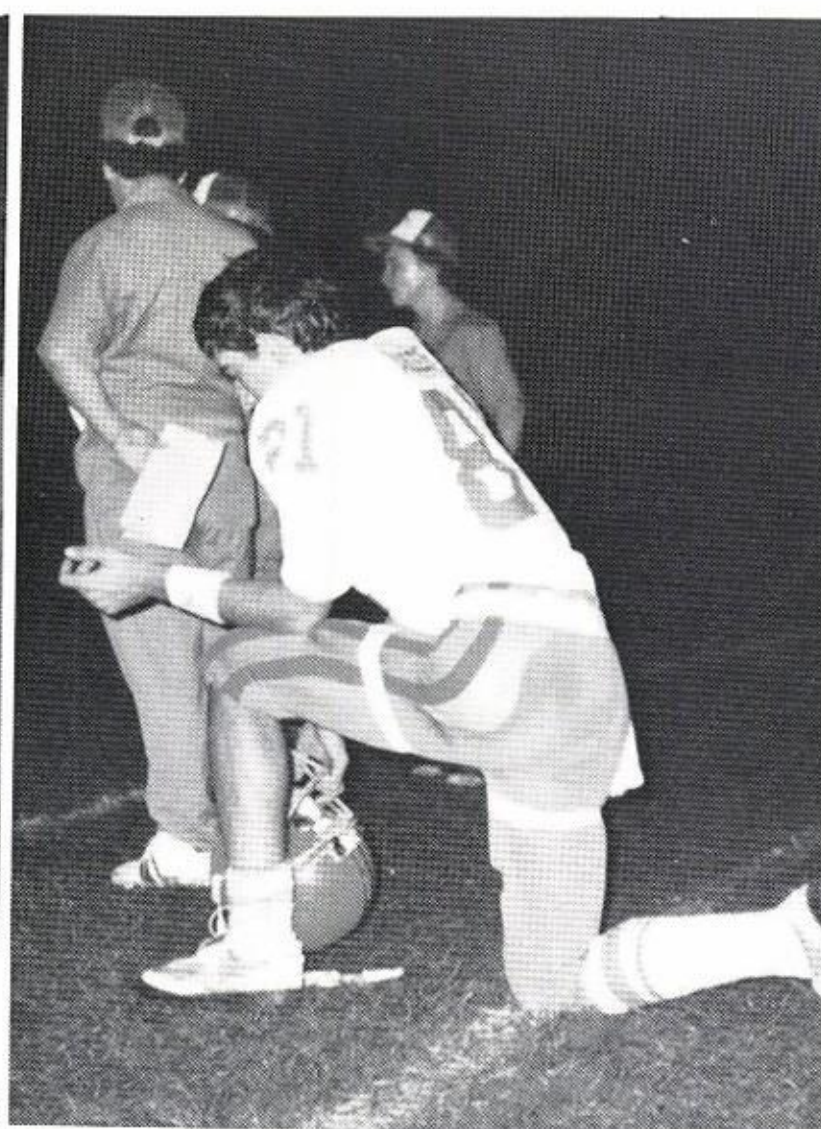

Tim Adgate-Sr.

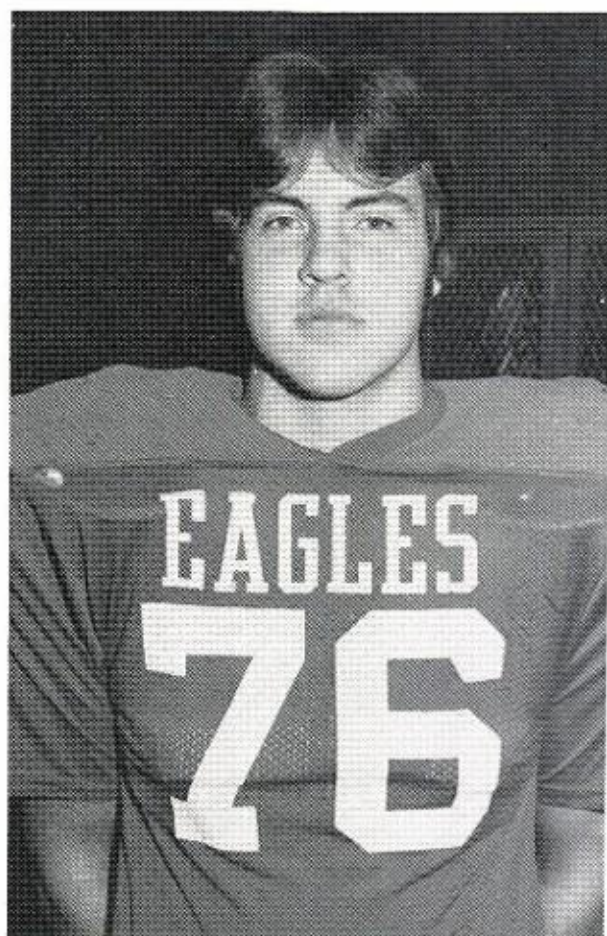

David Warner-Sr.

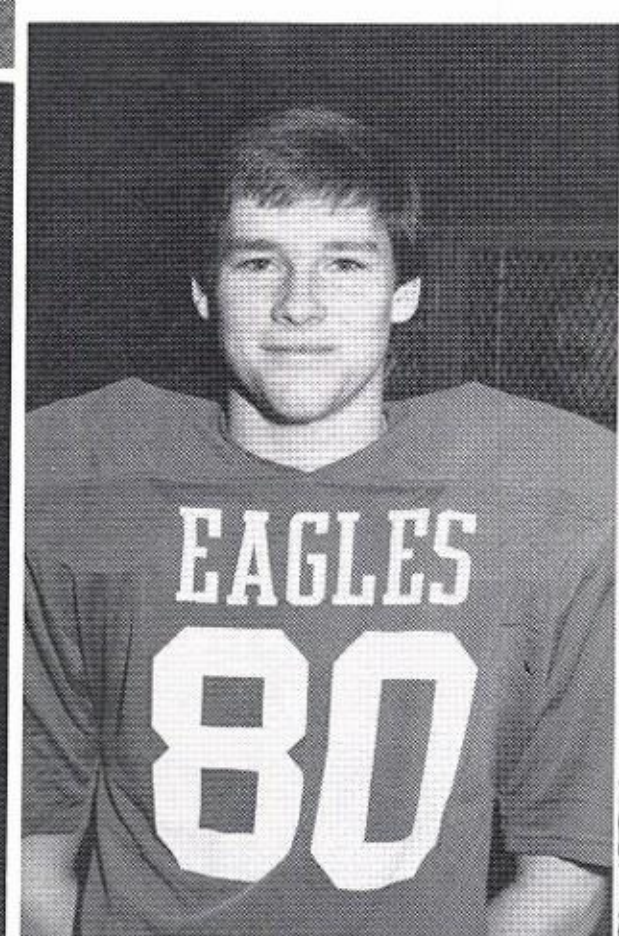

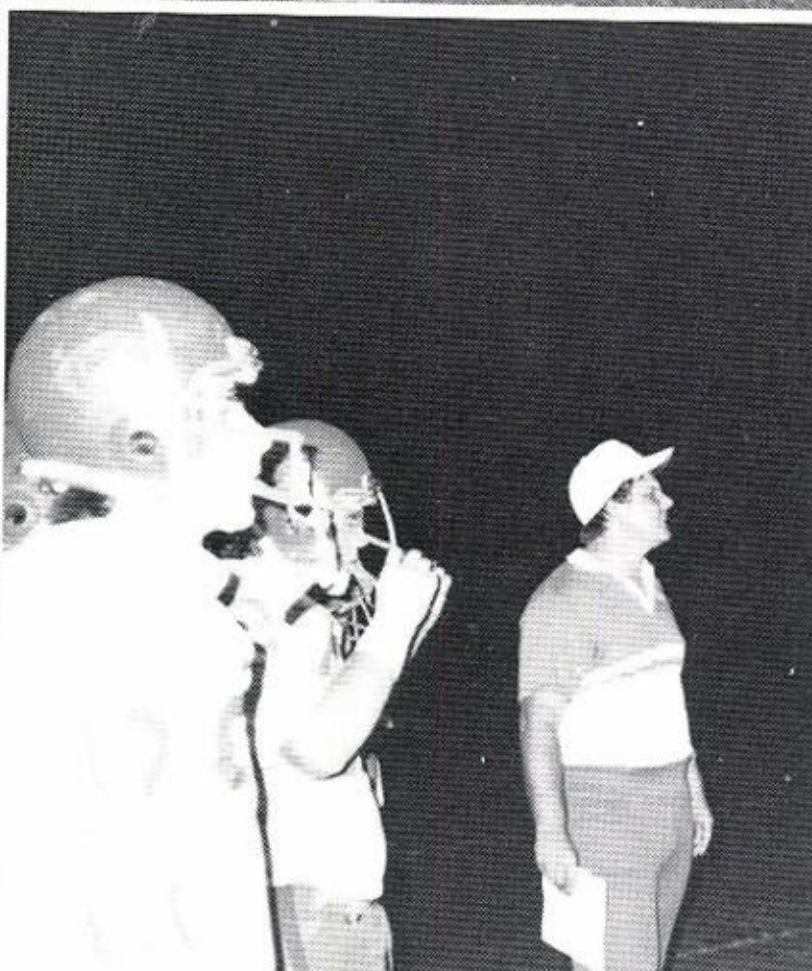

Scott Tobey-Sr.

Jeff Luce-Sr.

Randy Murphy-Sr.

Mark Lambert-Sr.

Seniors

Fourteen special people led our Eagle team this year. They are called Seniors. These Seniors played a key role in the accomplishments that were made. They were great leaders and were determined to reach their common goal; state. These proud players are: Larry Janes, Mark Lambert, Steve McClure, Scott Tobey, Rusty Pipes, Randy Murphy, David Warner, Mark Allums, Ron Gipson, Tim Adgate, Chris Spain, Mike McDowell, Jeff Luce, Malcolm Kahre. We're going to miss you next year!

Larry Janes-Sr.

Managers

Managers for the Eagle Team were Brian Hauser, Chris Gorman and David McCartney. All three worked extra hard to help both the players and coaches. Their help and support were greatly appreciated. A Very Special Thanks to Managers of 82-83 for doing a job well done.

State Bound

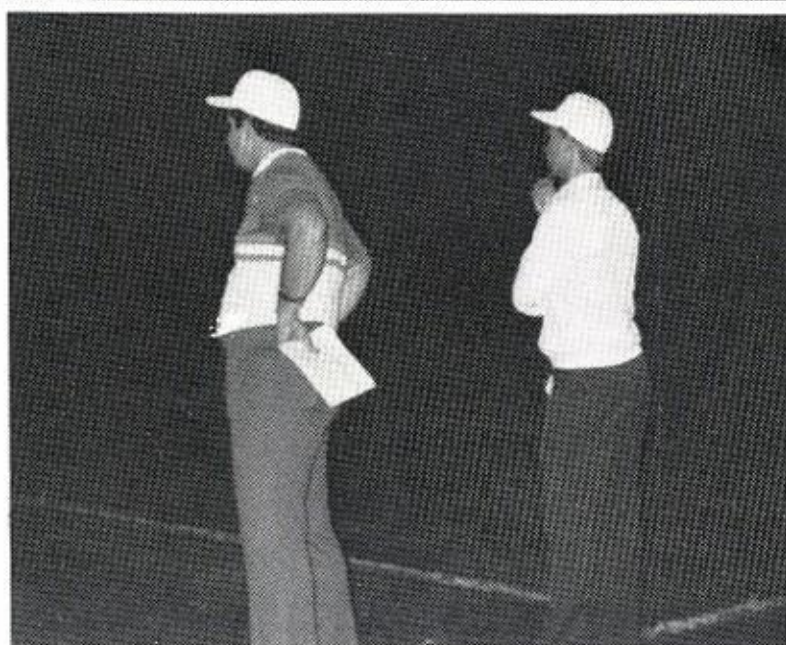

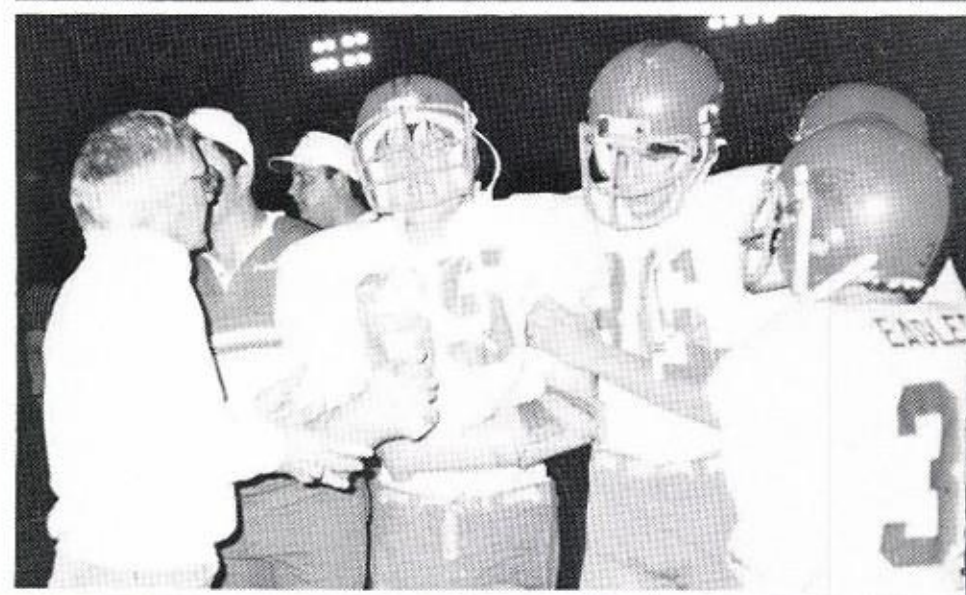

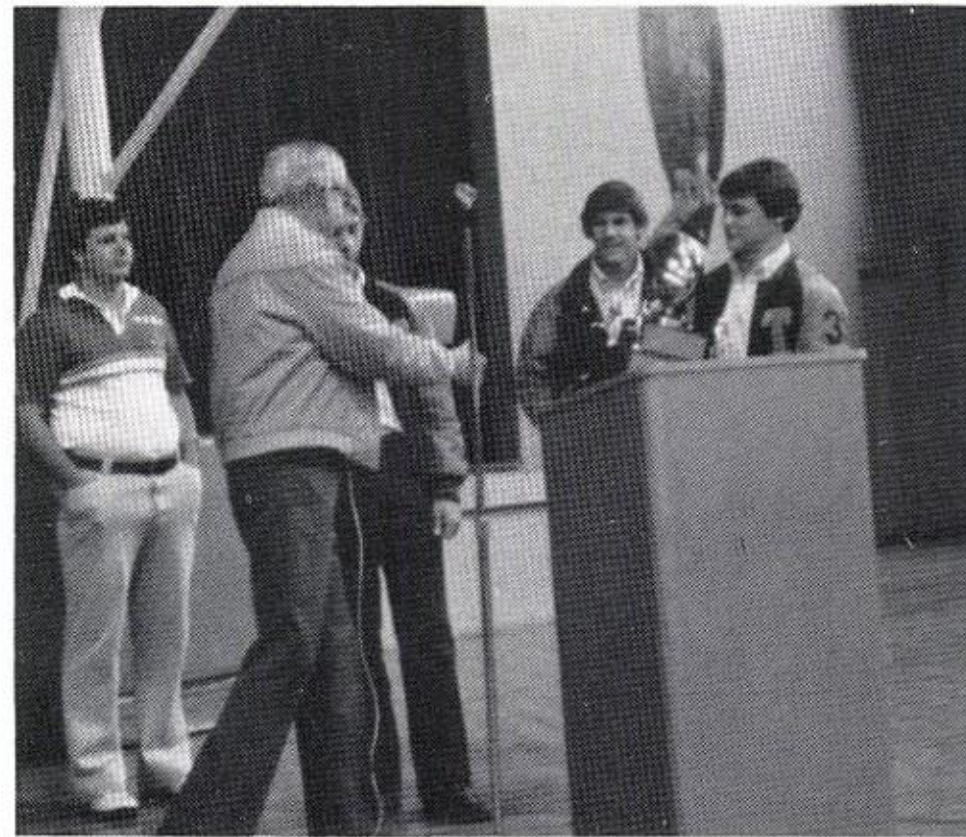

Summer time is usually a time for rest, relaxation, or just having fun. But for the Eagle Football team it meant long hours of practice in the scorching sun. Twice a day all the players met at the school. From 4:00 to 6:30 and 8:00 to 10:30 they ran the exhausting wind sprints and went over each play until it was perfect. That took Dedication, for most of their friends were either sleeping or spending their time at the lake. However, all the hard work paid off when the Eagle team advanced to state. It was rumored that this year's team would probably not even go to the playoffs. However, that was not to be the case. There were 14 guys on the team that were determined to make this season one that the people of Trinity Heights would Never forget. A few years ago the Juniors and Seniors of this year were also the same players that went undefeated when they were in 7th and 8th grade. Since then they have improved remarkably.

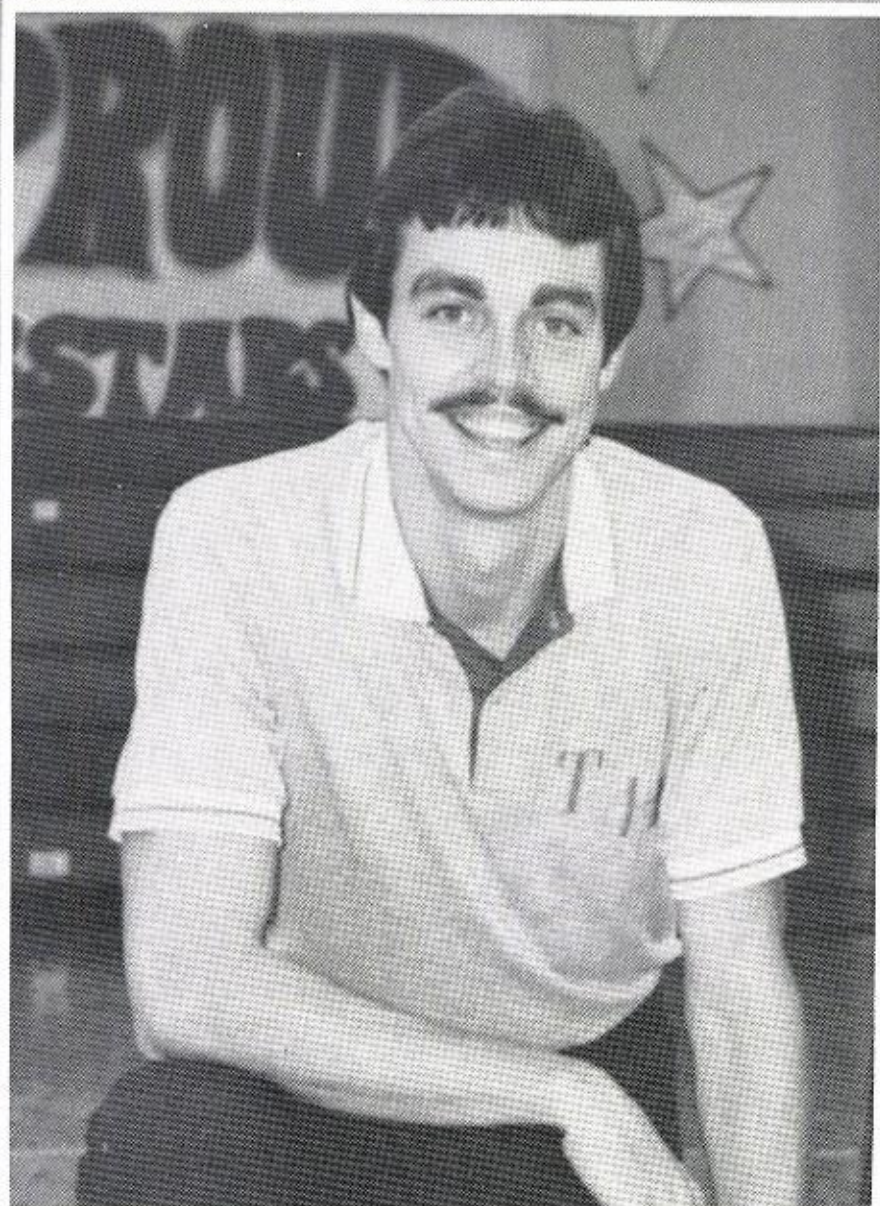

The weeks of summer practice passed slowly but soon school was to start. The dreaded morning practice was to be no more. The 5-Star Jamboree, held at Cedar Creek, at which our opponents PDA and Glenbrook turned out to be a little less than some people anticipated. The season then started. Everything started off with a bang. First, First Baptist, then Riverdale and Claiborne. Glenbrook was to be next. The rivalry that had built up since a former coach, Chuck Kelly had left THCA to become Head Coach at Glenbrook was one that the team was looking forward to. Especially since the cheerleaders put a sign to hang on the side of the bus that read, "Coach Cupcake's Crew." That was not to be the only satisfaction they were to have. With the record 4 and 0, the Eagles soon made it 5 and 0 by defeating Briarfield. The dreaded PDA game was not to be so feared after all. For the first time in 3 years the Eagles were victorious! This game made headlines for days. 7 and 0?

That was not to be the case. Being defeated by Calvary was a low point in the season, but they were still on top. Friendship and Belmont were easily defeated. Cedar Creek, an arch Rival of the Eagles, sent a funeral wreath to the Football players that said, "Cedar Creek No. 1". Needless to say, this made our football team more determined to win. The cougars, however, had different ideas, and our record dropped to 8 and 2. Now with the regular season over, finals were moving fast. After defeating the number 2 team River Oaks, the Eagles were anticipating playing the number 1 team, Riverside. All the newspapers picked Riverside to win. Once again headlines were made when the no. 5 team beat the no. 1 team.

No one could believe that the team that no one even thought would move on to the playoffs had beaten the top two teams and were state bound. For the first time in the history of Trinity Heights, the football team was going to state. No one could even begin to express the enthusiasm of the players and all the students. Valley Forge was to be the victim. Buses were arranged to take loyal supporters to Amite to watch their team play. The spirit was unbeatable! Parents of the players wore blue and gold shirts with their sons' numbers on it. Balloons, were also a part of the excitement. Nothing could beat the support given that night in Amite. The Eagles didn't win state, but they were still winners. And after every game, the players knelt and thanked God for the game and for each person there. The football team was not just a team, they were friends, also. When someone was hurt, all were concerned. A very special relationship was formed between the players and coaches. They didn't always agree, but they stuck together.

From now on, people will remember Trinity Heights for football as well as other athletics. Congratulations to our Eagle players and coaches for their accomplishments. But especially thanks for raising the spirit of Trinity Heights and setting a new goal for all the future teams. To the seniors, a special thanks for your determination and guidance for the rest of the team. We will miss you next year!!!

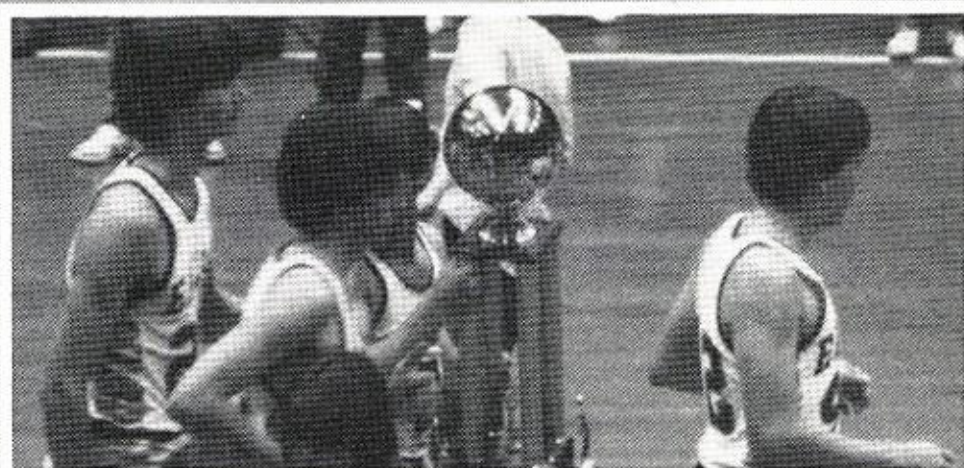

Head Coach
Mike Cranford

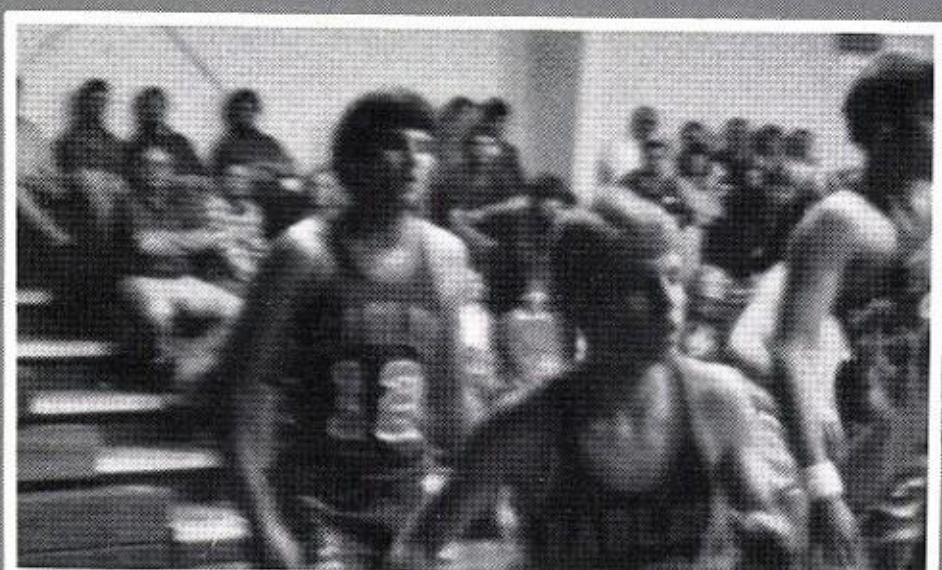

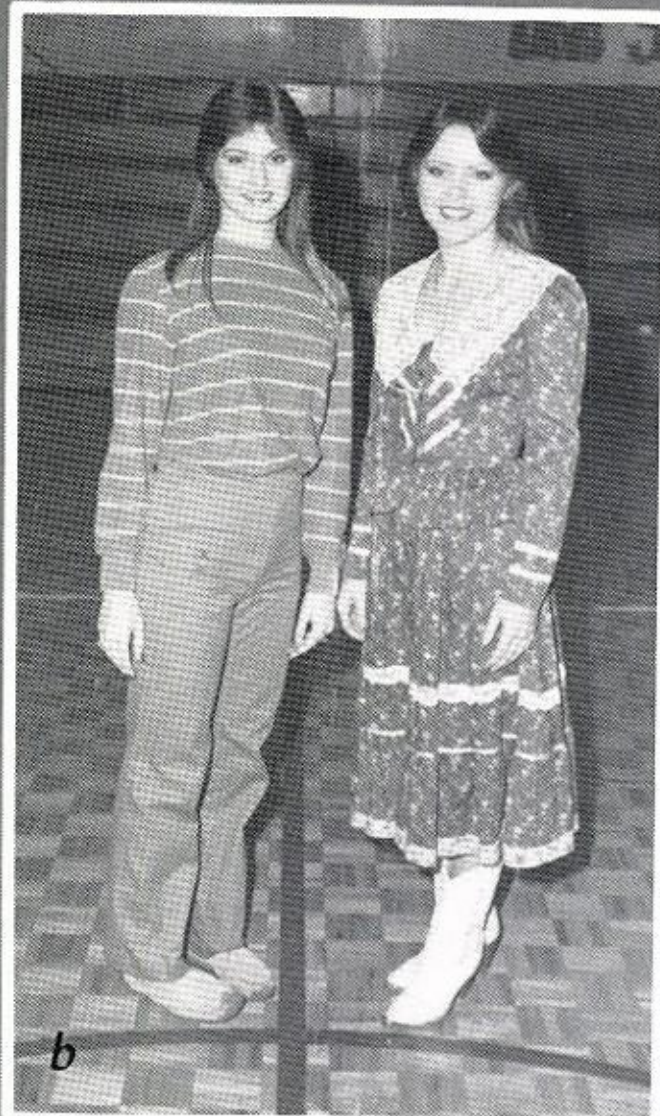

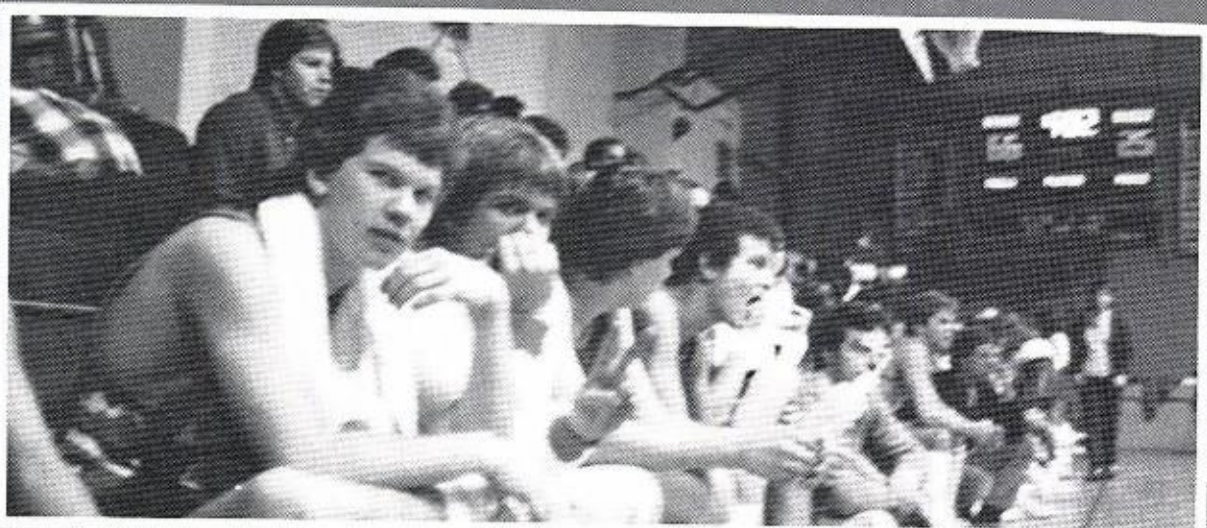

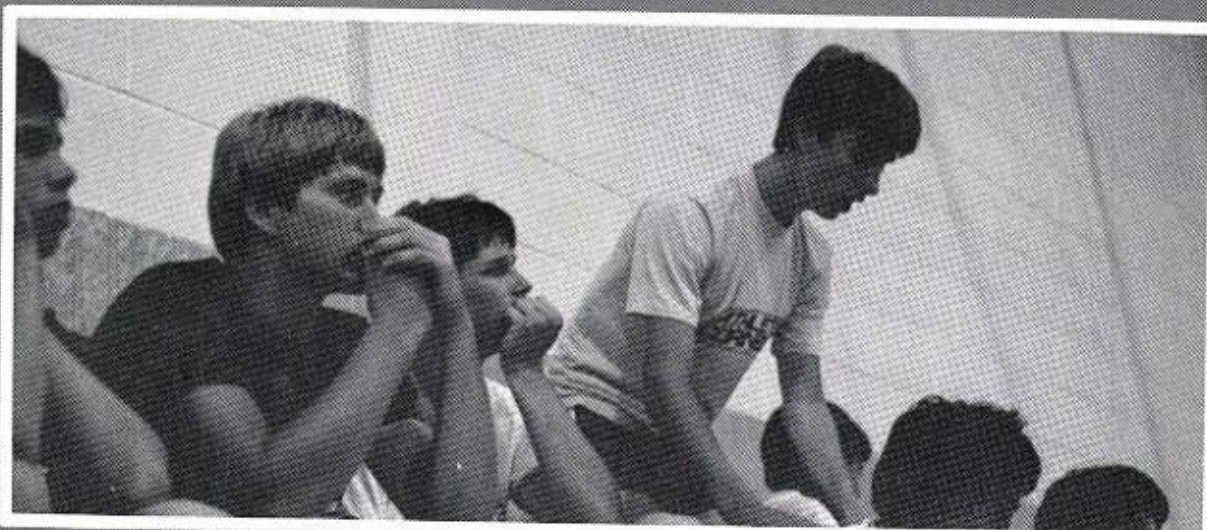

1982-83 Boy's Basketball

The 1981-82 basketball season ended on a great note as the team (a) captured the state championship, and the 1982-83 basketball season started off on good footing. The boys are being coached by Mr. Mike Cranford. This is Coach Cranford's first year at THCA. He was the assistant coach of the Lady Techsters for one year. The assistant coach of this year's team is Mr. John Martin. The 1982-83 team members are: (b) (left to right) 1st row: R. Clemence-manager, J. Martin-assist. coach, L. Francis-statistician, L. Fuller-statistician, S. Lawrence-statistician, Coach Cranford, S. Horton-manager, 2nd row: B. Strothers-manager, K. Patterson, M. Allums, G. Eason, T. Montgomery, J. Roberts, R. Attaway-manager, 3rd row: J. Gipson, S. McClure, D. Boone, M. Lambert, S. Tobey, P. Green, G. LeGrand, J. Shilling.

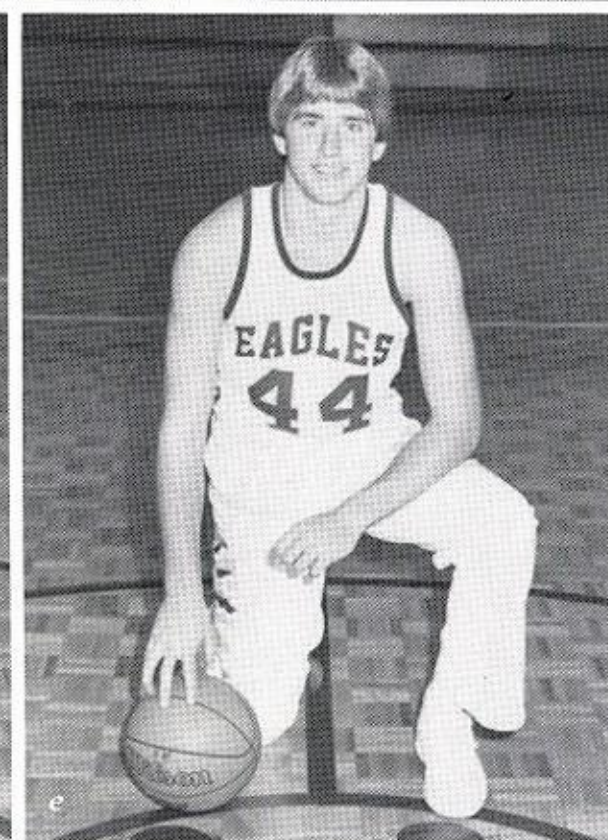

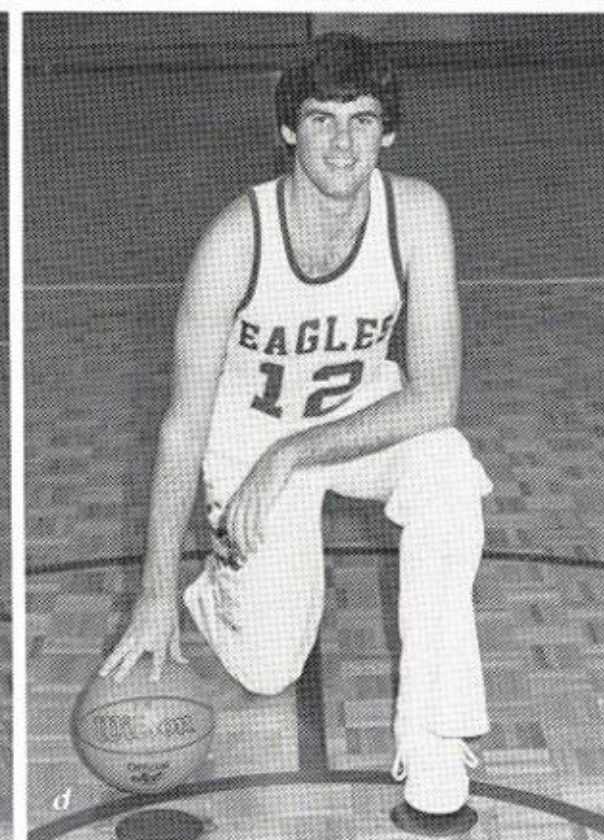

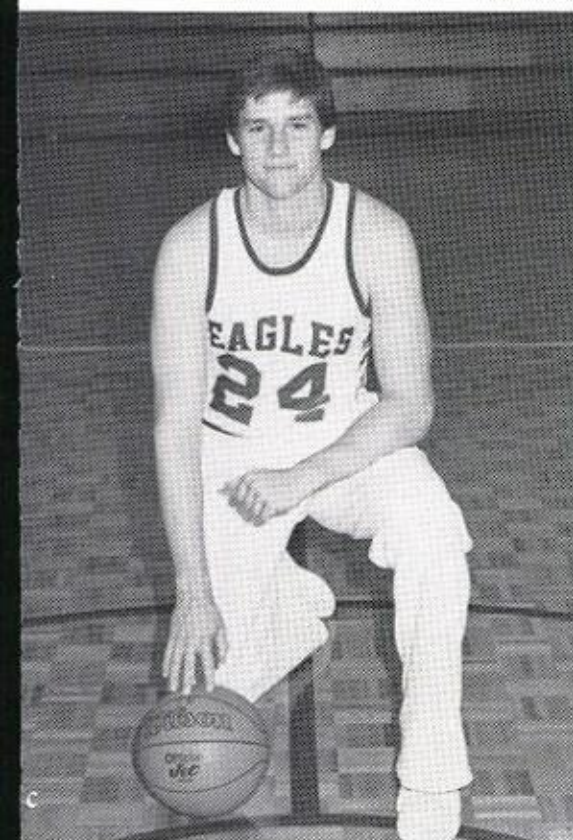

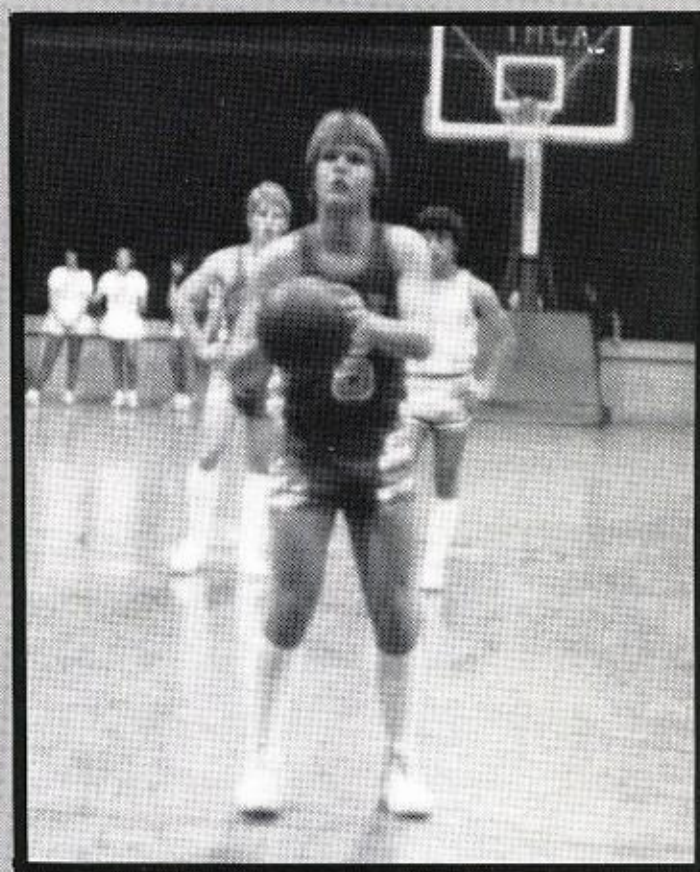

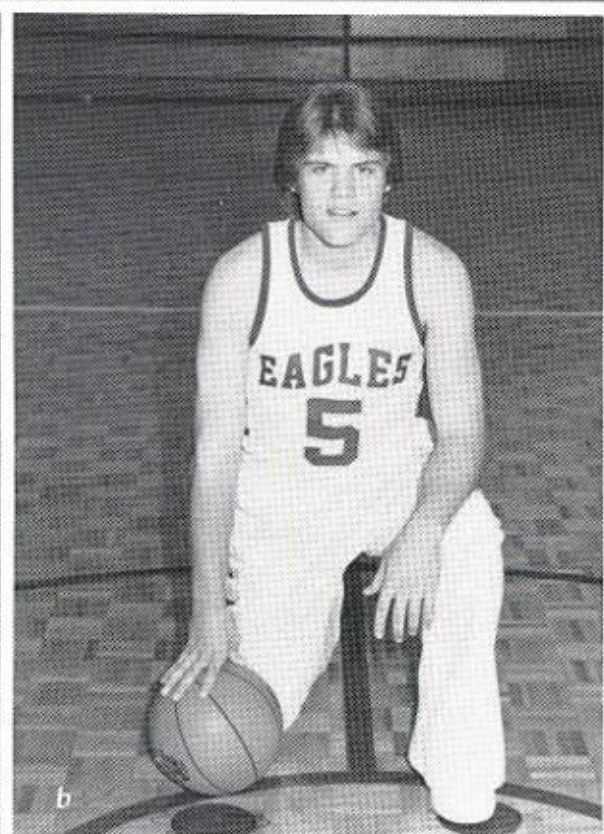

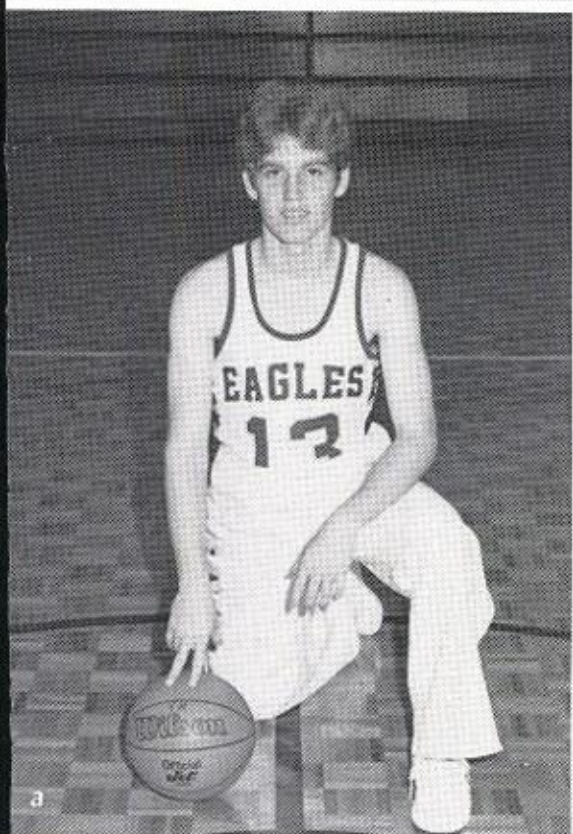

Stats And Managers

The 1982-83 Boy's basketball statisticians are: (a) (left to right) Lisa Francis, LeAnn Fuller, and Sonya Lawrence. The statisticians keep statistics on the games such as how many points each player scored, and how many and what kind of fouls each player made. (b) San Allen and Alice Lynch are the head-managers. Their job is to keep water-bottles filled and to keep medical supplies prepared and in order in case they are needed.

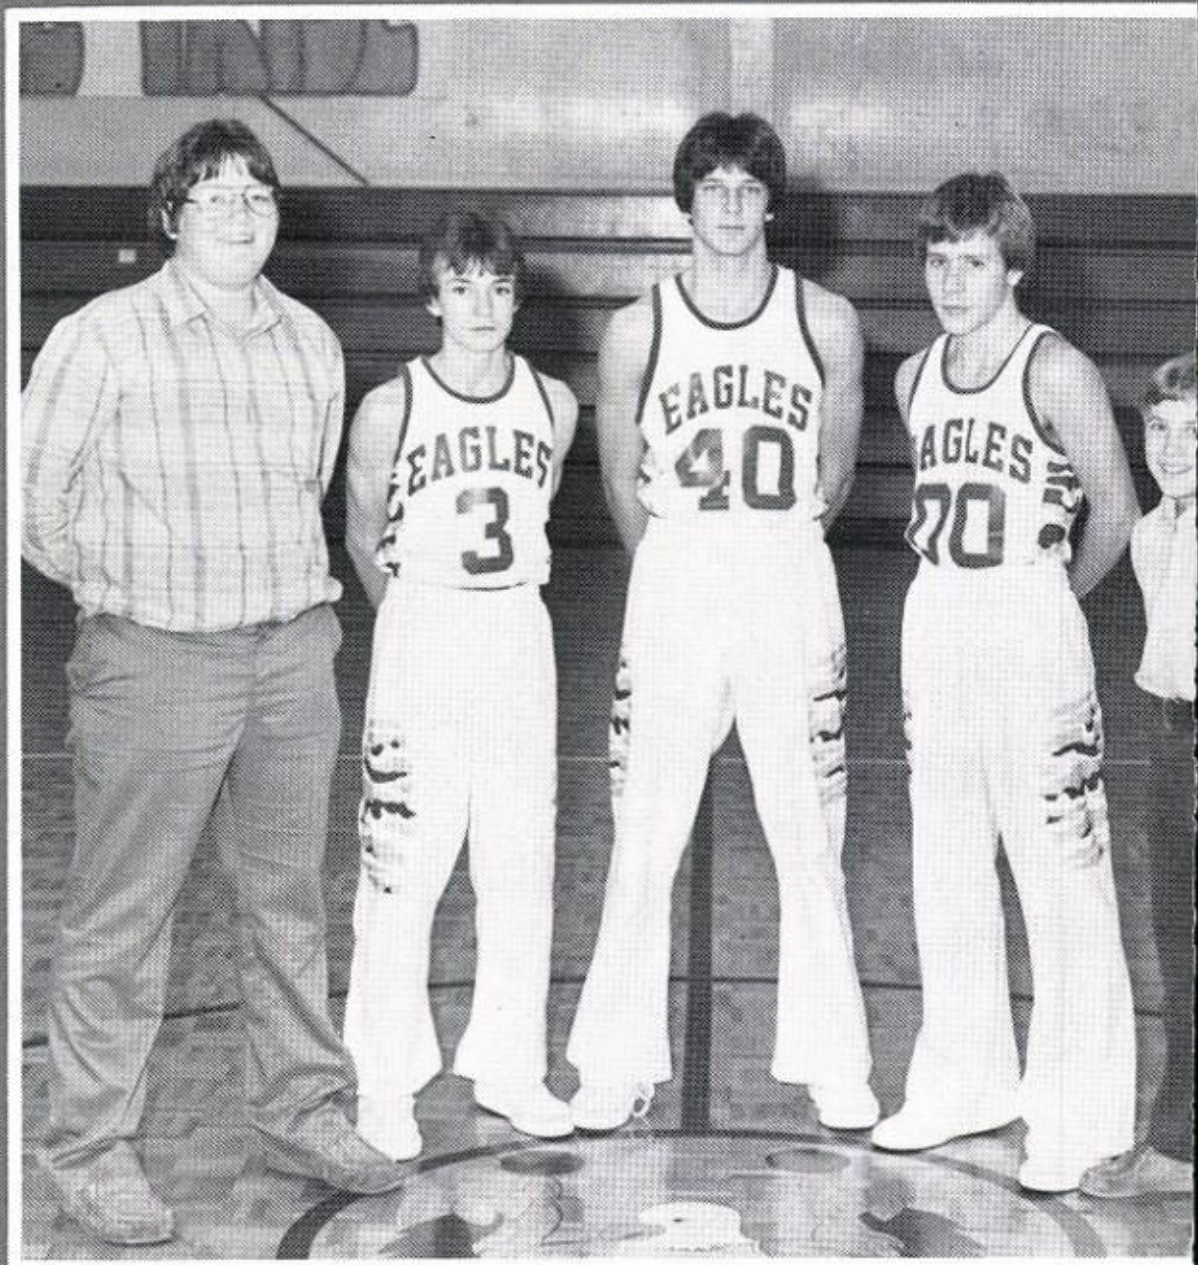

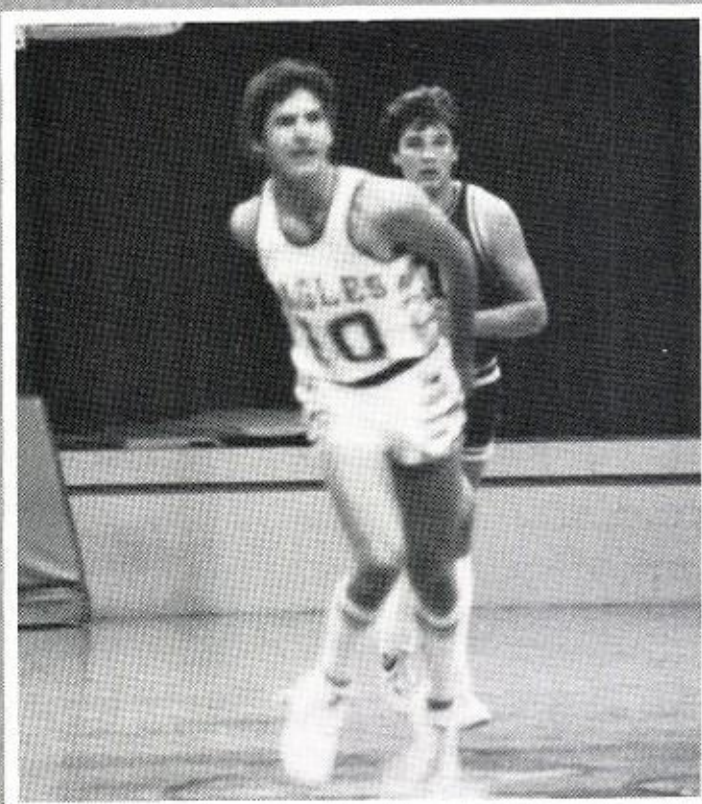

1982-83 Seniors

The 1982-83 Senior basketball players are: (a) 5'9" Guard, Mark Allums, (b) 5'10" Guard, Greg Eason, (c) 6'4" Center, Mark Lambert, (d) 6'2" Forward, Steve McClure, and (e) 6'4" Center, Scott Tobey. (f) (left to right) Scott Tobey, Steve McClure, Mark Allums, Greg Eason, and Mark Lambert.

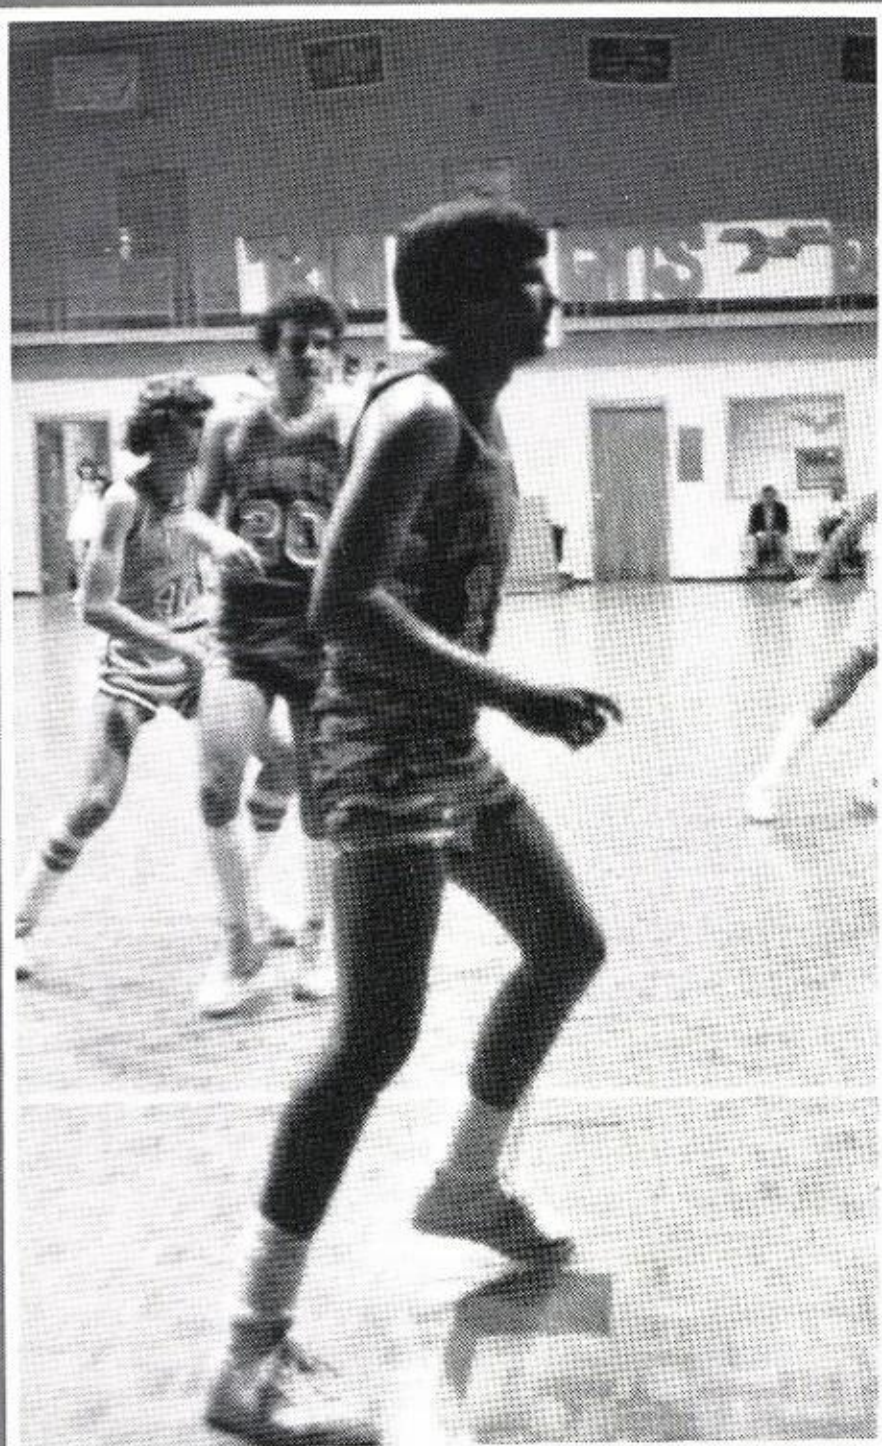

1982-83 Juniors, Sophomores, And Freshmen

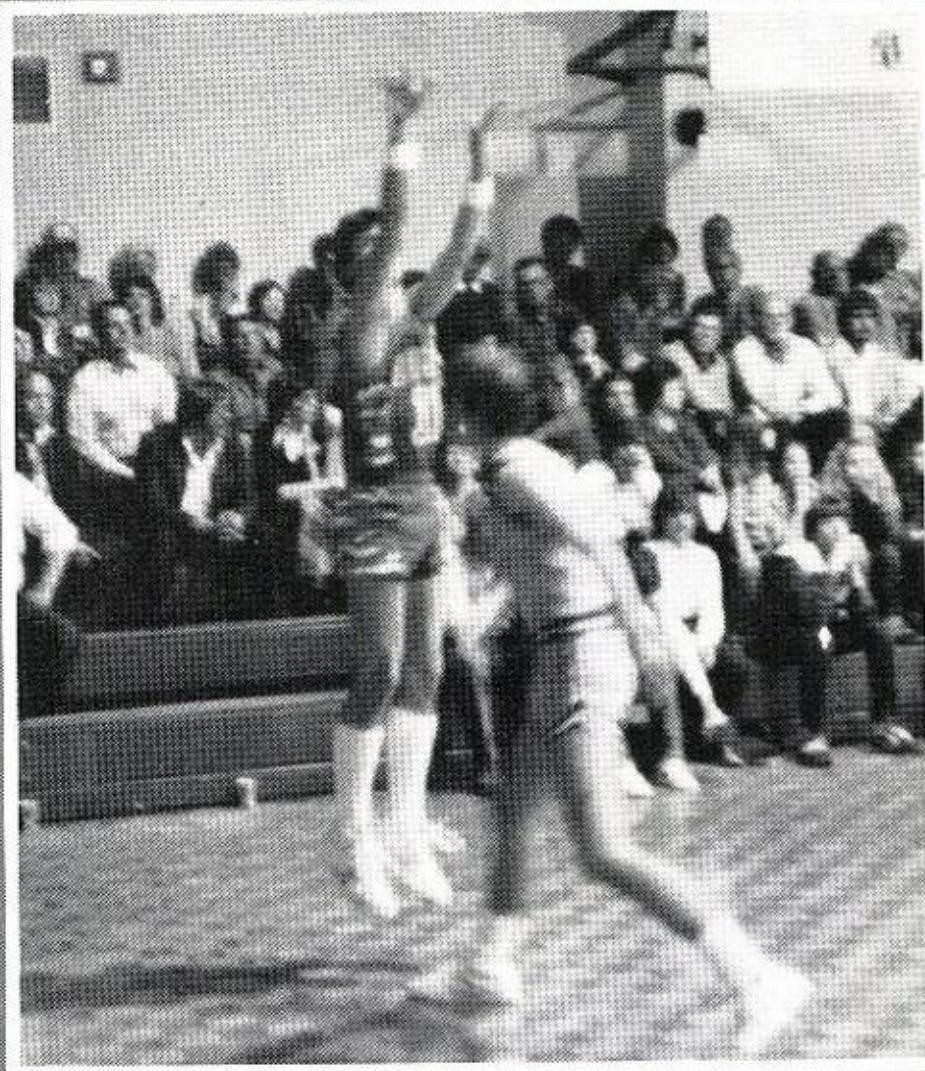

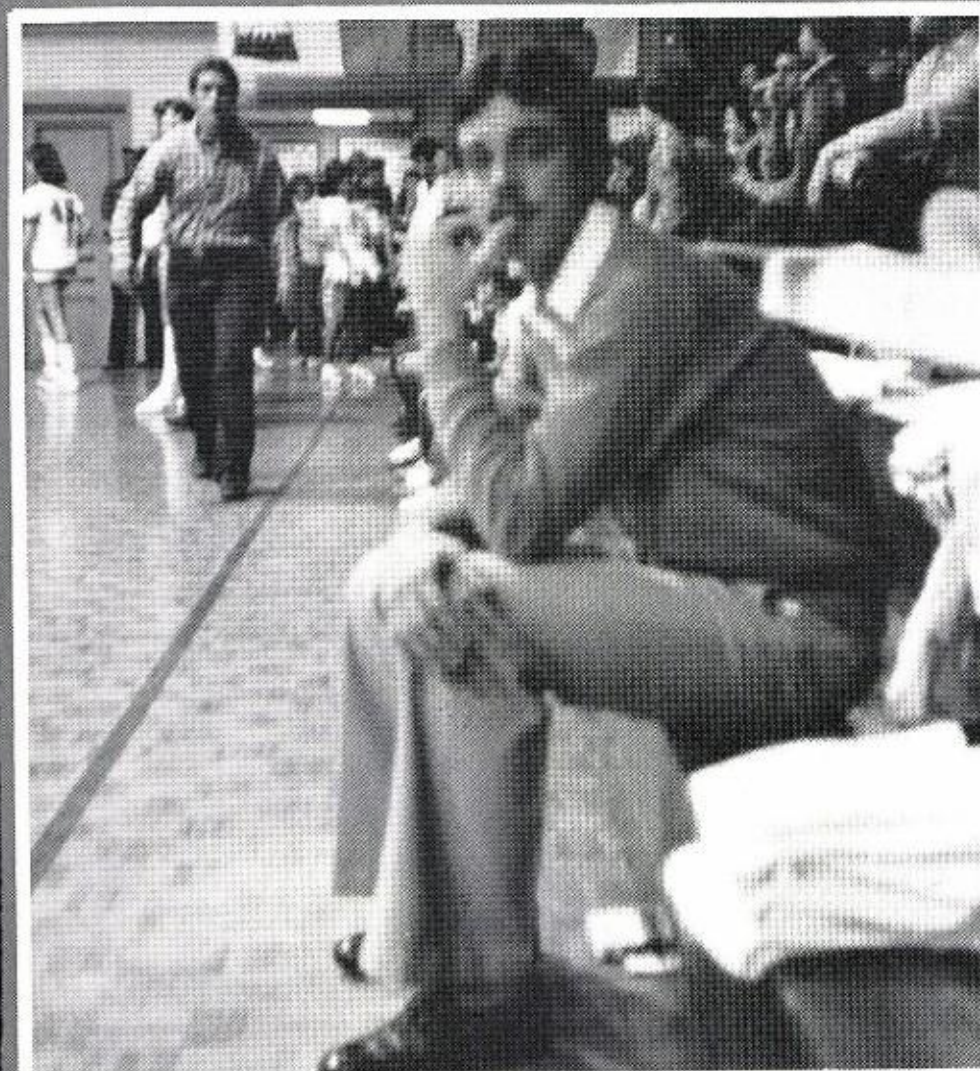

The 1982-83 Juniors include: (a) (left to right) Jason Gipson, Pat Green, Greg LeGrand, David Boone, and Trevor Montgomery. The other 1982-83 team members include: (b) (left to right) Ron Clemence-manager, Kyle Patterson-ninth grade, Joel Shilling-tenth grade, Jimmy Roberts-tenth grade, and Shawn Horton-manager.

1982-83

Girls Basketball

1974, 1979, 1980, 1981, 1982, ... Why are these years special? What makes them different from any other years in our school history? Who made them special?

Well, even though the whole world isn't turning their heads most people in the state of Louisiana would crane their necks to see the girls responsible for making these years special by winning one first runner-up, and four state championships. Certainly, they did a good job of making "winning" the name of the game at Trinity Heights by forming the highly respected reputation of our athletic program as one of the best in the state.

You may ask yourself, who led these girls down the long, hard road of success? Who kept them together when the going got rough? Who is still leading today? The man's name is Merle Gore, who has had a lot of experience when it comes to winning. Since coming to Trinity Heights, Coach Gore and the Lady Eagles have an enviable record of 215 wins and 29 losses (prior to the '83 season), which includes 3 straight state championships and a Shreveport-Bossier record winning streak of 84 games.

Coach Gore believes in setting high standards for his girls and can often be heard saying, "If you want to be a winner, you have to pay the price". He is joined this year by assistant coach Tony Bone who also helped to lead this year's football team to the state finals.

The girls definitely feel they are getting the benefit of the best program and staff around. They also feel that they can uphold the winning tradition at Trinity Heights.

Coaches Merle Gore and Tony Bone

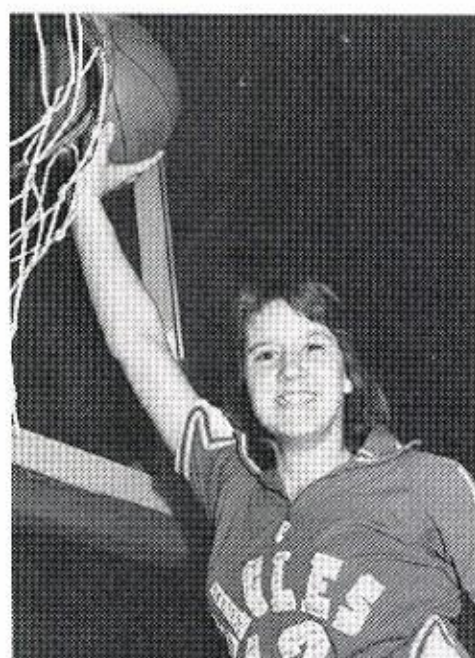

Kay Dick

Amy Douglas

Kay Farless

Teresa Howard

Seniors

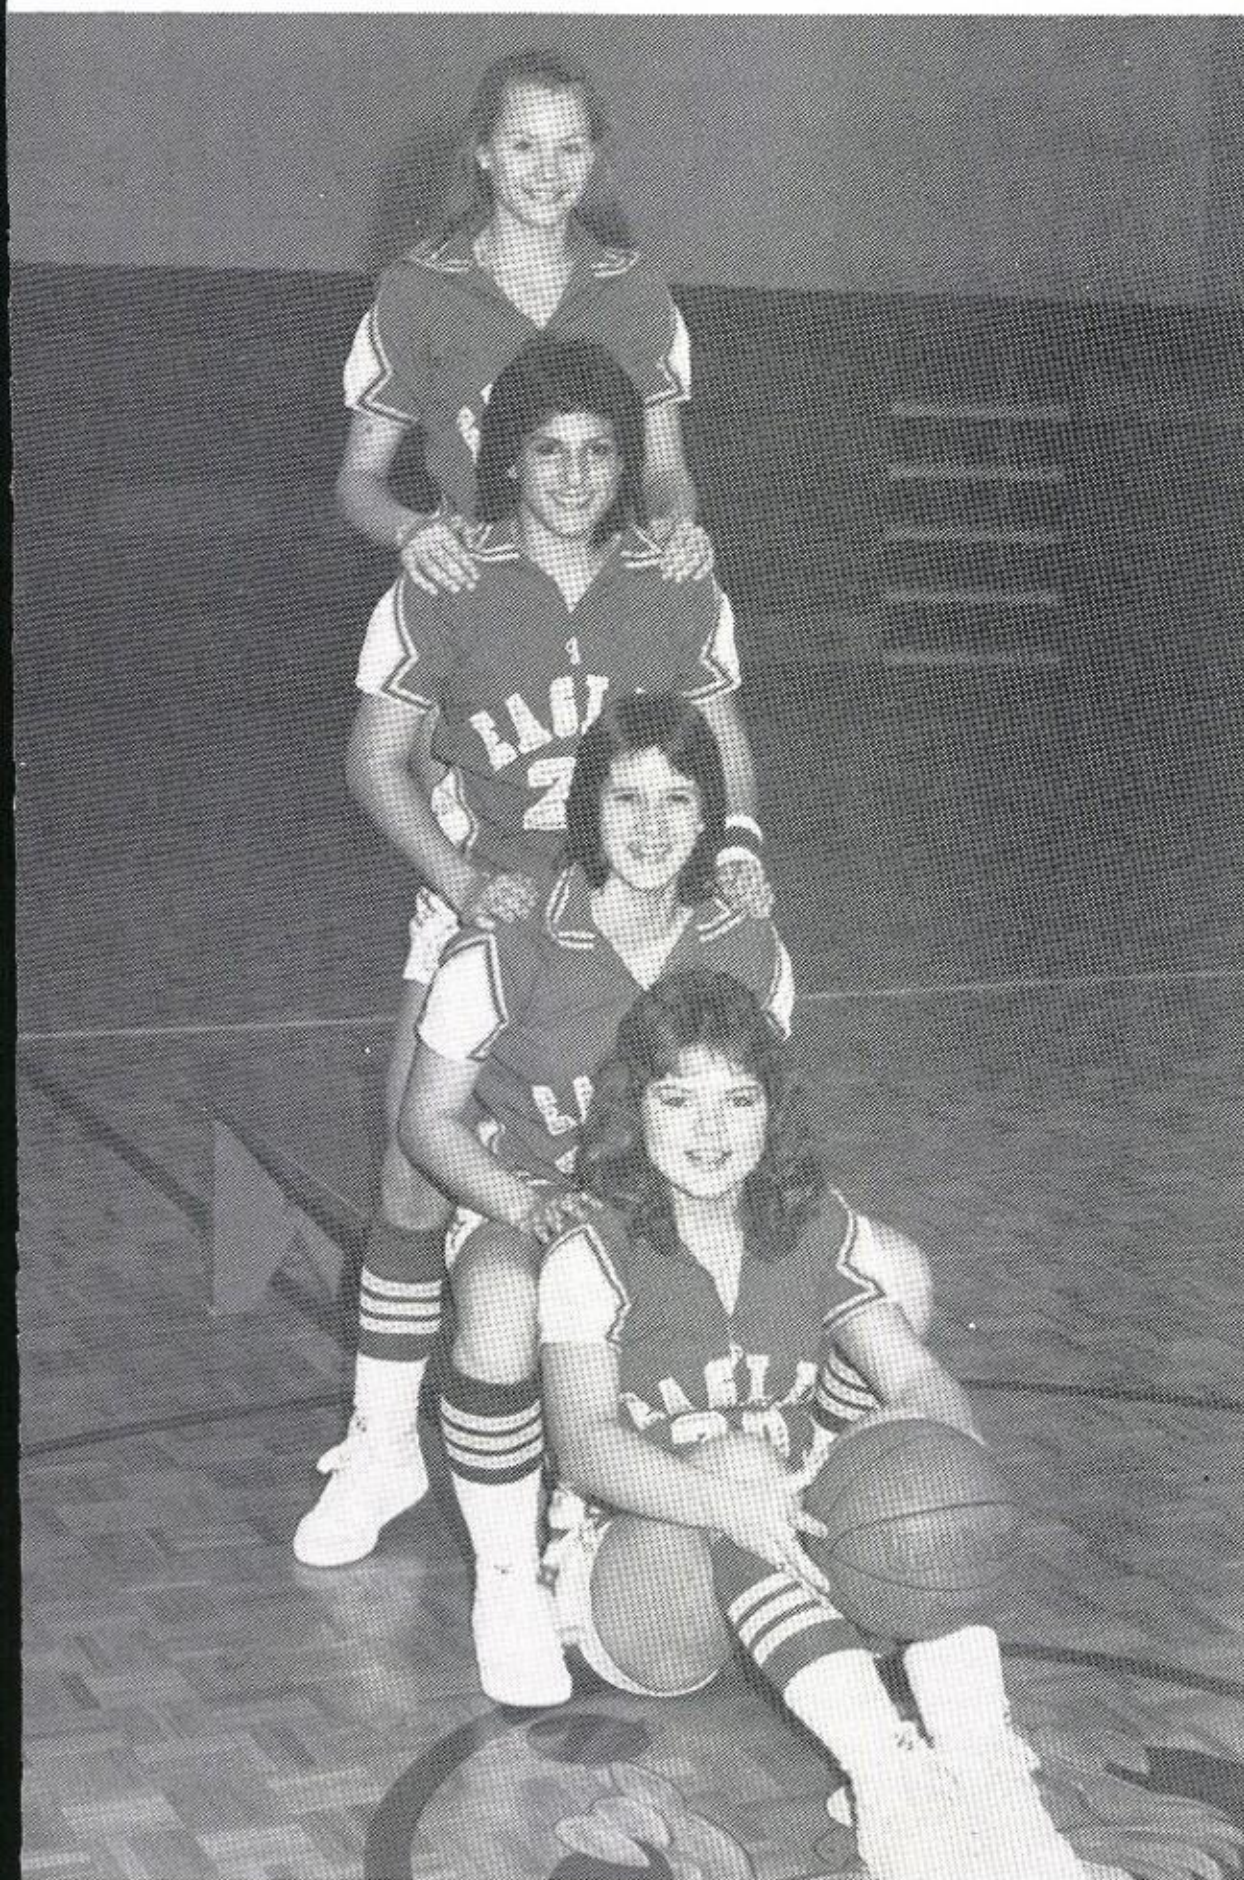

*Making decisions they know that will last,
Looking back satisfied into the past,
Reaching the end of their high school
career,
Knowing we'll miss them so much next year,
The seniors step into the future . . .*

Our senior players this year are outstanding leaders, talented athletes, and best of all, great people. As thoughts of them leaving after this year come to mind, there's sure to be a few teardrops following. Kay Dick's dedication, Teresa Howard's determination, Kay Farless' desire to win, and Amy Douglas' leadership have all made the team special this year for all the players.

Kay Dick, a starter since her sophomore year, was on the all-state team in 1982, and Kay was one of the first players ever to receive the Eagle Award as a junior.

All four seniors are also active in other sports, such as softball and track. They have all maintained high grade point averages and some have received academic as well as athletic scholarships. As you can probably guess, Kay, Teresa, Kay and Amy will be missed greatly next year. But, as always, the team will live on and continue to win.

*And when they are remembered
Either laughing in the hut, or working in the
gym,
Memories flood our minds,
Of how great it was with them . . .*

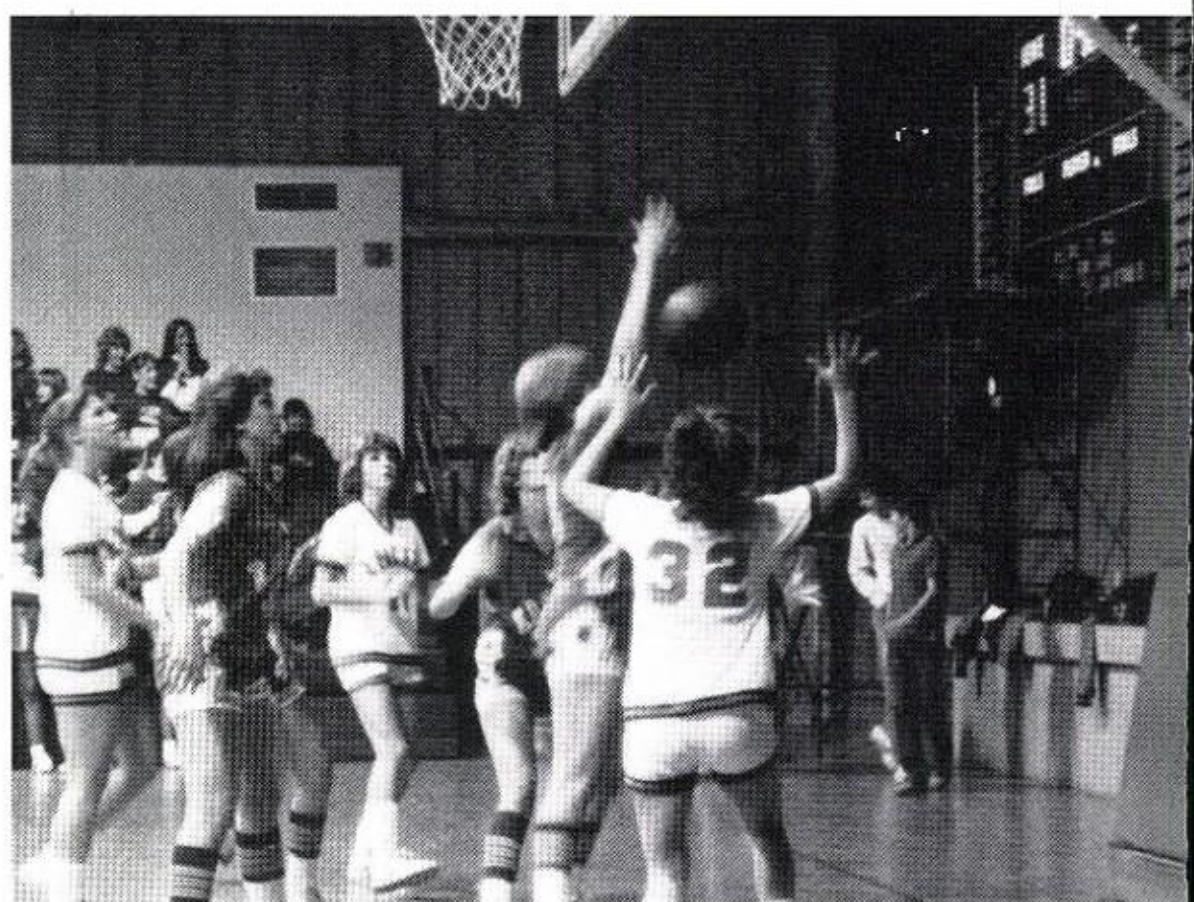

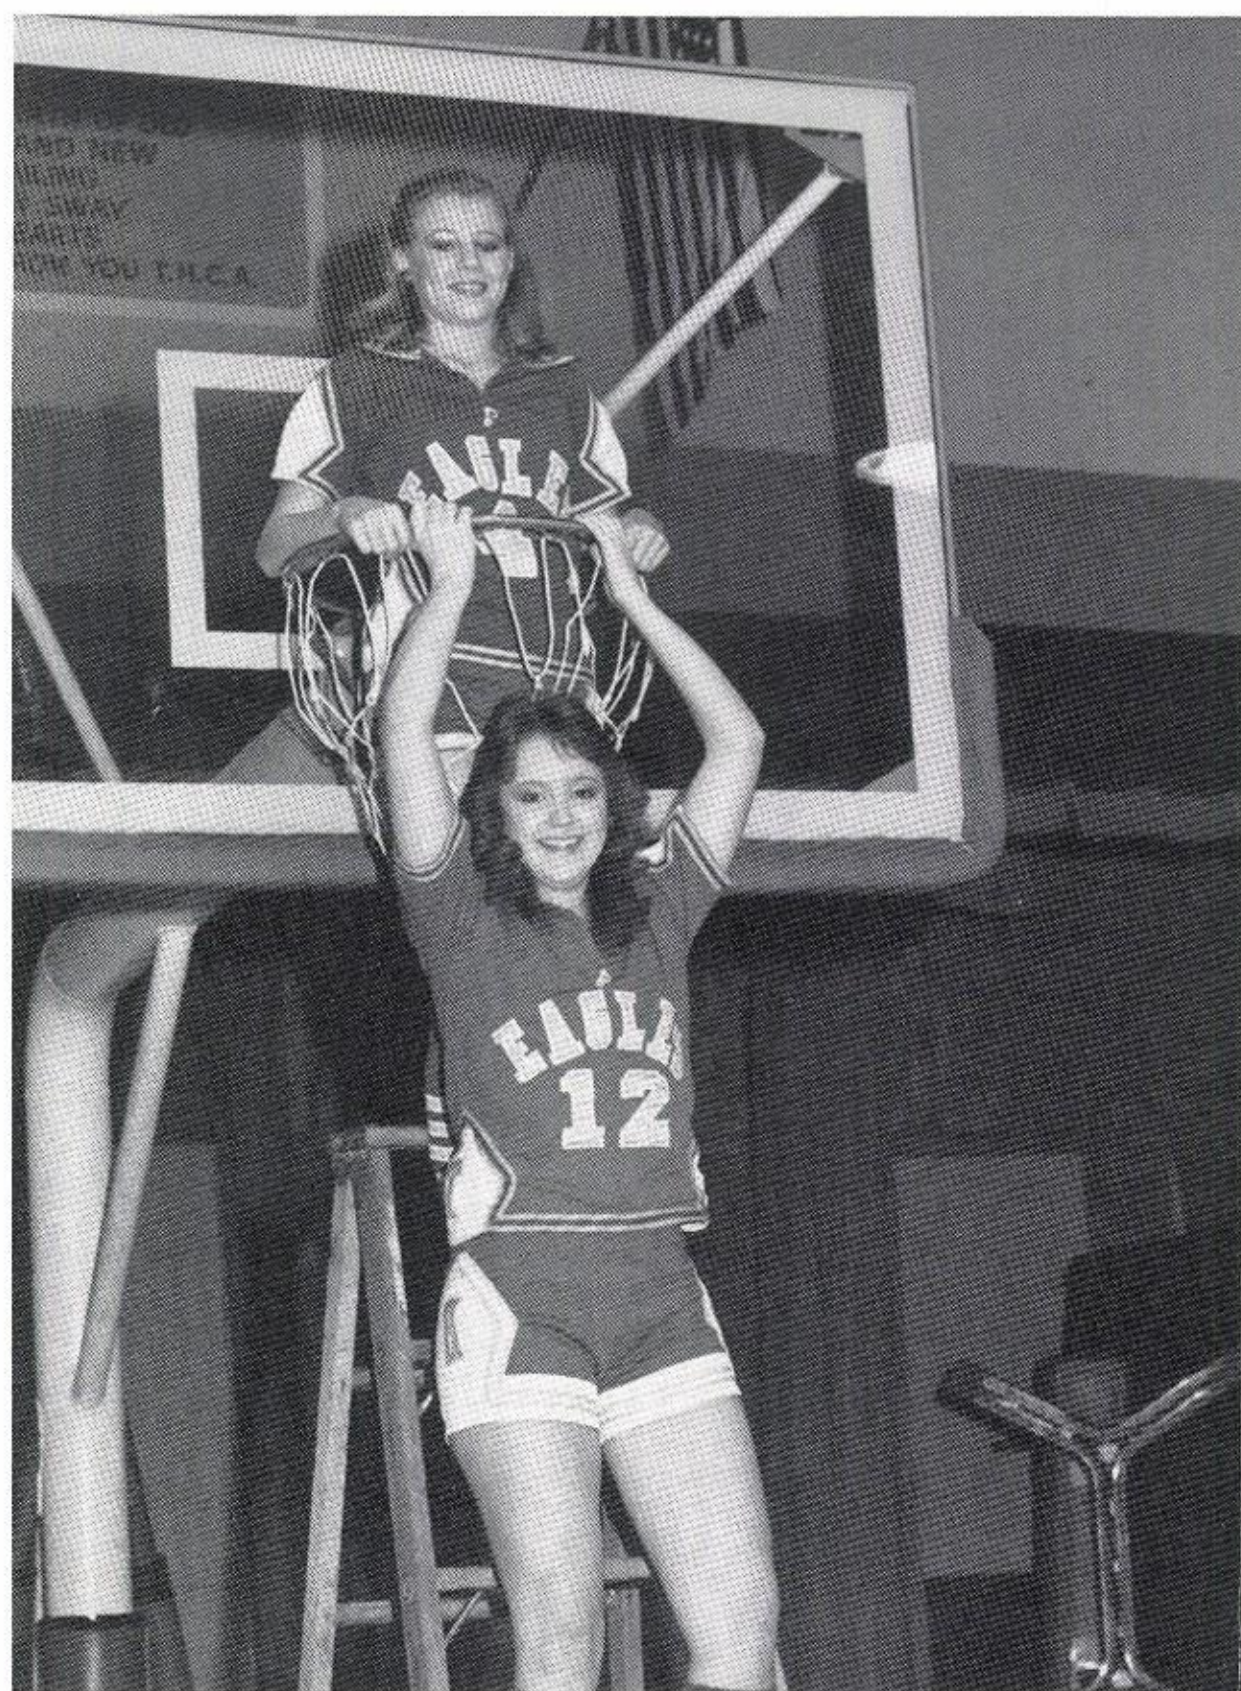

Juniors

Out of the 13 girls who played basketball with this year's juniors in 7th grade, there are only two remaining on the team. Out of the six who played in the 10th grade, only two remain.

These facts were not meant to imply that the juniors are part of a dying race! These facts were meant to illustrate the law of survival. No, the other eleven players didn't die, but their spirit and desire for basketball did.

Over the year's, this class has not been the only one to lose players. In the process, the ones who really want to play and really want to work for victory remain. Since this year's team is smaller than usual, there is no question of any individual's loyalty. (Not to mention the added space in the hut).

The two remaining juniors, Kim Dominick and Becca Golsby, plan to be next years two remaining seniors. With their dedication to the game, next year's team can be nothing less than great.

Sophomores

Freshman are excited because it's their first year in high school!

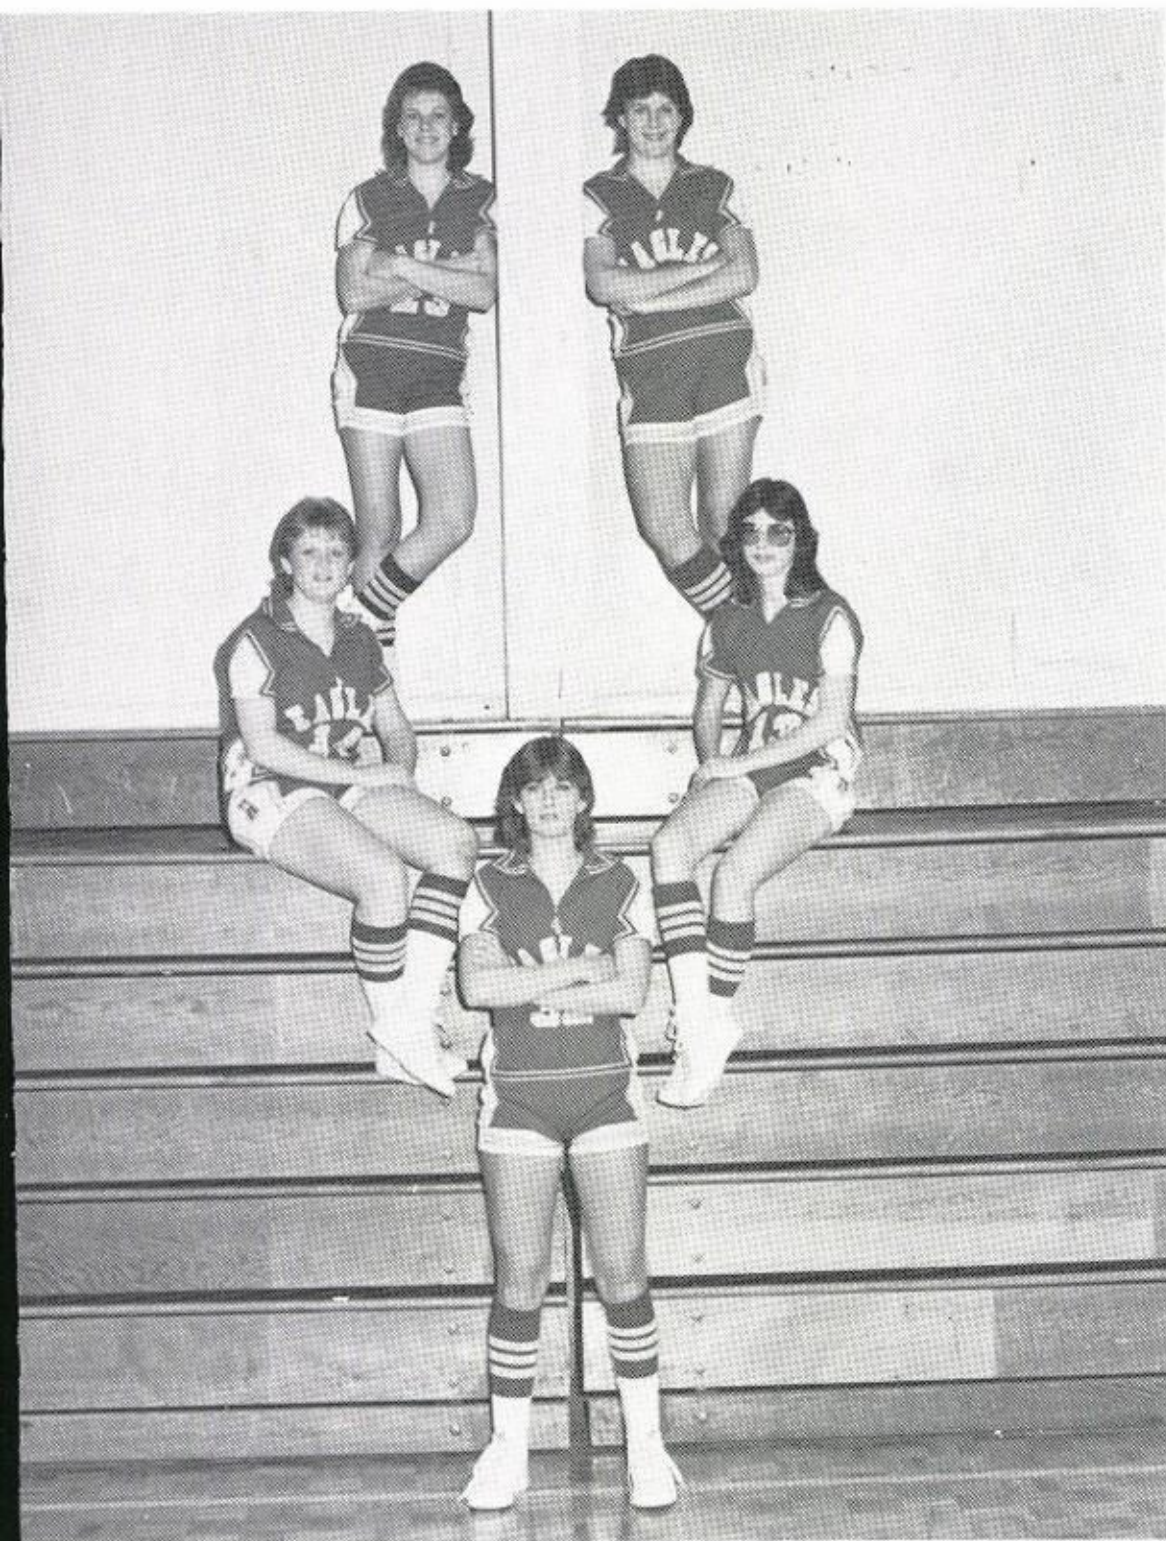

Juniors are excited because next year's their senior year!

Seniors are excited because it's their last year in high school!

Sophomores — well, they're right in the middle. But this year, the Sophomores on the team have created their own excitement. When you've got a combination of Casey Cassel, Jan(Fish) Davis, Debbie Watts, and Debbie Harrison, you can't help but sit up and take notice. The whole team feels that practice would be dull without them.

Two of the five Sophomores are starting this year: Debbie Watts and Kelly Cooper. and when Coach Gore wants good reserves, he looks to the rest.

All of the sophomores plan to attend T.H. next year, and continue contributing to the team.

This year's managers are Alice Lynch and San Allen. The team would like to thank them for their help this year and let them know that they are appreciated. Sometimes the managers are overlooked because they don't appear on the court. But what they do off the court enables the team to operate smoothly, and usually, with no problems. Keeping up with the water bottles, towels, shot charts, medicine kit, basketballs, and scorebooks all at one time is quite a tough job.

It's also the little things that makes a team thankful for a manager. For example, an encouraging word during a time-out, lifts a player's spirit and restores confidence. The managers often help the players out in other ways, too. How many times have you seen the manager rush to the dressing room during the pre-game warm-up only to reappear with a pair of shorts one of the players forgot to put on under their warm-ups? Yes, little things count in basketball, and the managers keep things 97 smooth.

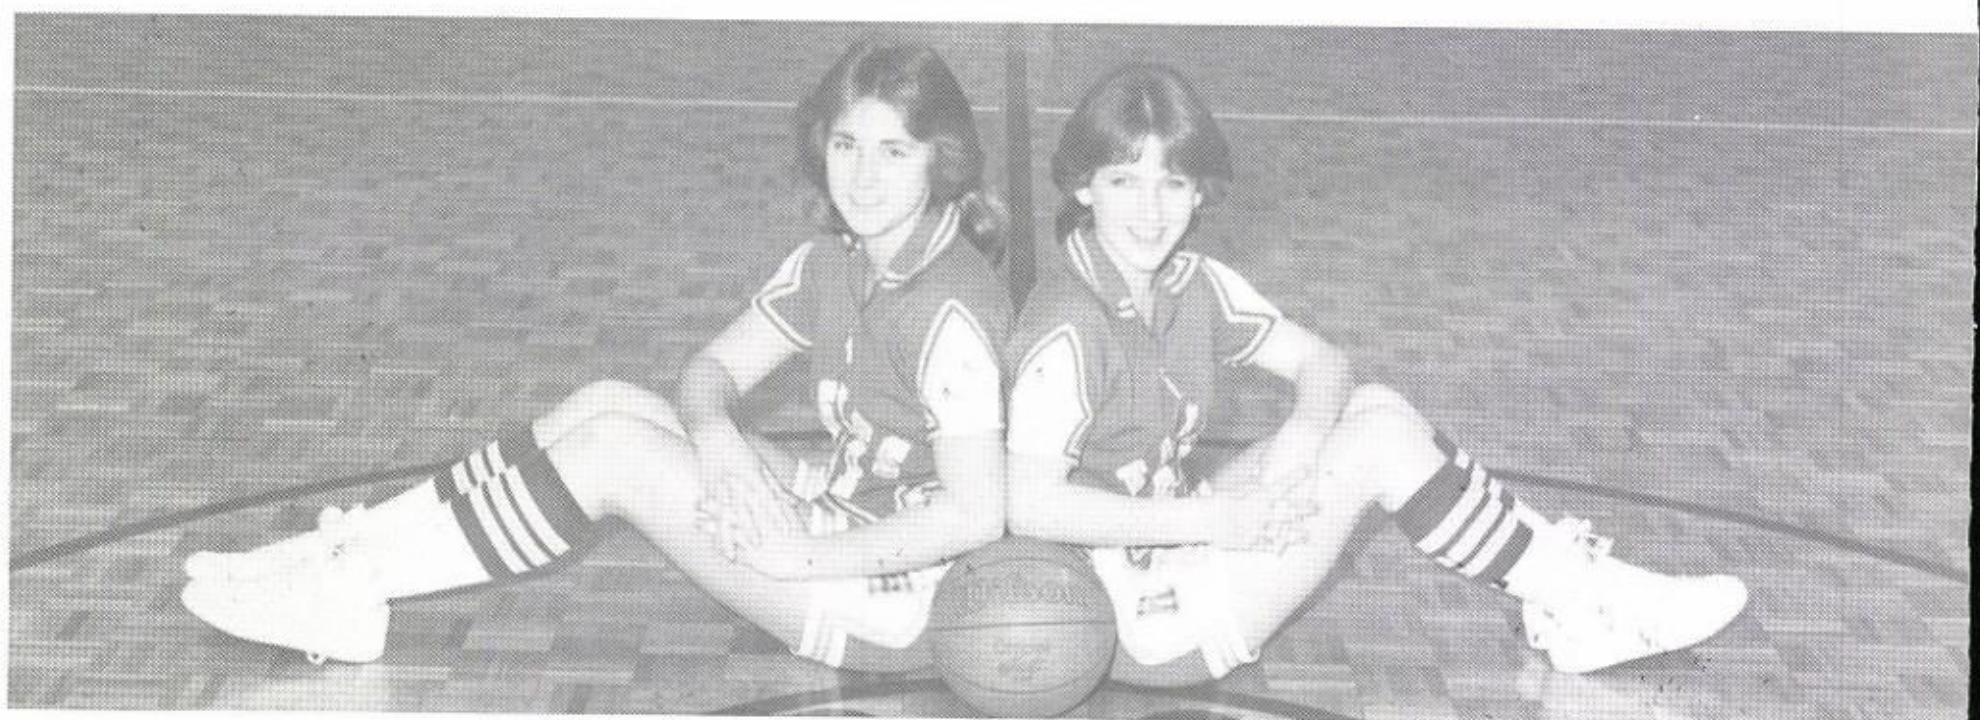

Freshmen

It's hard being a freshman. The dirty work seemed always to fall to you. You took orders without complaints, you're always last in line, you always had to fill the coke machine and clean the hut.

Well, it hasn't been too difficult for this year's freshman: Melanie Atkins and Kristi Dick. Actually, the whole team loves them. They seem to have that "Fresh" attitude that can't be mistaken.

As the freshman grow older and eventually lead the team, the attitudes, personality, and traditions of the upper classmen are passed along to them. Melanie and Kristi are eager to move up and become tomorrow's leaders.

Call it courage. Call it guts. Call it desire. There are many names for it, but what is it really? This undefinable quality that makes a person put out that extra something just when it seems there is nothing left to give?

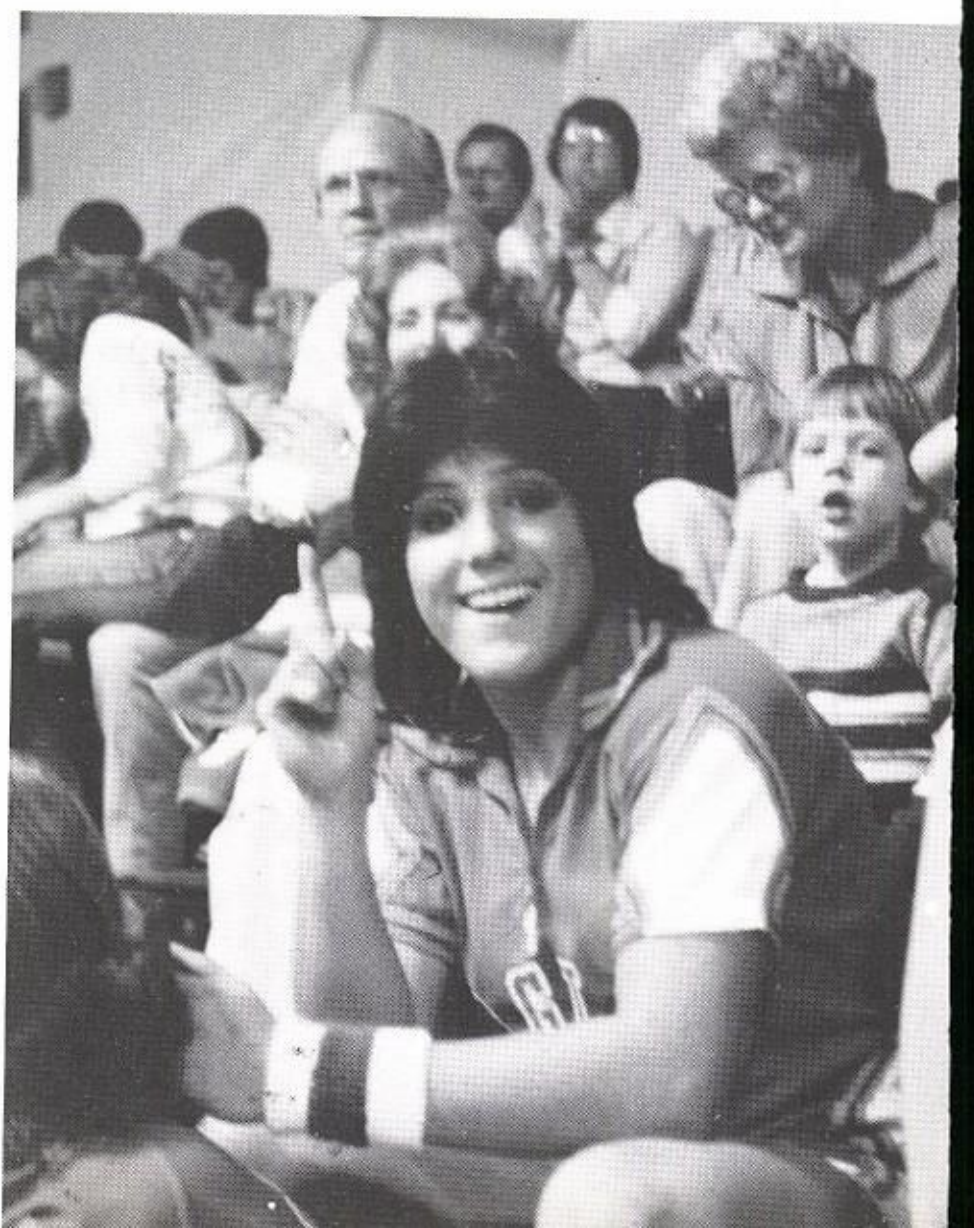

It takes courage merely to stay on the team. It means willingness to suffer, to sacrifice, to work harder than other teams. It means you ran the plays a few more times, practiced the foul shot a half-hour longer; it means you got home a little later, a little tired, a little hungrier, and with a few more aches and pains. It means you ran the last sprint as fast as you could even though you felt like you'd run forever. Maybe you thought it wasn't worth it. Maybe you considered not trying any more or just quitting the team altogether. But you didn't. That is courage.

It takes courage too, to become a champion in any sport. It not only means you played better, it means you played harder, sacrificed more, practiced longer, gave more of yourself, and had more courage ... guts ... desire ...

A winning tradition at Trinity Heights was started ten years ago, and reached a peak in 1980. This success was not accomplished by accident. To play good competitive girls' basketball, much preparation is needed. A player must devote many hours and days to practice.

That's where we come to this year's team: a group of 13 young athletes and 2 coaches striving toward a goal-never to give up. Says Coach Gore, "I have never coached a team that hustled and tried as much as this year's team."

Whether it's taking an easy victory, or playing three tough games in one day, the Lady Eagles have the desire to pull through on top. You could call it a "burning desire to win." by: Becca Golsby

Baseball And Softball 1982-83

Back row) Tim Adgate, Rusty Pipes, Larry Janes, Steve McClure, Mark Lambert, Scott Tobey, Pat Green. (Front row) Rickey Dees, Ron Gipson, Lisa Bussell-Manager, Mark Allums, Brad McDonald, Scott Tabler

The 1982 baseball team, coached by Buddy Sayes, and Mr. McClure, was nine and one during their regular season. The Eagles won in district over Plain Dealing, but lost to Glenbrook in the quarter-finals. All district players include: Brad McDonald, Gary Gill, Mark Allums, Mark Lambert, and Steve McClure.

In district Mark Allums had the highest batting

average, and Steve McClure was named co-Most Valuable Player.

Last Year's softball team coached by Merle Gore and Dickie Gibbs, had a difficult season. In the 1983 season, however, the girls plan to improve their record.

1982 Varsity Track

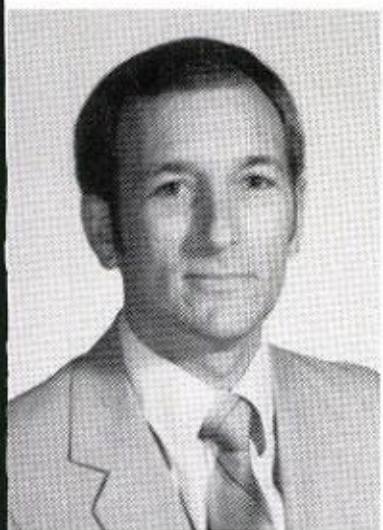

The 1982 varsity girls and varsity boys both placed 2nd in district and 5th in state. They did a great job and had an outstanding season.

Teresa Howard, Kay Dick, Becca Golsby, Kay Farless.

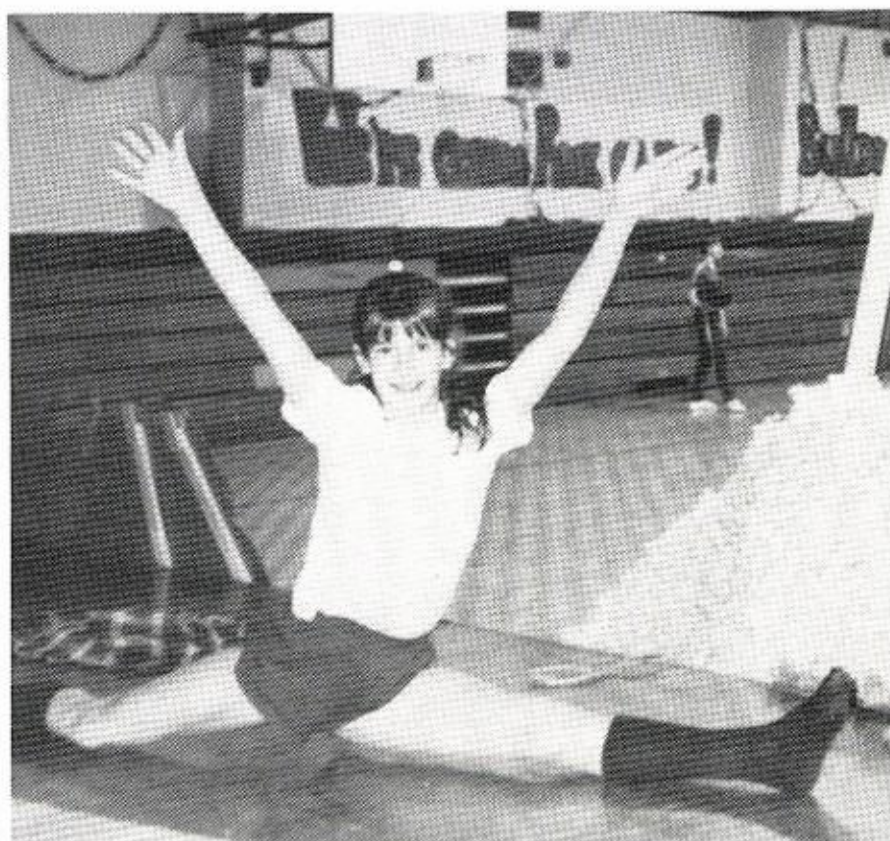

Standing: Tim Adgate, Larry Janes, Ron Gipson, Greg Corley, Jerry McClain, Seated: Chris Spain, Jasnn Gipson, Jimmy Roberts, B.J. Davis, Not Pictured: Rusty Pipes.

Gymnastics

This years gymnastics program ranged from grades kindergarten through tenth and was instructed by Mr. Neal King, pictured above left. The program is strictly recreational and does not participate in gymnastics competition. However, the students are instructed in the use of the trampoline, bars, floor, and mini-tramp. The classes are designed for fun, safety, and skill building; and they prepare students for a future in gymnastics.

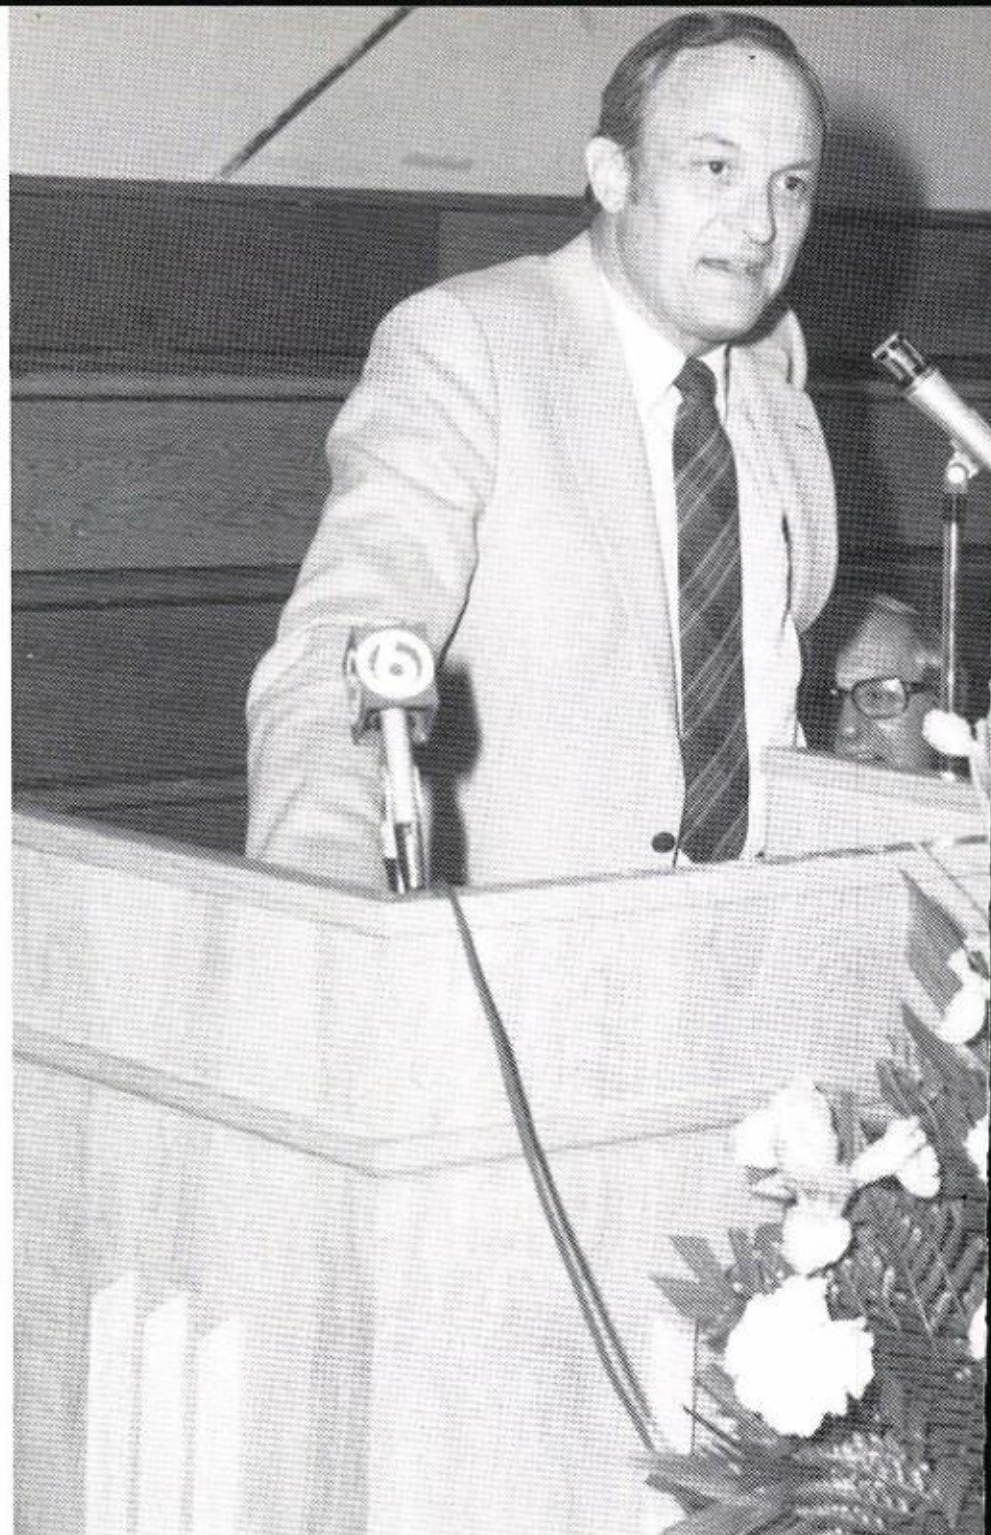

1982 Athletic Banquet

The 1981-82 Sports Banquet was presided over by Athletic Director Merle Gore. Dale Brown, Louisiana State University's head basketball coach was the guest speaker. Entertainment was provided by Trinity Heights students Mimi Golsby, Kay Dick, Teresa Howard, Greg Corley, and David Hoffpauir. Mr. Kim Hall directed.

Student Coaches Tim Tobey and Mike Whitler introduced the members of their Junior High girls' basketball team.

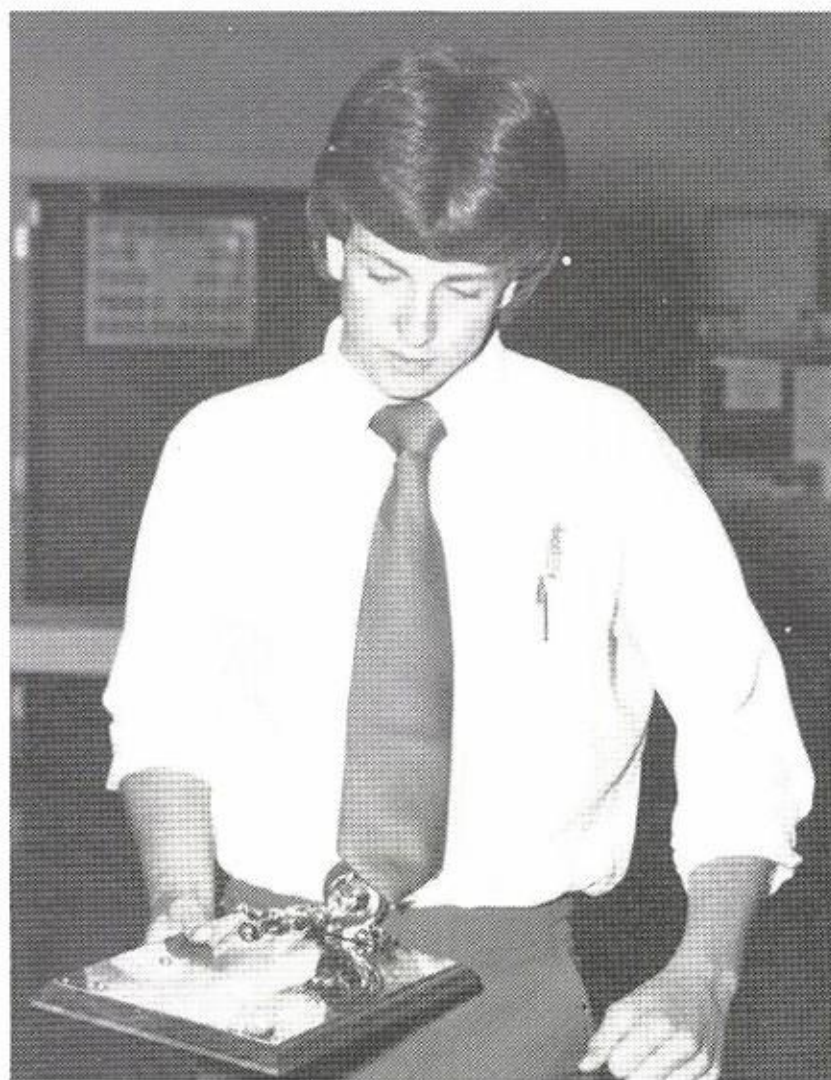

Three Eagle Awards, two Outstanding Player Awards, two Most Valuable Player Awards, and one Spectator Award was presented.

Jammin'

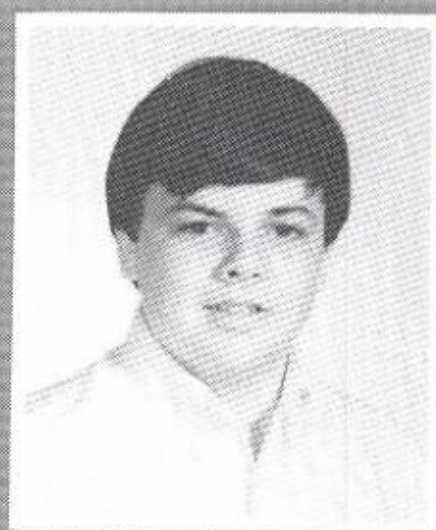

Juniors

This year's Junior Class proved to be one of the most unique classes at THCA after a semester of a real drive of SPIRIT, they held second place with only a small margin to keep them from being the first place over-all winner. They participated in school competitions. Taking third place among the floats for Homecoming, and taking first place in the Christmas window decorating contest.

Class Officers: Sherri Ducote-Secretary, Brad McDonald-Vice President, Jason Gipson-President, Erin Evans-Treasurer

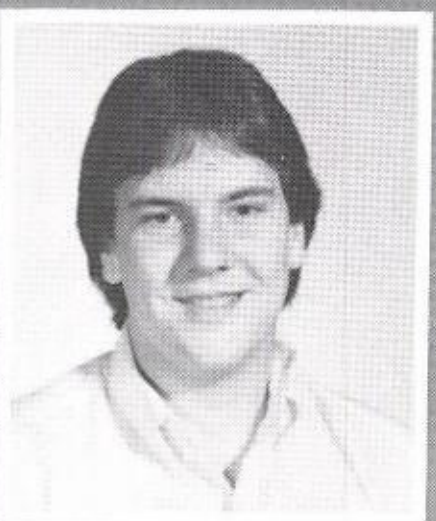

Plans for the prom were completed with everyone on Cloud 9, as the band FRESH played appropriate music on Friday, April 22. To pay for this, the Junior Class sold thirty cases of M & M's raising about \$500, and also held car washes. On May 13 these Juniors will officially become Seniors as they receive their class rings. For this occasion, they will perform a skit honoring the 1983 graduates. All in all, it was a very rewarding and fun-filled year. The Juniors will always remember the wild and crazy times of their Junior year at THCA.

Sophomore

The 1982-83 Trinity Height's Sophomore class started the school year off in style. They began by winning first place in the Homecoming float competition. Their float displayed Tila Young, the sophomore maid, "swinging into a tropical paradise" under a bamboo gazebo. The Sophomores further promoted school spirit by receiving first place in the truck decorating competition. Another display of school spirit by the sophomore class came when they won second place in the Christmas window-painting contest. Along with their sponsor, Mrs. N. Brown, the sophomores are looking forward to an even better junior year. Sophomore officers are: Casey Cassel, Pres., Brian Wreyford Sec. and Treasurer, Sonya Lawrence, Vice Pres., and Kelli Graham, Senator.

Freshman Spirit

This year's freshman enjoyed their first year of high school and they are looking forward to their sophomore year.

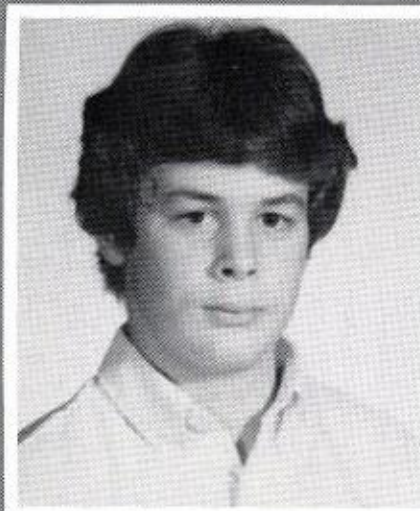

The freshmen commented that the Homecoming activities were a very exciting way to start off the year. They were represented by DeAnn Craig as freshman maid. The freshmen spent a lot of time working on their float at DeAnn's house.

The Thanksgiving holidays were highlighted with their Turkey Court representatives; Lynn Cramer and Tim Briery.

The freshmen wish to congratulate Christie Tucker and Michael Roberts for being their class favorites. They would also like to thank Miss Butler for all of her time and patience spent in helping them to have a great year!!!!

Style Show

And now, here it is! The 1983 FHA Style Show! On February 10, 1983 the 1982-83 Future Homemakers of America presented a style show featuring the Home Ec. students and some of the clothing that they had made during the year. The Style Show was presented to the girls in grades 8-12, teachers, and parents. The emcee was Mrs. Dyess. The Style Show also featured a luncheon prepared by Mary Ellen Methvin. The luncheon included a Baked Potato with a choice of shrimp creole or cheese sauce toppings, a combination salad, chocolate delight or lemon delight deserts, and iced tea. Much thanks to Mrs. Dyess and the FHA students for doing a spectacular job.

New Faces Arrive In Time For Mardi Gras

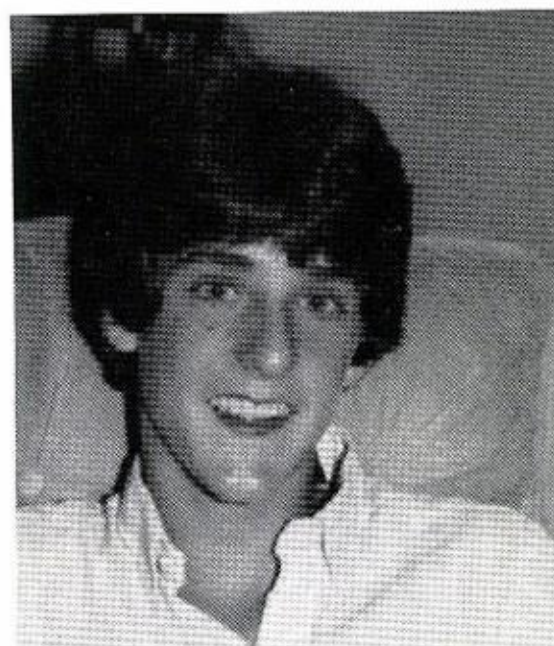

We would like to welcome to THCA five new faces. These people soared to new heights with the Eagles during the second semester of this school year. They arrived in time to participate in the Mardi Gras activities. WELCOME TO THCA!

Mr. Copeland

Ashley Faulk

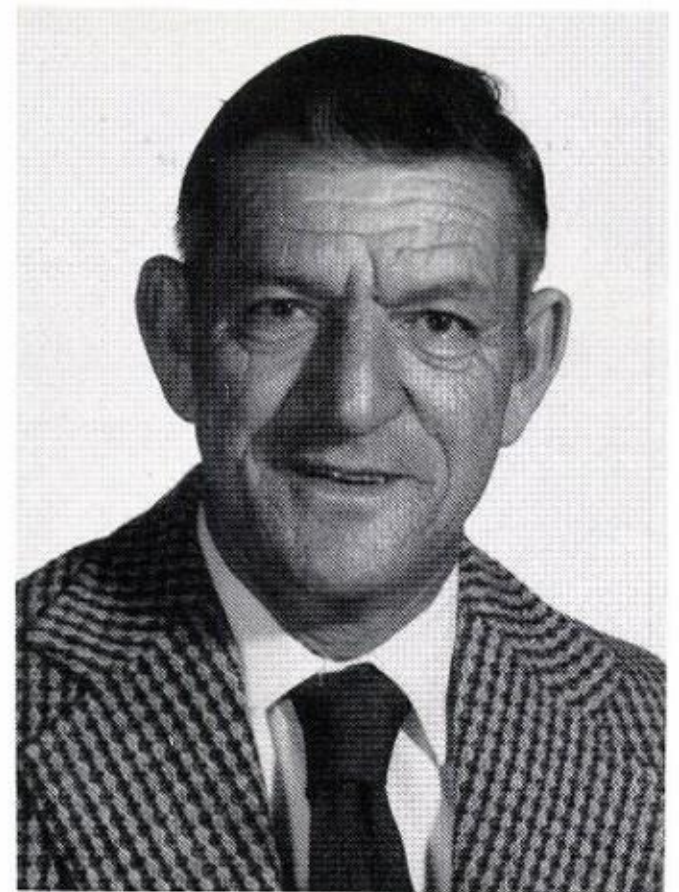

Patrick Weldon

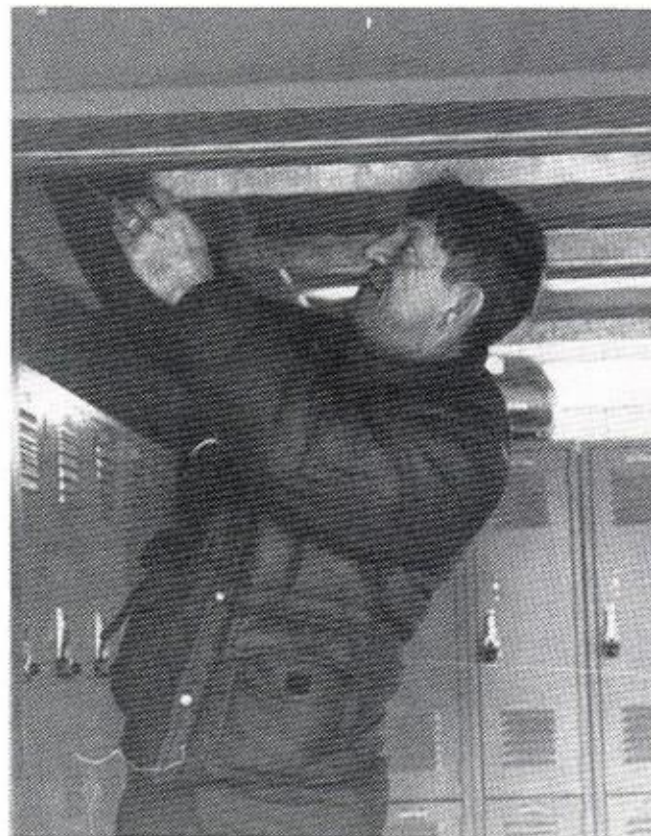

Barbara McCartney, Sue Glenn, Patsy Spain, and Linda Gipson, the "boss ladies" of the lunch room!

Mr. Seldon Bird, THCA's most valuable man.

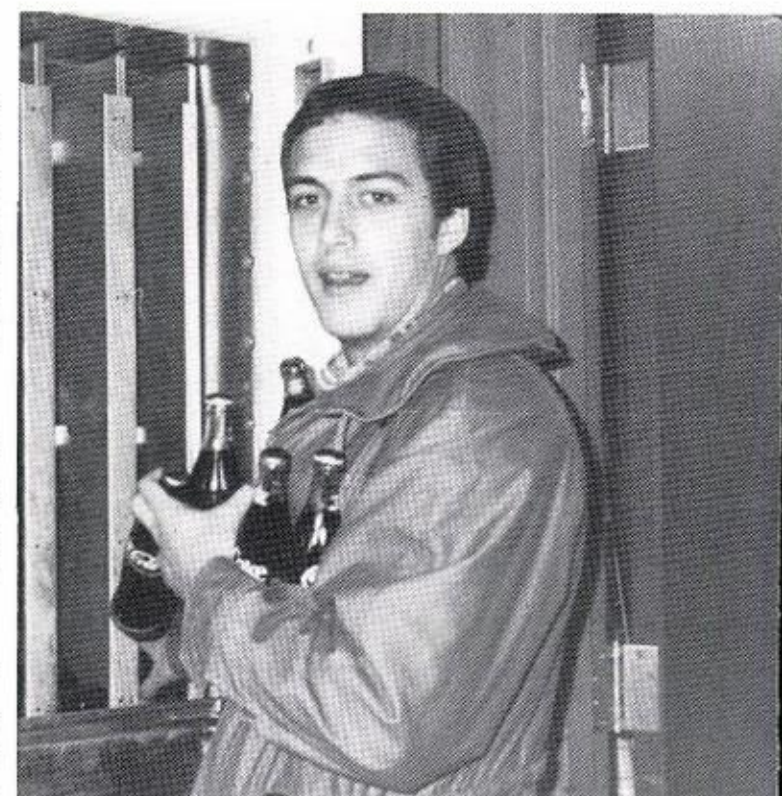

Behind The Scenes . . .

Mr. Seldon Bird has been the custodian and maintaine man for THCA for the past three years. He came to THCA after the sudden death of Mr. Buck DuBose in November of 1980. Mr. Bird has many duties that he has to perform daily to keep the school running efficiently and smoothly. He arrives at 6:30 am each day while most of us are still asleep. He then begins the tasks that get our school ready and rolling for its customers. Mr. Bird works year round, keeping all the lawns mowed and the buildings in good repair. He has done a great job for us and we hope he will be here at THCA for a long time!

The lunchroom staff this year has been a terrific group of ladies. For the fourth year in a row they have provided many of our students with good inexpensive breakfasts and lunches. The manager is Mrs. Sue Glenn. Barbara McCartney, Patsy Spain, and Linda Gipson also work in the lunchroom where they all share the various duties of running a "short order kitchen".

The lunchroom has special meals each week commonly called "plate lunches" which feature a hot well-balanced meal. They also prepare salads for the faculty every day except Wednesday, (usual plate lunch day). Set up and funded by the P.T.O. the profits are used to improve the school. Last year the profits went to provide such things as banquet tables, record players, televisions and athletic equipment. Thanks a lot, gang! We really appreciate it!

JUNIOR HIGH

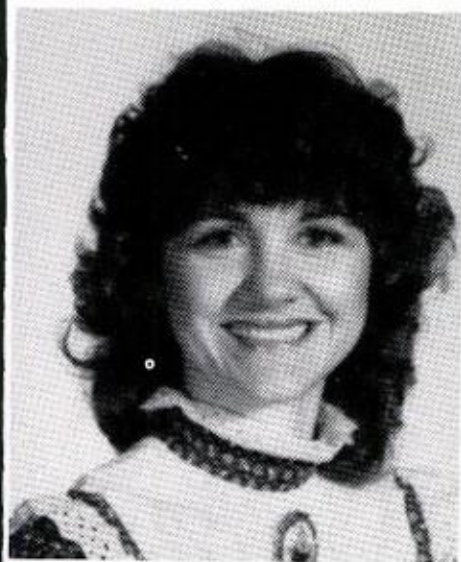

When deciding on a school to send their children to, parents often look at the teaching staff first. They are concerned with the kind of instruction their children will receive, and at Trinity Heights, they haven't been disappointed. If you ever walk into Mrs. Terry's room when her desk is piled high with papers and yearbook work, don't fail to notice the sign on her desk which was given to her by a student. It reads: "A cluttered desk is a sign of genius."

Apphia Terry has been with our school for eight years, and has been teaching for thirty. She has seven children, eight grandchildren, and her husband is pastor of the First Southern Methodist Church here in Shreveport. She has served on the federal grand jury, and as conference-wide president of the WMS. She also teaches at her church and holds a degree in religious education.

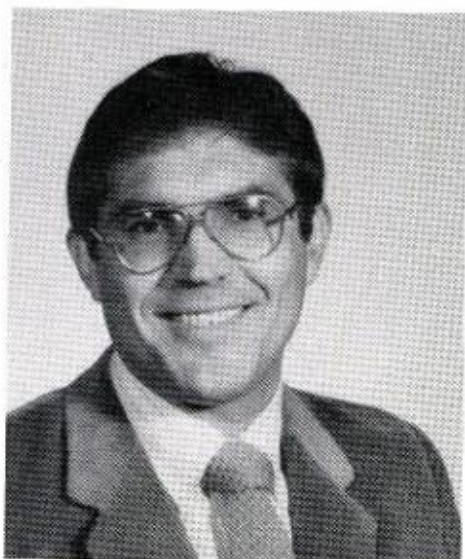

With all of this, you would not expect Mrs. Terry to have time to teach Jr. and Sr. High Bible and sponsor the yearbook, but she somehow does. Mrs. Terry influences over one-hundred students per year at our school, and many more at her church. In eight years, she has helped to shape over a thousand young lives, and she is greatly appreciated.

We would like to dedicate the Junior High section of the yearbook to Mrs. Terry and her husband who supports her in all that she does.

Jr. High Student Leaders

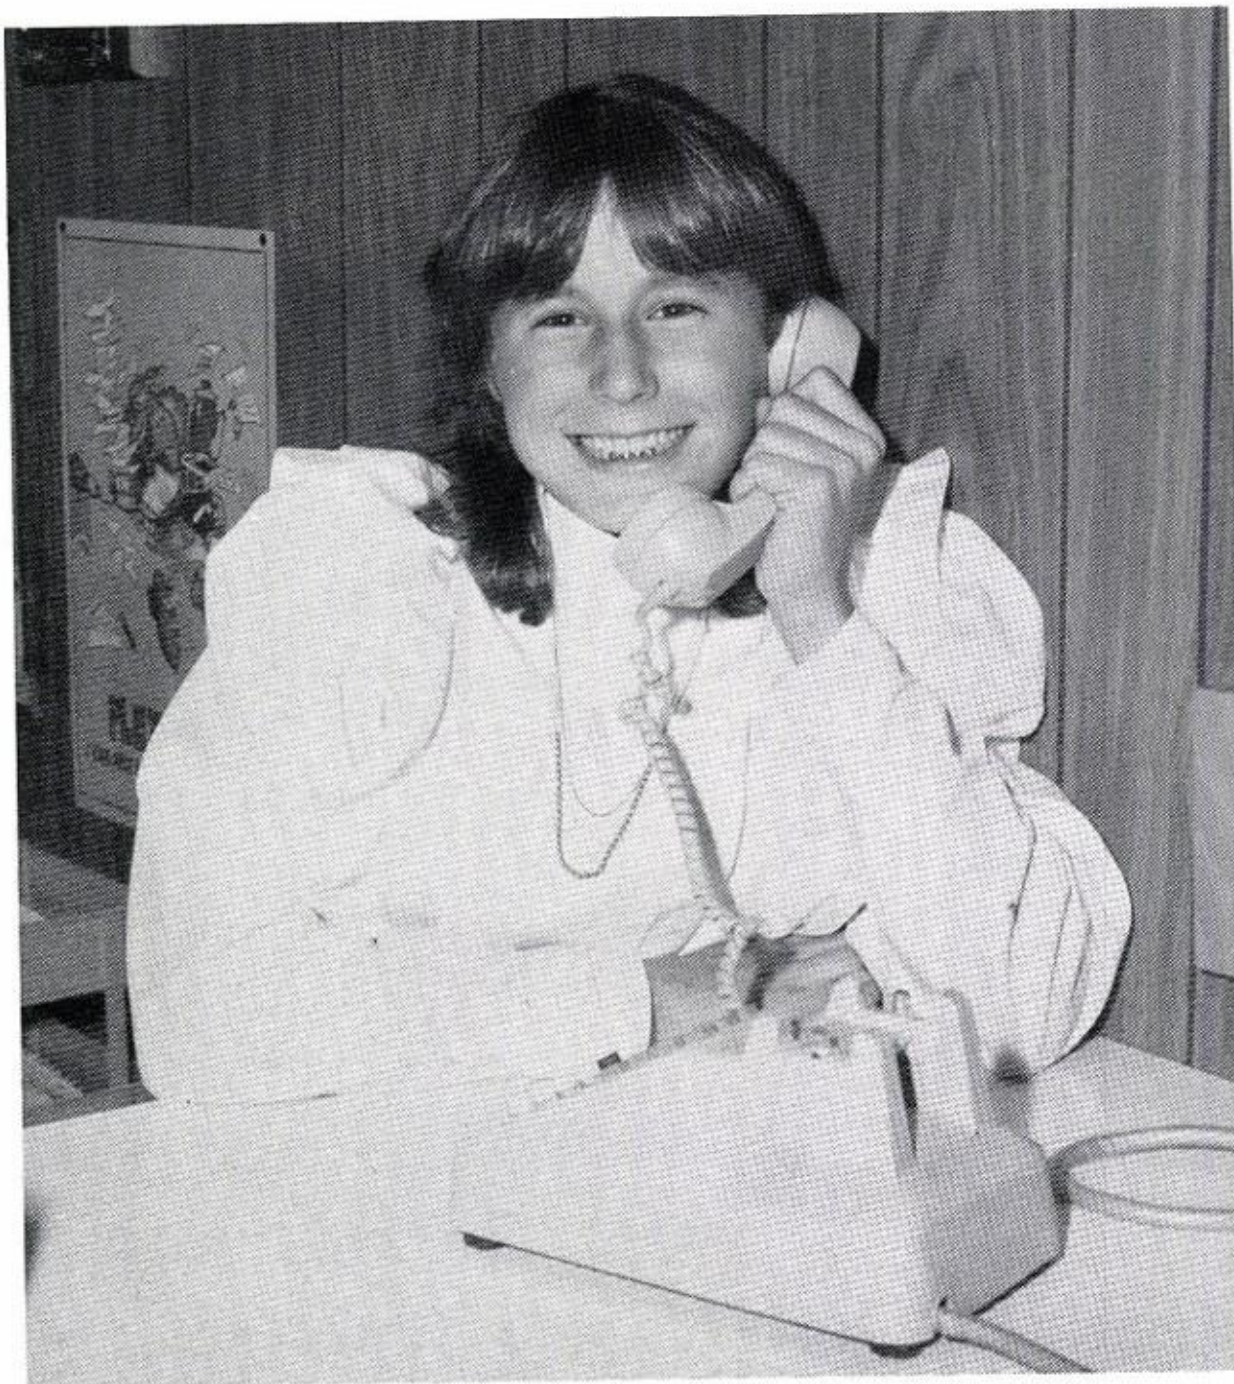

The Junior High SGA is an organization which has as its purpose the development of student leadership among the seventh and eighth graders. Members take various responsibilities for the betterment of our school. Among their responsibilities are the keeping of the Junior High quadrangle bulletin board up to date and the keeping of the Jr-High Quadrangle clean. For this latter activity all students from grade five through grade eight are assigned to "clean-up" duty for a period of one week. At the end of the week, these students are encouraged to scrub the tables and make things ship-shape for another week. These young people hold the annual election for the officers of the ensuing year. The activities of the year are closed with a banquet or other special gathering to install the new officers and to honor those who have worked diligently during the year just completed. For the past three years, the students have tried to make TRINITY HEIGHTS A MORE BEAUTIFUL PLACE IN WHICH TO LEARN.

Mrs. Apphia G. Terry, Sponsor

Shelly Gipson, Head Cheerleader

Josie Johnson is President of the Junior High SGA. She is an eighth grader.

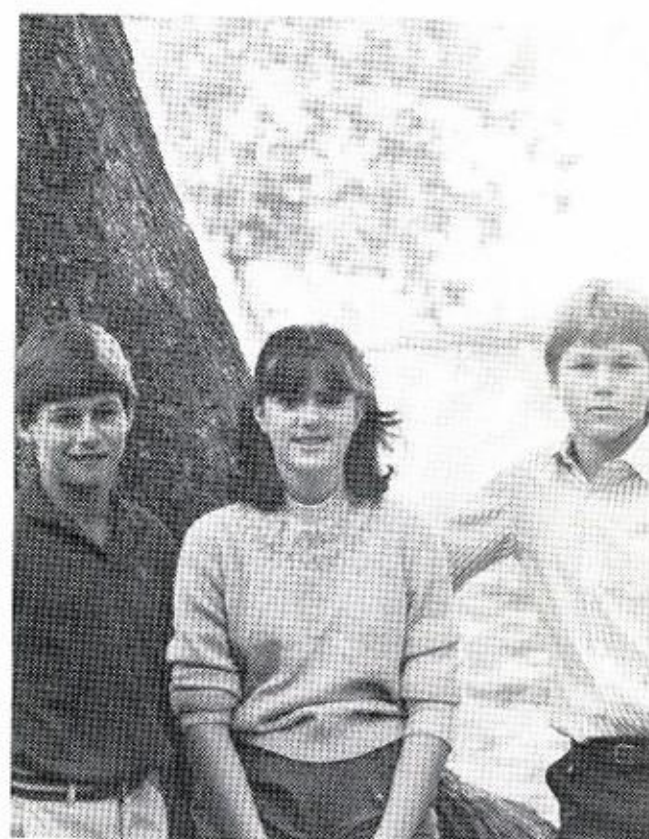

Seventh Grade Officers: Missy Bankard-vice-president, Wilford Dempsey-President, Melis Greening-Secretary Treasurer

Junior High SGA. (Front Row) Josie Johnson-president, Scott Ryan-treasurer, Stacy Pickard-Secretary, Mendee Allen and Bridget Bahm-co-editors Mini Notes. (Back row) Michelle Byrd, Tammy Anderson, Wilford Dempsey, Karen Atkins, Hank Johnson, Brad Batte, Melisa Greening, Missy Hankard. Those absent included Macy Flash and Allan Gray.

Junior High SGA leadership includes: (Front Row) Stacy Pickard - Secretary, Scott Ryan-treasurer, Mendee Allen-Co-editor Mini Notes. (Second Row) Bridget Bahm- Editor Mini Notes, Allan Gray-First Vice-president, Josie Johnson-President. (not pictured Macy Flash-Second Vice-president.

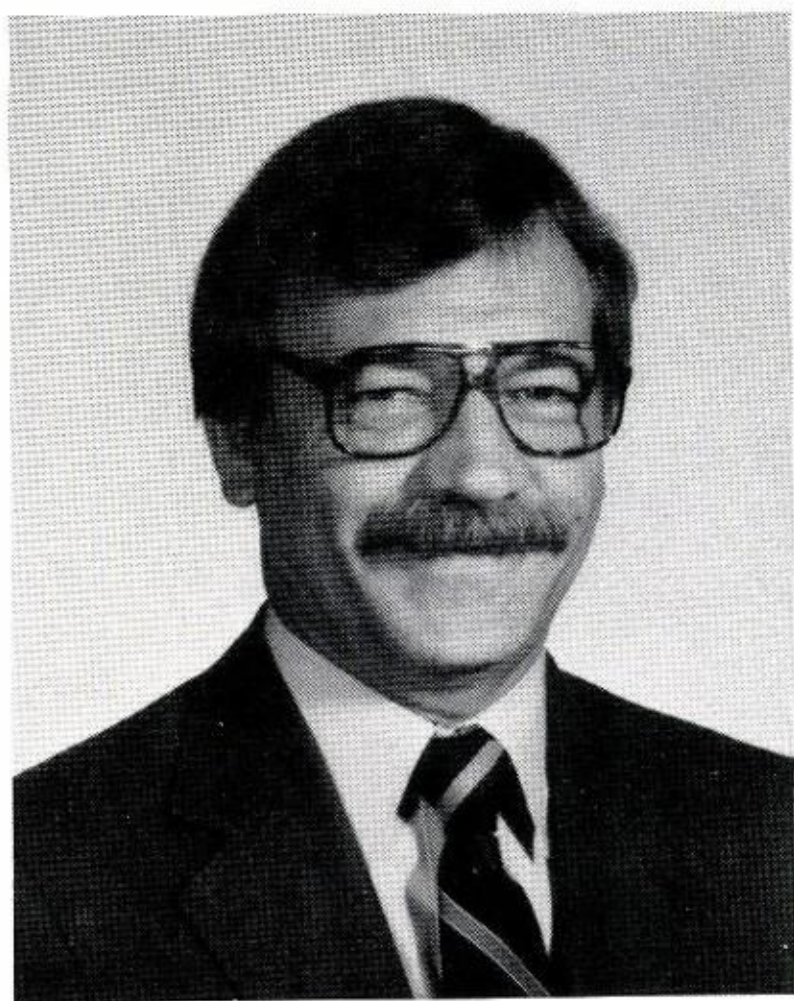

Eighth Grade Officers: Brad Dominick- vice president, Michelle Byrd- secretary-treasurer, Neil Carlisle- president.

4-H Club

The THCA 4-H Club is a community service organization. The members participate in projects for the good of the community. The club meets once a month to discuss past and future projects for the betterment of the individual and the Community. Mr. Charles Metzger is the 4-H Club sponsor. Their motto is: I pledge my head to clearer thinking, my heart to greater loyalty, my hands to larger service, and my health to better living for my club, my community, and my world.

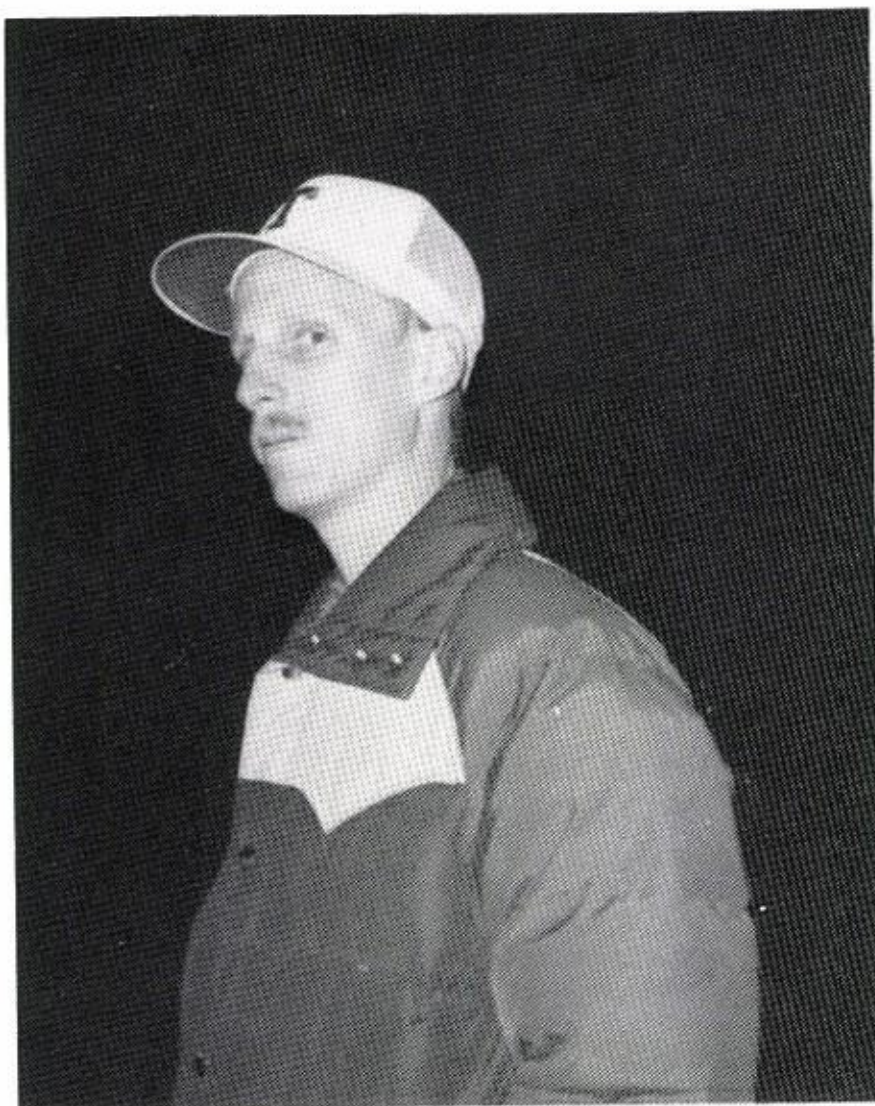

Officers: (left to right) Chairman-Susan Stickland, Treasurer-Bridget Bahm, President-Jana Bell, Secretary-Michelle Byrd, Vice President-Scott Ryan, Reporter-Jeff Lynn.

The 4-H Club members would like to thank Mr. Metzger for his time, his help, and his support.

Jr. High Boys Basketball

The Junior High Boy's Basketball Team, coached by John Martin, (the one in the mustache), has both the potential and will that a good team needs. Under the leadership of Coach Martin, they learn not only the basics of basketball, but excel in every aspect of the game. These young men give their best, work for the best, and expect only the best. With that determination, who can doubt them.

Jr. High Girls Basketball

Girl's sports is becoming a popular thing, especially basketball. This Junior High girl's basketball team is a prime example of the kind of sport which can encourage excitement and enthusiasm. Coached by Tony Bone and Merle Gore, these girls are showing the initiative that takes people to the top, and you can expect to see these girls starting on the varsity team in just a few years.

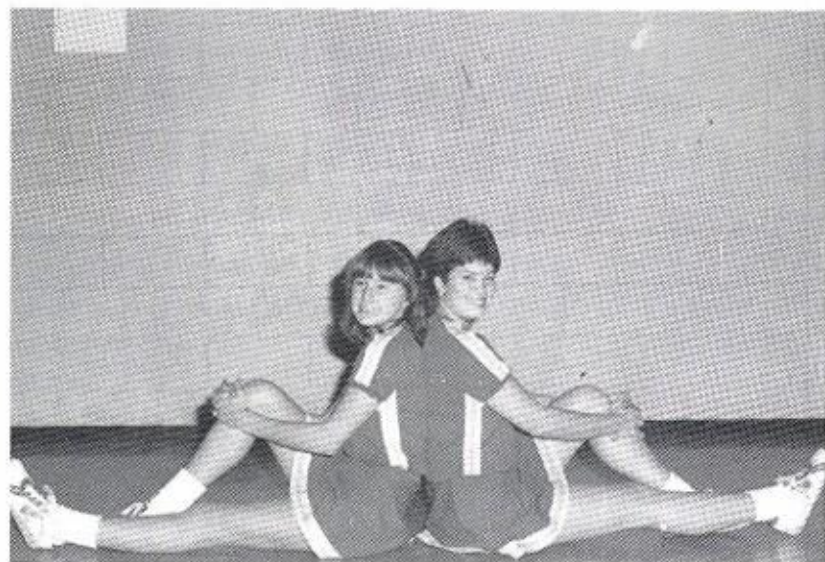

Pictured below: (standing) Merle Gore, T. Chapman, S. Knutson, and Tony Bone. (Seated) S. Terrell, T. Attaway, L. Meyers, J. Johnson, M. Byrd, B. Bahm, S. Gipson, S. Giles, and M. Madole.

Jr. High Pep Squad

The head of our 1982-83 Jr. High Pep Squad is Michelle Byrd, Captain and Stacy Pickard, co-captain.

The 1982-83 Pep Squad works very hard to promote spirit within the Jr. High. They are a very energetic, school spirited group who always attends the games and root their hardest for the team. Also we must mention Miss Shannon Rahm, the sponsor. Without her assistance, the Pep squad would not be possible. Thank you Miss Rahm. We appreciate your help.

1982-83 8th Grade

The 1982-83 eighth graders were quite an outstanding class! They passed through their curriculum of earth science, English, La. History, Home Living, and math with flying colors! And, their extra-curricular activities such as band, choir, pep squad, cheerleading, football, basketball and others didn't lack in enthusiasm or achievements.

Throughout the year the members of the class were kept going full steam ahead with many special projects in Bible and science. They also provided a lot of good food for the faculty in their Home Living class. Probably though, the most exciting, memorable, and educational experience of their eighth grade year was the 8th grade "Journey into the Living Past of Louisiana". These lucky kids made a four-day trip to South Louisiana where they visited many of the state's historic sites and learned about the colorful past of Louisiana on a first hand basis. We know they had fun and yet learned a lot, right guys?

Eighth Graders Explore Louisiana

On March 30, 1982, the Trinity Heights eight graders left Shreveport to tour Louisiana. They brought back with them many lasting memories. (a) The trip was long and tiring but the students were so full of excitement at the things to come that they never even noticed. (b) The teachers and chaperones had many opportunities to converse on issues, things to see, and the overall success of the trip. Some of the memories the students gained were (c) wading in Lake Ponchatrain, (d) walking down Bourbon Street?, (e) eating many strange, new, and delicious foods. They returned home on April 2, 1982, a very happy but exhausted group of students.

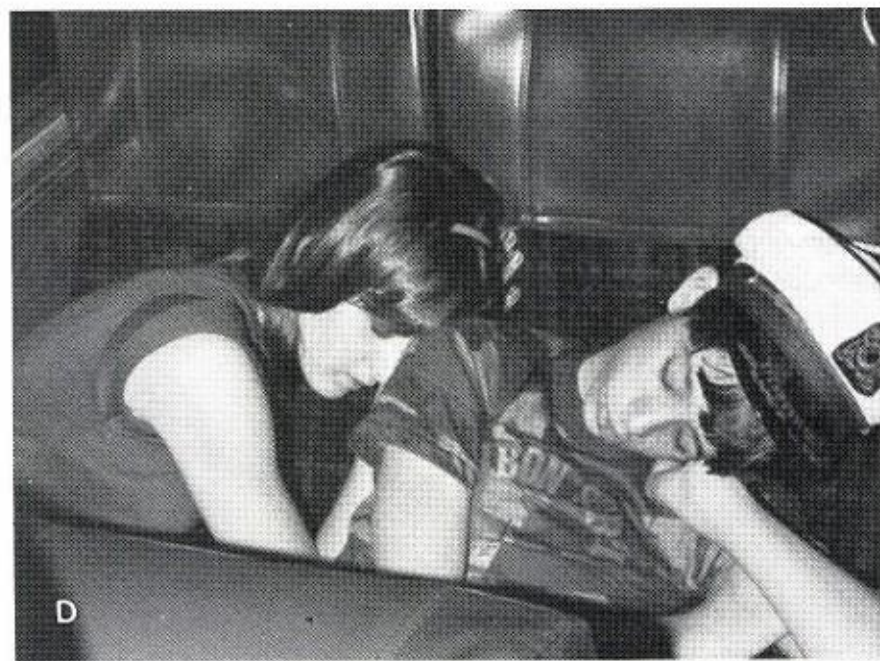

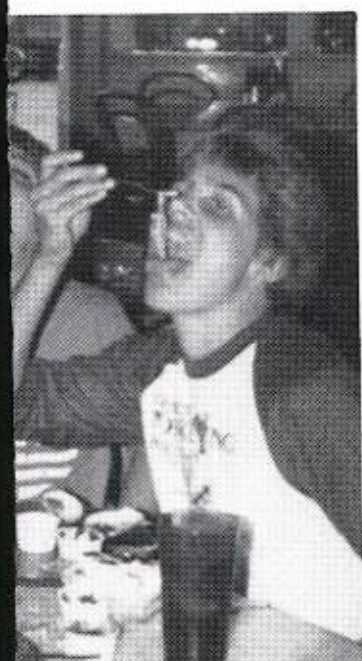

The students said that the entire trip was the most enjoyable part of the whole occasion. While on the trip, the students saw (a) three plantation homes, museums, and Bourbon street. They visited New Orleans, Baton Rouge, and New Iberia. (b) They saw many forms of blues and jazz. (c) They took a steamboat ride down the Mississippi River on the riverboat the Natchez. (d and e) All the excitement finally caught up with the students on the return trip.

Forty-eight students, seven parents, one teacher, and one counselor made the trip. One student said the most memorable part of the whole trip was Avery Island. Another said that it was jumping up and down on the step that contained the name of the state that they most disliked while they were at the State Capitol Building in Baton Rouge. While still another said that the most memorable part was visiting the shops in the French Quarter. All in all every student agreed that the trip was a lot of fun and a great success.

7th Grade Favorites - Melisa Greening & John Howell

The members of the 1982-83 seventh grade class had an exciting and informative year as they hit the jr. high school level. The academic schedule of these youngsters included Bible, math, Science, American History, and English, while their physical education offered Pep Squad, Football, and Basketball, or a general P.E. class.

Special projects for Bible, Social Studies, and Science kept the seventh graders busy, but they still made time for several special trips. One such trip was a Christmas party that called for eating out in a Mexican restaurant and going to a movie - yes, all 46 of them!

ground; saw a play; and visited the Mississippi state Capitol in Jackson.

Some of the class members are involved in the band program here at Trinity Heights; in fact, a few of the more advanced players are already in the high school varsity band.

All the teachers that had the pleasures and headaches of this class of bright youngsters knows that they will go far in life, and also wish the eighth grade teachers much good luck!

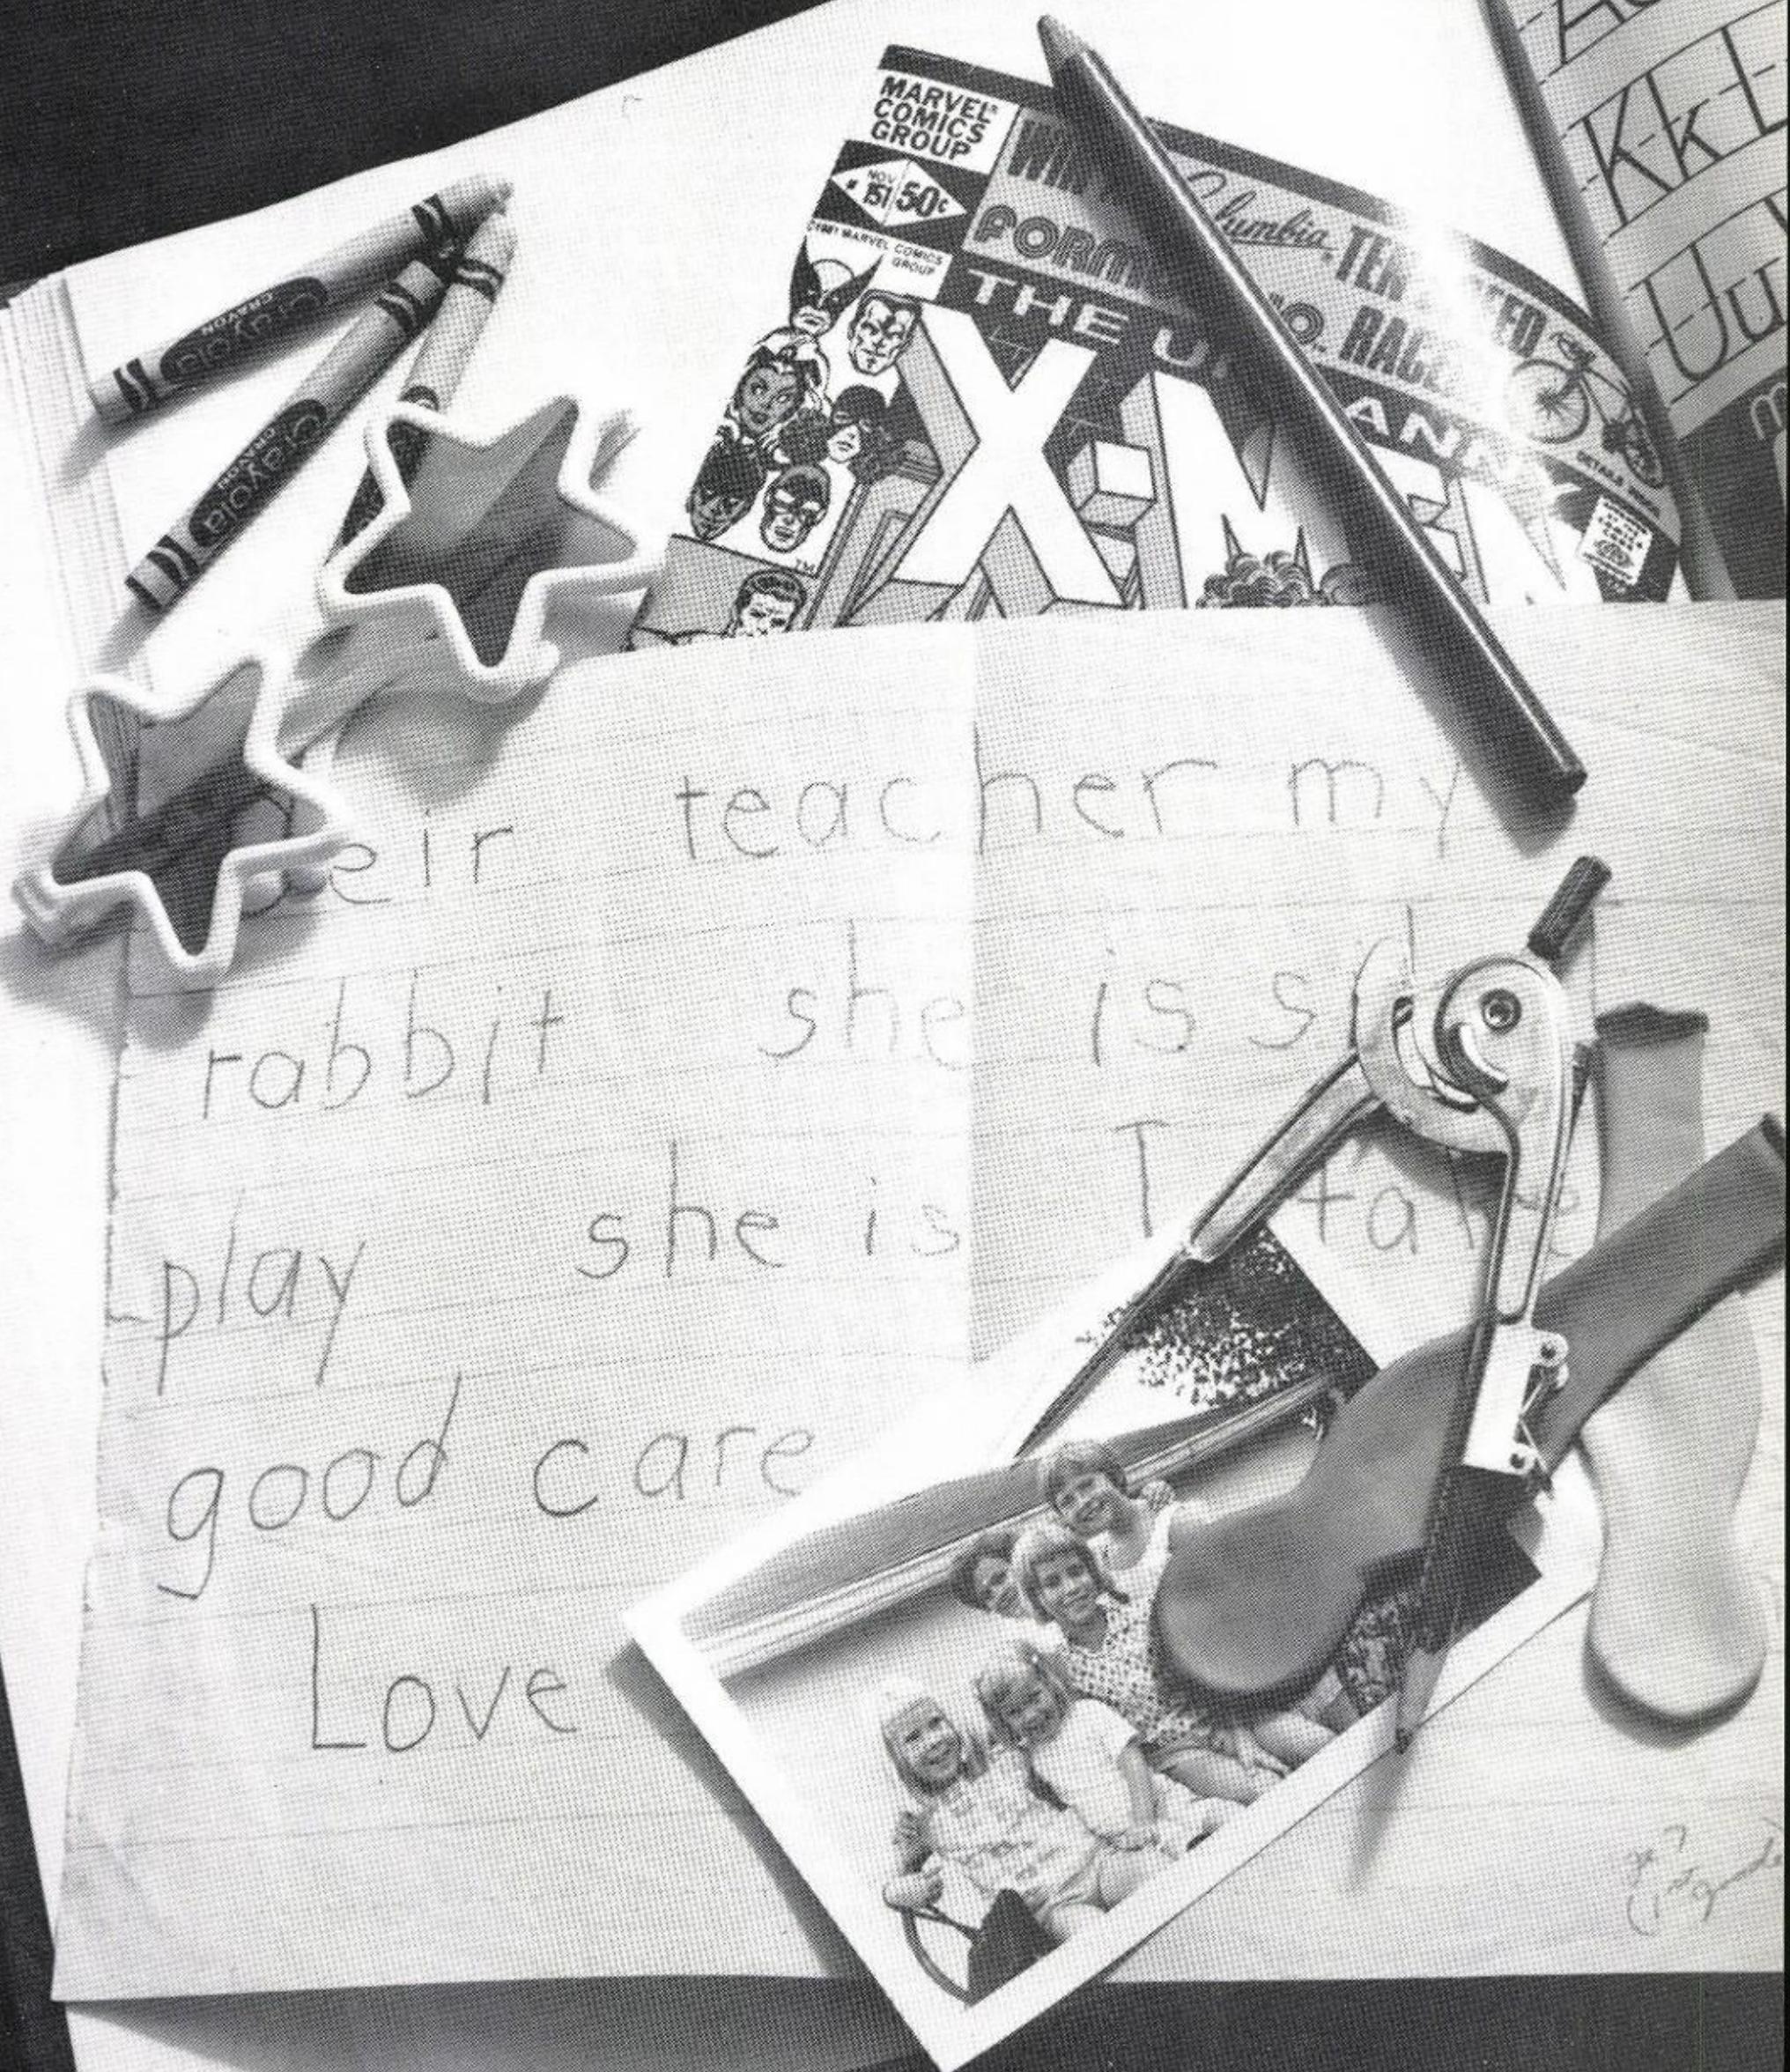

Elementary Dedication

Catherine Stinson. That is a name that everyone at T.H.C.A. knows. Through all thirteen years of our schools existence, she has been "one of the fixtures" When you hear her name you automatically connect it with the second grade. Hours of hard, repitious work are involved in her duty as a teacher. However, she has done a tremendous job coping with the everyday duties as, grading papers, listening to the constant chitter-chatter of the young ones, and of course the tedious job of developing patience. Mrs. Stinson is well known for patience. For this reason and many more, is why we dedicate our elementary section to Catherine Stinson

GRADES

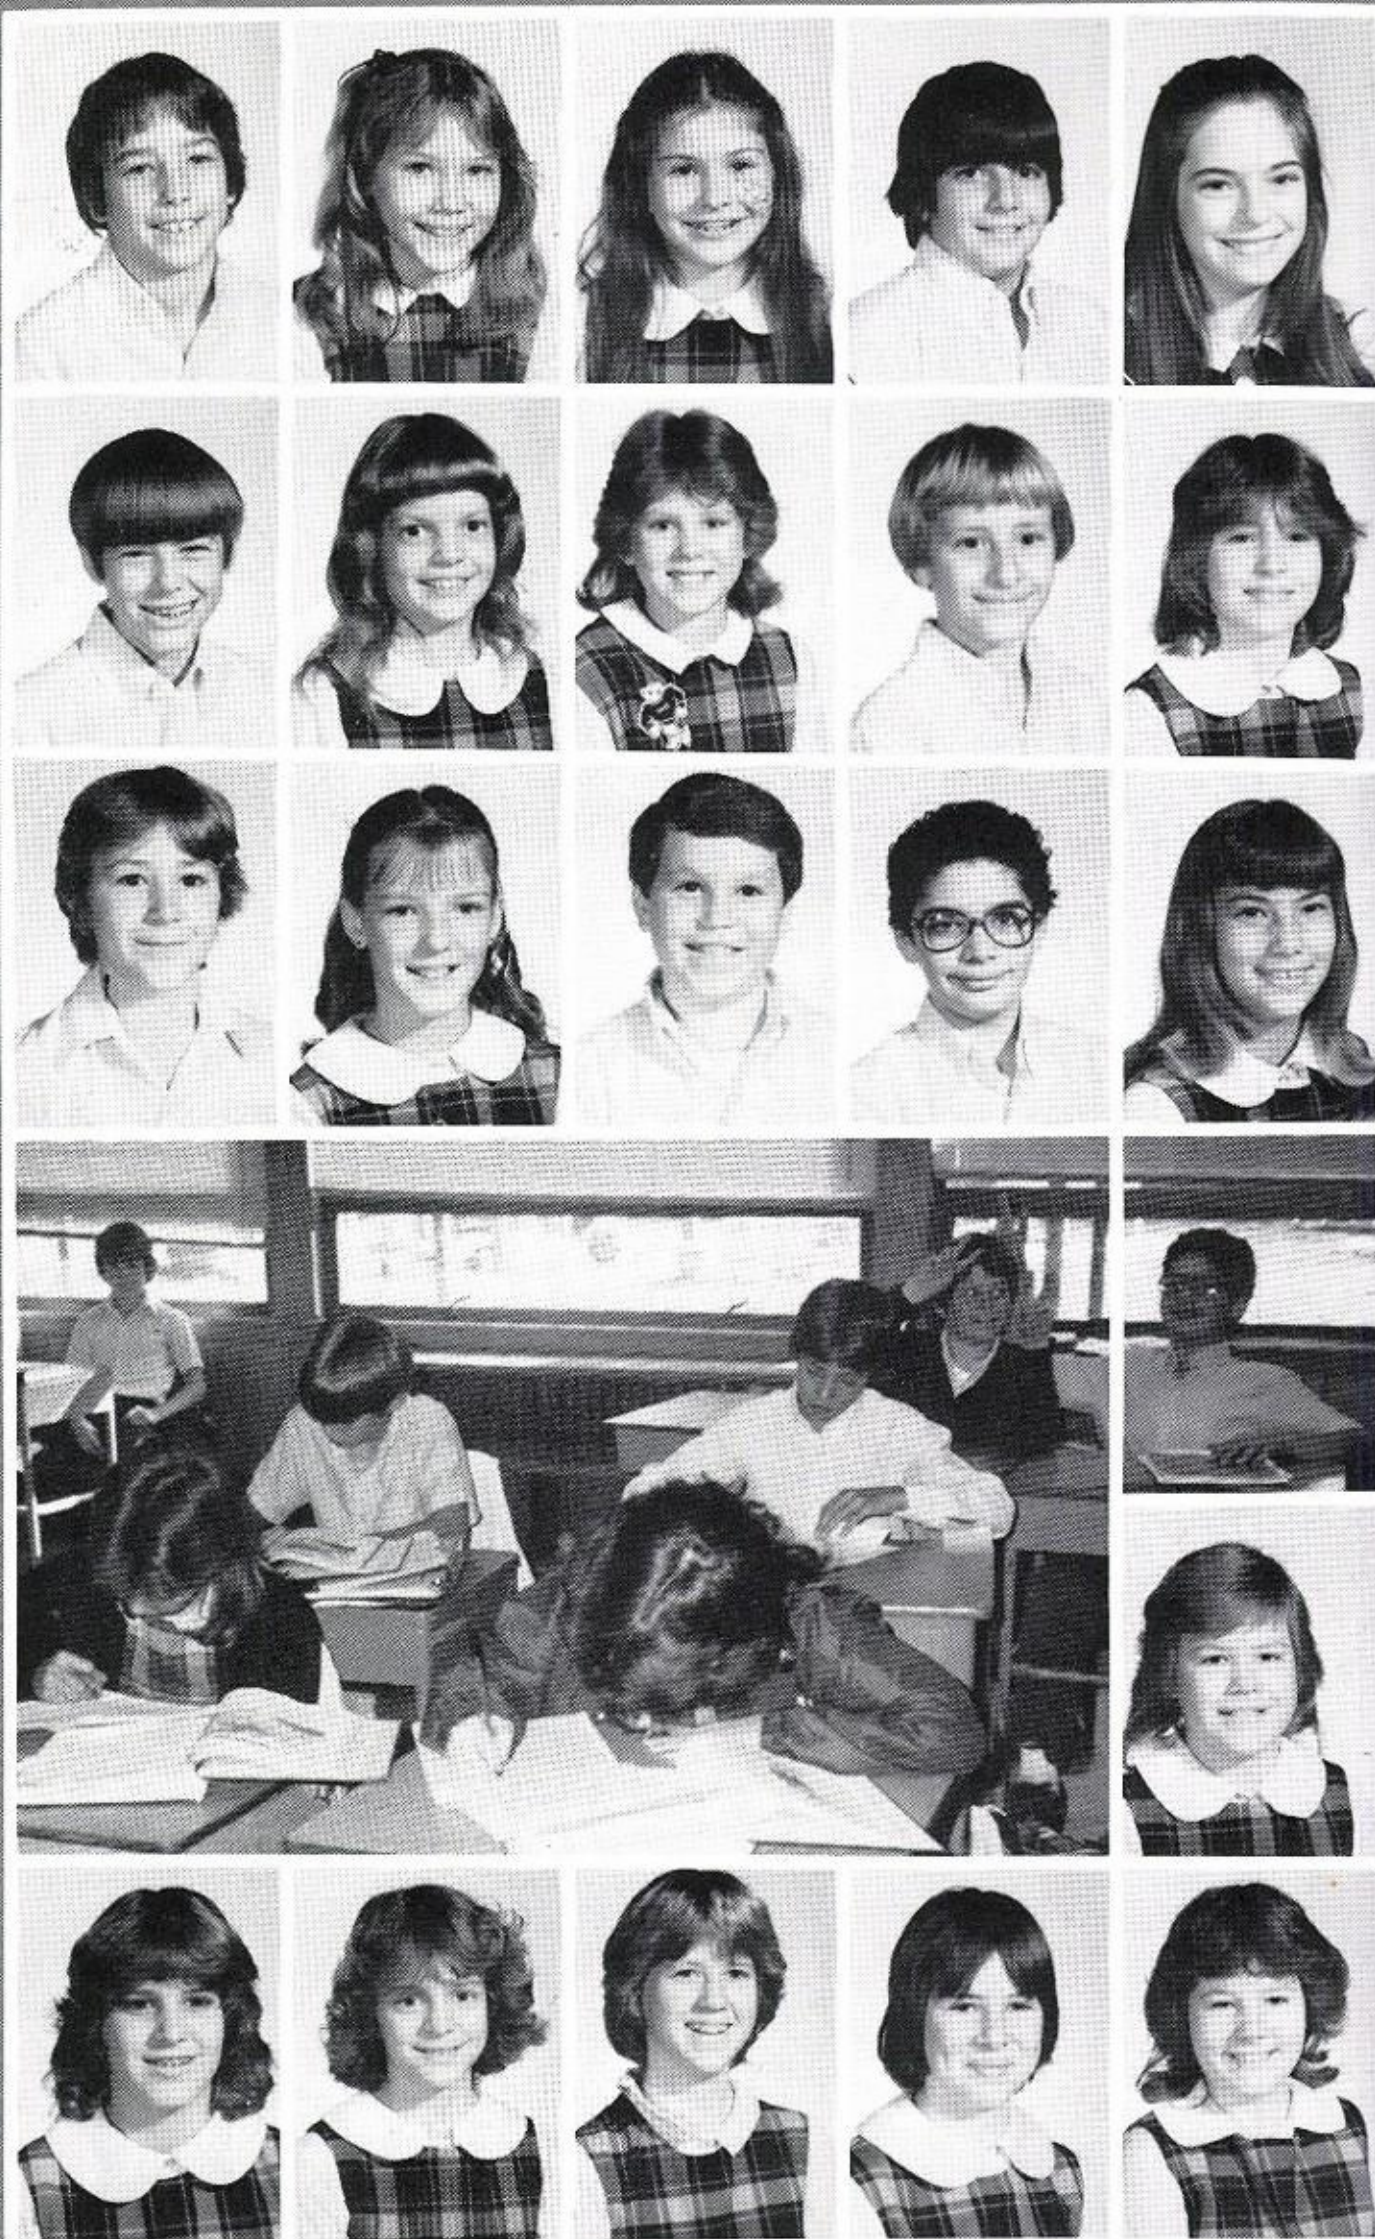

6th Grade

Mrs. Jenkins

B.A., Art, Centenary, La. Tech,
Mexico City College, Northwes-
tern, E. Texas Univ., Univ. of
Maryland.

This sixth grade class has a high percentate on the honor roll and the dean's list each six weeks. These students are also actively involved in extra-curricular activities, thus showing that they have a good, well-rounded aspect of school.

Fourth Grade

Mrs. Dorothy White

Dodd College
La. College

Mrs. Dorothy White teaches fourth grade at THCA. Her class had a very interesting year. They earned enough money to charter a Continental Trailways bus to take them to Six Flags over Texas by selling gift items to parents, teachers, and friends. Mrs. White's fourth grade class was shown how to put together a Chevrolet truck when they visited the General Motors Plant this year. Mrs. White's class also walked trails at the Walter Jacobs Nature Park with Mr. Larry Raymond, the park naturalist. They also spent a wet, but fun day at the Red River Revel.

Fourth Grade

Mrs. Pauline Emerson

University of
Oklahoma

Mrs. Pauline Emerson teaches fourth grade at THCA. Her class is very scoutminded. There are five girl scouts and six boy scouts in the class. The mothers and fathers of the class help work with the students. Before Thanksgiving this year the class sold Christmas gift items to raise money for their annual trip to Six Flags. In addition to their regular class subjects, the class is working on poems and various forms of creative writing. Mrs. Emerson says that she is very proud of her class.

Second Grade

Catherine Stinson

Centenary, Peabody

The Second Grades are made up of average and above average students. An attempt is made to meet the individual needs of each child. The main goal is to instill in each child a desire to read and to enjoy reading. The most important goal in Math is to master addition and subtraction number facts. Also Multiplication tables through fives are introduced.

To write a good sentence with much emphasis on Spelling is what is hoped for in Language. (con't next page)

First Grade

**Mrs. Mary E.
Yarbrough**

NSU
B.A. Elementary Education

First grade is a new experience for children. They begin their school year anxious to be a "big first grader" and soon learn to sit in their own desks, and to work alone, and to listen only to the teacher.

One of their first statements to the teacher is, "I can't read". They want to learn to read so badly, so one of our goals is to have them reading as soon as possible. Cont...

Special Education*

Our other goals are to teach them cursive writing, number facts through ten, how to spell about two-hundred words, and how to use some of their spelling words in sentences.

In other words, our basic goal is to create an atmosphere conducive to learning and, within this framework, teach the children as many number and word facts as we can so that they have the proper foundation on which to build further in the later grades.

There is unrest in the forest ...

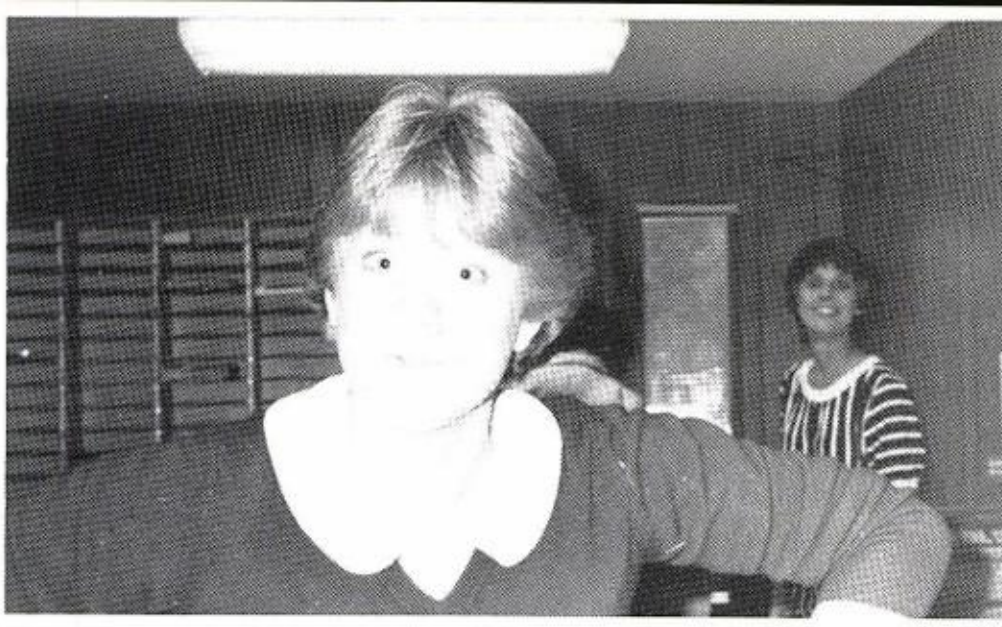

1982 . . . The Year In Retrospect

1982 was a year that stirred and intensified the emotions of the world. One moment would be full of happiness while the next we would be saddened or outraged. In 1982, we laughed together, cried together, united, separated, complimented and complained. We watched as technology increased our productivity and efficiency, and as conflicts tore apart not only cities and buildings, but people as well. We sat and watched "E.T. phone home", and we clenched our teeth at rising unemployment and inflation. We endured the football strike, claiming to never watch a game again only to find ourselves in front of the television watching the play-offs or the Superbowl. 1982 was a year burdened by the problems of the world, but aided by the intuitive reasoning of profound people found across the globe. We want to take one more look at a year that played an important role in our lives and in the lives of those to follow . . . 1982.

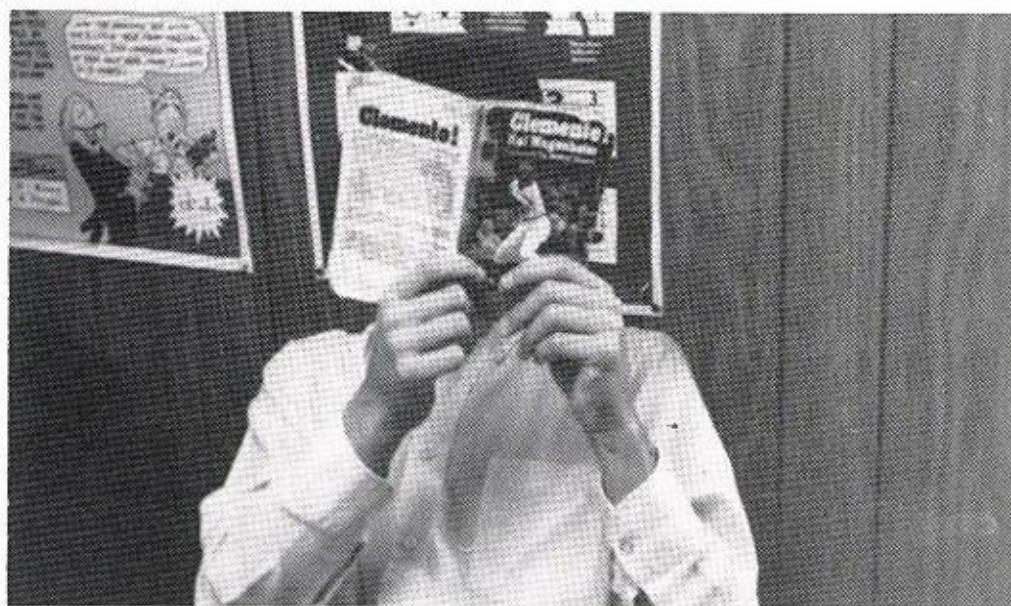

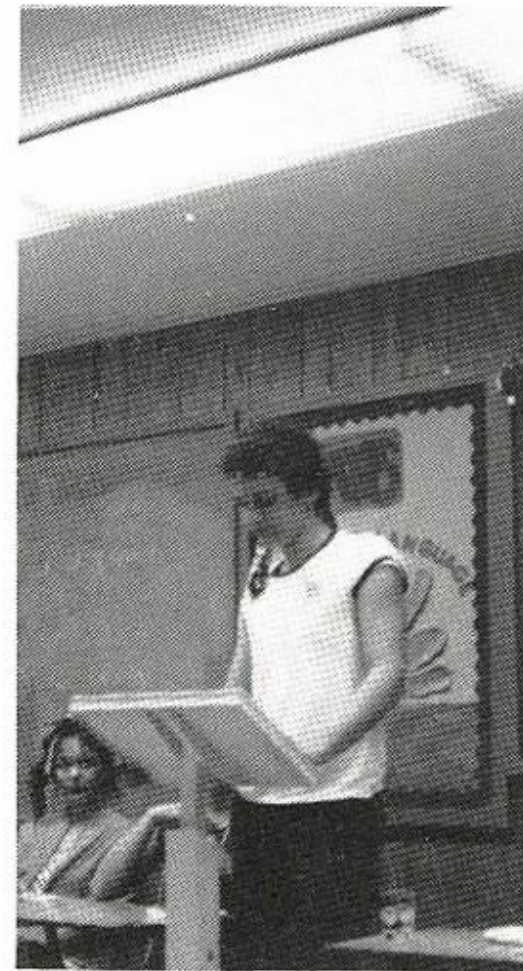

Technology invaded the homes of many people as an estimated three million personal computers were sold for use in homes and schools. Utah doctors implanted the first permanent artificial heart in a human. Made of plastic, this device may someday save thousands of lives. The NASA Space Shuttle continues to demonstrate the ingenuity of our scientists, and through its performance while orbiting the earth, we realize we may not be far from the ultimate space technology that was only dreamed of before now.

One of the bloodiest wars between Israel and the Palestinian Liberation Organization (PLO) in Lebanon took place in 1982. The Israelis rolled to the outskirts of Beirut and bombarded the city with artillery and gunfire, forcing the beaten PLO to withdraw.

Eight thousand miles away, Great Britain fought an improbable war to retake the Falkland Islands, off the coast of Argentina. After seventy four days of fighting, the British retook the Island, and Argentine President Galtieri was forced to resign in the face of defeat.

The Soviet Union faced a new change in government after Leonid Brezhnev died of heart failure at the age of 74 in November. Yuri Andropov presided over a faltering economy, diplomatic difficulties, and other problems when he took office.

About twelve million American workers were without jobs by November of 1982, as continued lay-offs in the auto, steel, and machine-tool industries pushed unemployment to 10.8%.

In a bizarre outbreak of poisonings, seven people died when they swallowed Tylenol capsules laced with cyanide by an unknown killer.

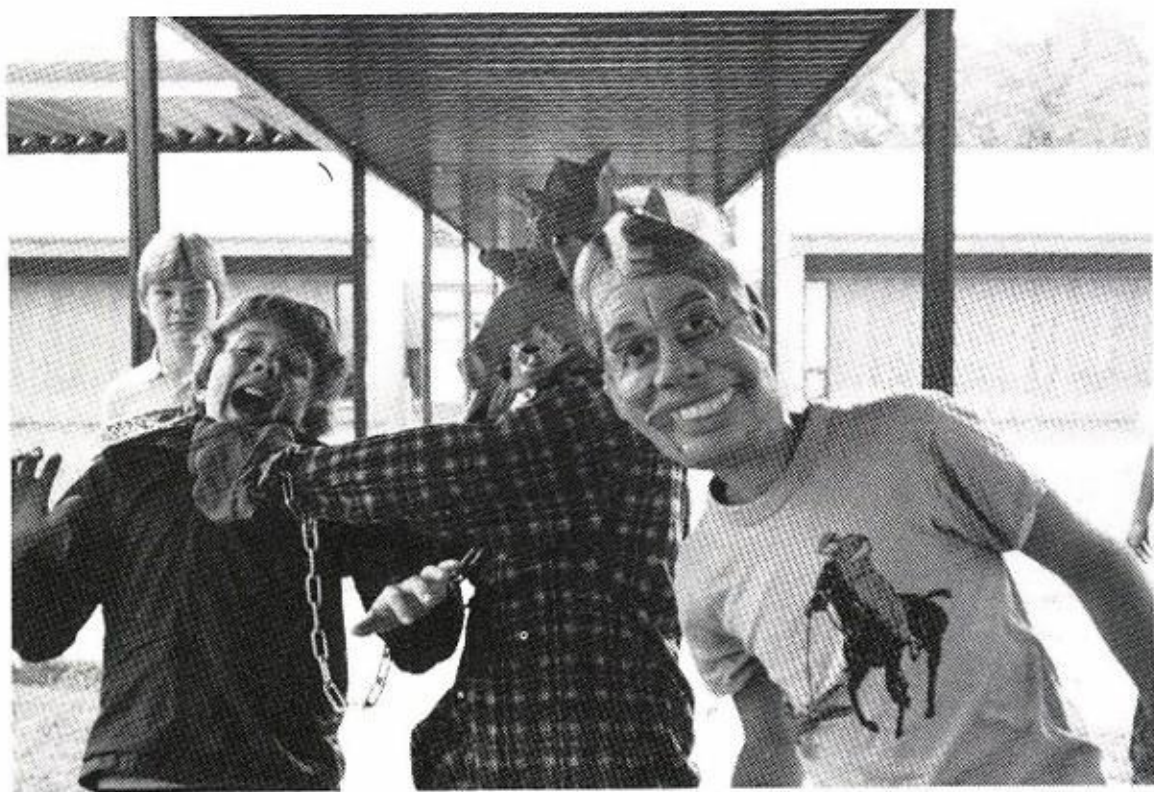

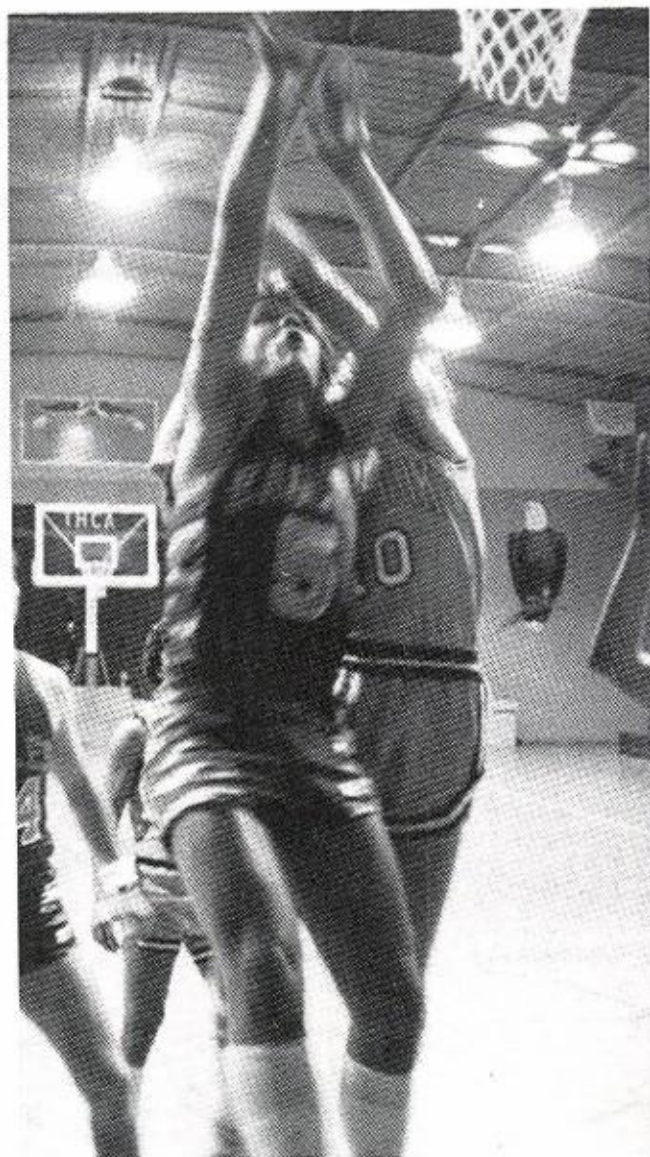

Wayne Gretzky put together an unbelievable hockey season, and was named sportsman of the year. Sugar Ray Leonard, one of the greatest boxers in the history of the sport, retired when a detached retina hampered his performance. A major death occurred in the ring when Ray "Boom Boom" Mancini fought Duk Koo Kim. Boxing fans everywhere were shocked when they found out that Duk Koo Kim never recovered from that fight even after two and a half hours of brain surgery.

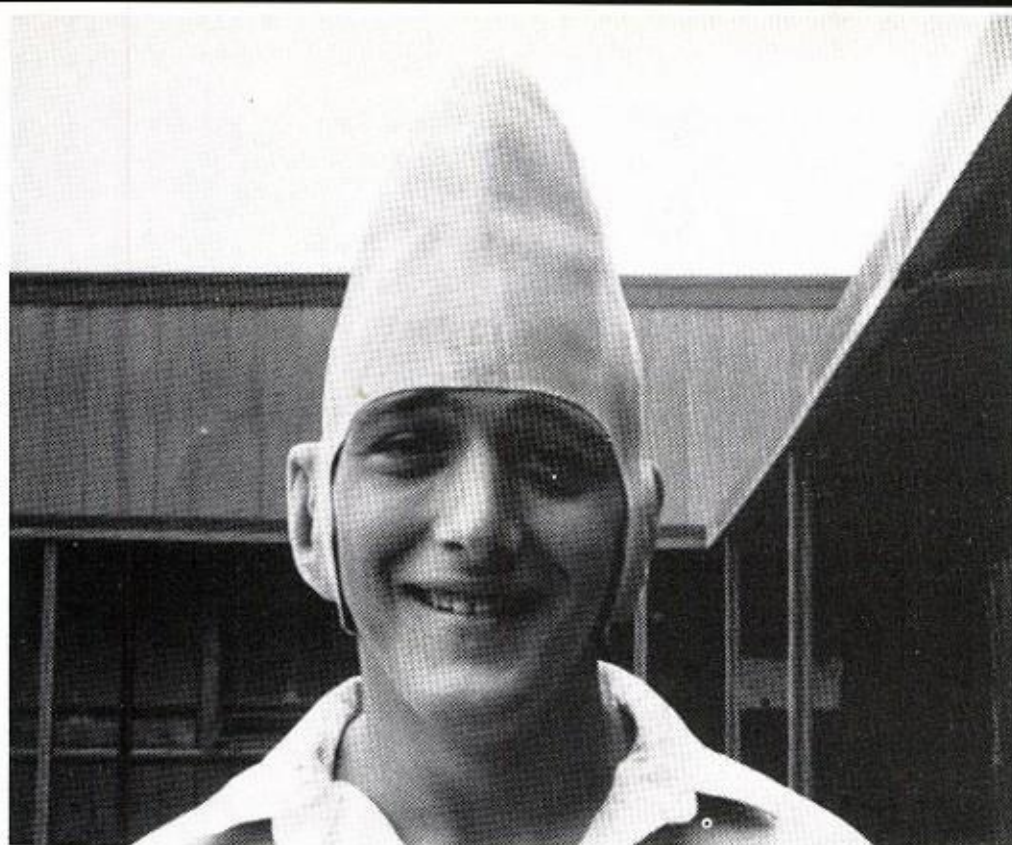

Steven Spielberg created and produced what could easily be called the best movie of 1982. "E.T.", a movie about a homesick extraterrestrial, broke box office records and "E.T. phone home" became the overworked phrase of the year.

"The Who", a popular Rock and Roll band, gave their farewell tour, and Keith Green, a Christian Rock singer, died in a plane crash.

1982 was the year we paid 40¢ for a coke, \$3.50 for a movie, and anywhere from \$15.-\$50. for a pair of blue jeans.

On the local scene, John Hussey became Shreveport's new mayor, and Bossier opened its first shopping mall. Wayne Smith, a graduate of Trinity Heights, became the starting point guard for La. Tech's men's basketball team, though only a freshman. Here at T.H., we spent time listening to all kinds of music ranging from that played by KMBQ to that of KEPT. Arcades became an important part of many of our lives, and Burger King, the official hang-out after football games. "Time" magazine topped the year off well by choosing a machine for the man of the year!!

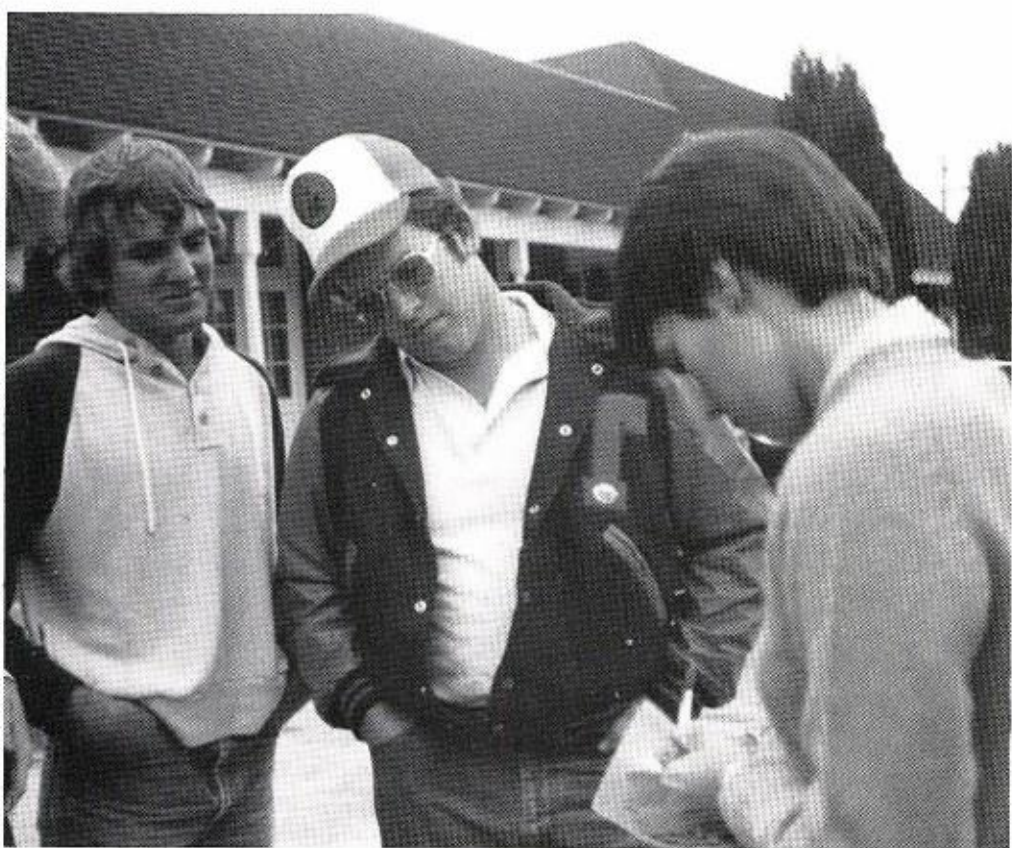

A Final Word . . .

The events of 1982 that shaped the future of the world are all important, yet it would be quite impossible to name them all. Even the smallest detail of the year probably produced great changes throughout the world, and altered the course of history by a significant degree. It has been said that those who do not study history are doomed to repeat it over and over, but by learning from our mistakes, we can continue to go on to the greater achievements of the future.

"These dark days will be worth all they cost us if they teach us that our true destiny is not to be ministered unto, but to minister to ourselves and to our fellow man."

Franklin D. Roosevelt

We of the Aquila staff have attempted to record an accurate history of this school year that reflects the uniqueness of our culture. We would like to dedicate this edition of the Aquila to Mr. Cecil Owens, and Mrs. Win Owens. We feel that they are two of the main reasons for the spirit and success of this year. We would like to thank them for the things they have done and wish them all success in the years to come.

Janet,
It's been great
going to school
with you the last 2
years. I'm sorry things
haven't always worked out
but the times we've had were
great. Good luck next year & with
whoever I'll see you soon.
Love always,
Christie

Janet
It has been
a great year in
Bible with you
Love & Matt & Father

Janet,
Well, we finally made
it through our freshmen
year. Can you believe it's
already over ??? I can't!
It seems like it just started.
Oh, well. I'm glad you were
in some of classes. Hope to
see you ~~the~~ next year!
Some during the summer.
Good luck in everything
you do.
Dad

To a nice girl
who I unfortunately
met very early in the
year.

Steve Arnold

To a really nice girl
who I always enjoy being
in class with. You a fox
chick and 1/2.
Patrick

~~Paula~~
Janet
it has been nice
knowing you this
year good luck with
the group
Love
Paula

~~20.3 Saved to RRM!~~

Janet a wild
year a wild
and nutty gal.
It's been fun this
yr. stay sweet and
out of trouble and see ya
this summer. Love ya

America!

Janet,
 Right we made it!
 Officially now we are
 for a you again! but till
 next year relax it. It
 of course will be better till
 summer. I can't wait till
 in touch. I can't wait till
 and out. 22-0463! Stay sweet
 you much of trouble! Don't shut
 you do! Keep God's everything
 will do great! just and you
 Love ya!
 Kristi

Janet,
 It's been great
 having you & hope
 we become better
 friends next year stay
 sweet
 Love y'all
 Carol

Janet,
 It has been real school
 great going to school
 with you. Have fun
 summer. Love, Julie M.

Autograph

Janet,
 Be sweet this summer,
 help your mom and don't
 give her a hard time.
 Come to see me. Be
 sweet and I hope
 you have a great year
 during your Sophomore
 year.
 Love ya!

 Conlee

Janet,
 It's been a long time
 since I've seen you. The
 more I see you, the more
 I love you. Be sweet
 this summer. Love,
 Julie M.

James,
To a real
sweet girl
for being my friend
you are a real sweet
girl. Good luck in the
future
Love ya.
Bryan
#20

James,
It's really been
a great year with you.
Had a lot of fun
and I hope you
stay sweet
and happy.
Love ya
Tammy

Janet,

Hey Balve! I sure miss you
this year. But we had fun any-
way, like calling Steve, John, Mike
and all them other spastic people.
Oh yeah rolling Freddy & Neil.
I'm sure we'll have more great
times through the next years. We
got really 6 PAZ living Courtney
Anderson and Brittaney Robins or
whatever. Remember babysitting
and falling off piano stools, slipping
breaking hearts. You're the best
friend I ever had. Hope to have
more spastic times in the future
See ya this summer! Love Ya Lots,

P.S. Have a RADICAL
Summer!!!!!!

Angela
Kay
Boyle

SMILE

Janet,
Enjoyed Bible this
year. Take care
over the summer &

It's been
nice knowing
~~you~~ you. Stay & good looking
over the summer
Love
Chad

Janet,
Had fun in English
and science. Hope
you have a great
summer.
M Roberts

Autograph

To a sweet
girl I'm glad
I had some classes
with you.
Your friend
Andrew Yerburgh

Janet, I guess it's been
another long
year. Did you
enjoy going to
Ponder's room?
I was inward
you when you
left.
See you
this summer
Back
Janet

O.K. M DOWIE-
KNOCKERS, ITS
TIME FOR REVENGE!
SERIOUSLY though,

Im glad I met you this
year. WE HAD A GREAT TIME
IN SOFTBALL, DIDNT WE?? WELL,
I EXPECT YOU AND I OUGHT TO
GO PARTYING SOMETIME. WE'LL
HAVE A BLAST!

STAY SWEET, (OR
DEBBIE
HATERISON
CRAZY TO THE CORE!)

Auto graph

Janet,
Thanks for being my friend
this year, see you in summer
and next year.
Love
Randy #73

Janet
it is good
to be your friend
again. Hope to see
you this summer!
Love
Janet

Janet,
Well your hair
is "different" just
pickin' the cut! Have
a super fantastic summer.
Stay out of trouble
for a change!
Love ya
Angela

Janet
 we have gone
 through all together
 we've had good times and
 we have had bad but we will
 still make it through life. We've
 had a radical time & mean really
 radical. But we'll have a worked time
 this summer

Best Friends,
 Pam Hiddings

Janet,
 It's been great knowing you. And a year I'll never forget.
 Hope to see you next year. Have a great summer.
 Good luck & stay sweet,
 Beth

Janet -
 Sure has been fun to have
 had you in class - you're the
 only student that had both
 classes of Science in one year!
 Thanks for all the help - see you
 next year!
 Mr. Fowler
 2 Pet. 3.18

Janet,
 It sure has been nice
 knowing you this year. I hope
 I can get you in some of my classes
 next year. Good luck this summer.
 Love ya,
 Rusty

Janet -
 You're a special
 one to me! I'll
 always remember
 all those summer
 mornings we drilled
 the right parts of
 speech. Keep working!
 You're a sweet girl.
 I'll miss you.
 Mrs. Lee

Janet,

I wish you wouldn't
have changed classes,
then we could have
seen each other more.
But we got to see each
other at the lockers.

I hope we can
stay in touch. I'm
sorry that my pen
is not working.

I don't know
why. Have a fun
time next year.
I'm miss you.

Love ya,
Hannah
